development of film and television He is entirely responsible for the popular image of Victorian London that still lingers today and his characters from Oliver Twist to Ebenezer Scrooge from Miss Havisham to Uriah Heep have become not merely iconic but mythic But it was his stirring portraits of ordinary people not the upper classes or the aristocracy and his fervent cries for social moral and legal justice for the working poor and in particular for poor children in the grim early decades of the Industrial Revolution that powerfully impacted social concerns well into the 20th century Without Charles Dickens we may never have seen the likes of Sherlock Holmes Upton Sinclair or even Bob Dylan Here in 30 beautiful volumes complete with all the original illustrations is every published word written by one of the most important writers ever The essential collector's set will delight anyone who cherishes English literature and who takes pleasure in constantly rediscovering its joys This volume contains Part I of Little Dorrit which was originally serialized in standalone installments between 1855 and 1857 Dickens's critique on debtors prisons and other failings of the English social structure of the time it is a complex story of numerous characters and rambling subplots and an excellent example of Dickens's mastery of the novel form Miss Matched Wendy Million,2023-06-13 When matchmaking software pairs a woman with her worst ex she gets a unique second chance to connect with the love of her life After years of bad dates Tayla Murphy has decided it's finally time she found her ideal partner so she pays a hefty fee for a cutting edge soulmate matching service But the infallible algorithm must have a serious glitch because it pairs her with the one man on Earth she never wants to see again Simon the man who left her heart in pieces when he broke off their engagement six years ago Tayla would rather cut her losses but if she's going to move forward with her life she needs the money back Then Simon shows up on her doorstep promising Tayla he can get her a refund by showing the service that the match was wrong But he wants her to really prove they aren't meant to be by dating him for the next month Even though he thinks the service is a fraud Simon has been desperate for a second chance with Tayla ever since he messed up their shot at happily ever after They still have an amazing connection but a lot has happened in the time they were apart So is this a mismatch or a perfect match *Forest and Stream* ,1929 **The Gregory Sallust Series** Dennis Wheatley,2014-12-26 Before there was James Bond there was Gregory Sallust Tina Rosenberg Salon com Dennis Wheatley's complete bestselling Gregory Sallust series featuring the debonair spy Gregory Sallust a forerunner to Ian Fleming's James Bond During WWII Dennis Wheatley was hired by Winston Churchill to be a part of a highly confidential group of strategists He was one of the only civilians to be recruited on the strength that he had shown a flair for deception and cover stories in his novels particularly through his incarnation of Gregory Sallust widely regarded as the inspiration for Ian Fleming's James Bond This complete collection includes the following titles in chronological order of events as they occur within the novels CONTRABAND THE SCARLET IMPOSTOR FAKED PASSPORT THE BLACK BARONESS V FOR VENGEANCE COME INTO MY PARLOUR TRAITORS GATE THEY USED DARK FORCES THE ISLAND WHERE TIME STANDS STILL BLACK AUGUST THE WHITE WITCH OF THE SOUTH SEAS
