Gettysburg Unearthed: John G. Sabol Jr., 2007-09-27 This book is the third in a series of anthropological studies which analyze ghosts and haunting phenomena in their cultural context A history of visitations to the

Gettysburg landscape is linked to the presence or absence of anomalous sensory manifestations The preliminary analysis of the data suggests that the hauntings at Gettysburg may be a product of sociocultural factors in part related to the growth of heritage tourism rather than any ghostly manifestations by civil war soldiers Since this is a preliminary analysis a research design is proposed to further excavate the Gettysburg landscape This approach is based on the use of ethnographic context spatial symmetry cultural relativity and performance based investigative practices The author proposes that through this methodology a controlled excavation of the landscape can be made thus unearthing a more scientific analysis and evaluation of Gettysburg as a haunted cultural place

Ghosts at Gettysburg Lloyd S. Wagner, 2007-10 Gettysburg Site of the epic battle that forever changed the United States Some also say it is the most haunted place on earth In Ghosts at Gettysburg the third Oliver Family Adventure the Oliver family visits Gettysburg Pennsylvania site of the three day battle While Tyler and Tommy participate in a re enactment learning about the battle and those that fought it their sister Paige and mother Judy reluctantly learn of the town's haunted history through frightening encounters of their own On their very first evening there they see pictures of glowing orbs on the battlefield and meet a mysterious woman who seems to be everywhere While Tommy marches with Confederate troops and Tyler helps man the cannons atop Cemetery Ridge the Oliver women encounter the ghosts of a grieving father and a sad young soldier forcing them to rethink their ideas about ghosts spirits and hauntings When the battle reaches its climax at Pickett's Charge the boys find themselves on opposite sides of that bloody clash There they learn what it was to be a soldier in the American Civil War

The Politics of Presence John G. Sabol Jr., 2008-08-27 A major focus of ghost excavation as opposed to ghost hunting is an archaeology of experience The emergence of this experience is unearthed through the investigative engagement of haunted space One aspect of this engagement is performance which requires a specific sociocultural and historical context of understanding This context of understanding must be understood in terms of layers of meaning Gettysburg is used as a specific example of the use of performative and dramatical activity Each of these activities performed at Gettysburg predisposes a genre a set of beliefs practices social relations manifestations and locations which together define categorically

what it is that is manifesting on the battlefield and what interpretations are being used to understand these performative cultural practices The genres of performative action at Gettysburg are important because they are located at places on the battlefield where belief systems become mobilized into actual practice This book will explore various haunting uncertainties and cultural situations associated with ghostly activity and the implications of these performances as they are enacted by ghost hunters Civil War re enactors the tourism industry and the ghosts themselves **Ghost-Hunting For Dummies** Zak Bagans,2020-05-21 Dive into the ghostly world of the supernatural with America s leading paranormal investigator Inside paranormal investigator star and executive producer of The Travel Channel s hit series Ghost Adventures and founder of the award winning Haunted Museum Las Vegas most popular attraction Zak Bagans takes readers on an exciting journey into the supernatural world With insider information on the history of ghost hunting to learning about ghosts with all kinds of temperaments Ghost Hunting For Dummies is peppered with true accounts and stories from Bagans famous cases and investigations Featuring expert advice on picking a haunted location setting up cameras and dealing with unwieldy ghosts this book shows how today s investigators use the tools of modern science to study a wide range of paranormal activity Take an exciting adventure into the supernatural world Explore haunted sites Get messages from beyond the grave Read true accounts from famous cases and investigations If you re one of the countless fans of Ghost Adventures itching to get off the couch and track some spirits on your own this book provides everything you need to know to conduct a successful paranormal investigation **Last Ghost at Gettysburg** Paul Ferrante,2013-03-25 High school freshman T J Jackson thinks his summer will be a drag when his widowed dad dumps him off for a vacation with his Uncle Mike a Park Ranger at the Gettysburg National Battlefield Aunt Terri and his geeky adopted cousin LouAnne But T J is in for a few surprises For starters Gettysburg isn t the boring Civil War town he expected A ghostly Confederate cavalier has been terrorizing nightly visitors to the battlefield And LouAnne isn t so geeky anymore she s become a sassy beauty who leaves him breathless Things escalate when the cousins aided by T J s quirky friend Bortnicker from back home in Connecticut who also has his eye on the lovely LouAnne attempt to solve a murder mystery that has the local police park rangers and paranormal investigators in a panic Because how do you stop an undead killer from 1863 from wreaking havoc in the 21st Century **Insiders' Guide® to Gettysburg** Kate Hertzog,2009-05-19 Insiders Guide to Gettysburg is the essential source for in depth travel and relocation information to this historic city **Phantom Gettysburg** John G. Sabol Jr.,2009-06-24 Phantom Gettysburg discusses the contemporary alternative version of a perceived haunted battlefield In order to understand this alternative perception contemporary anomalous phenomena must be affixed to and analyzed within their exact historical setting and social context An ethnographic model of mid 19thc American culture is used as the basis for this analysis Specifically the cultural beliefs relative to the concepts of death and the afterlife as it was envisioned by these soldiers is the basis for this model This historical ethnographic analysis serves two purposes First it is a means to legitimize the methodology and fieldwork practices

of ghost research Second it is meant to analyze the Gettysburg experience and its haunting uncertainty in its historical and sociocultural environment The conclusion that is drawn from this comparative approach alters the reality and representation of an interactive ghostly battlefield presence A Gettysburg haunted by Civil War soldiers is considered for the most part a phantom experience

The Science of Ghosts Joe Nickell, 2012-07-03 Are ghosts real Are there truly haunted places only haunted people or both And how can we know Taking neither a credulous nor a dismissive approach this first of its kind book solves those perplexing mysteries and more even answering the question of why we care so very much Putting aside purely romantic tales this book examines the actual evidence for ghosts from eyewitness accounts to mediumistic productions such as diaphanous forms materializing in dim light spirit photographs ghost detection phenomena and even CSI type trace evidence Offering numerous exciting case studies this book engages in serious investigation rather than breathless mystifying Pseudoscience folk legends and outright hoaxes are challenged and exposed while the historical cultural and scientific aspects of ghost experiences and haunting reports are carefully explored The author the world's only professional paranormal investigator brings his skills as a stage magician private detective folklorist and forensic science writer to bear on a topic that demands serious study

Ghostly Tales of Pennsylvania Jessica Freeburg, Natalie Fowler, 2024-09-10 Read 27 chilling ghost stories from two paranormal investigators about reportedly true encounters with the supernatural in Pennsylvania The ghost of a notorious gangster roams the halls of Eastern State Penitentiary Echoed cries from the past emanate from the long ago home of a famous figure in US history Pennsylvania is among the most haunted states in America This collection of ghost stories presents the creepiest most surprising tales of the Keystone State Authors Jessica Freeburg and Natalie Fowler are active paranormal investigators with a shared fascination for things that go bump in the night The professional writers spent countless hours combing the region for the strangest and scariest run ins with the unexplained Horror fans and history buffs will delight in these 27 terrifying tales They're based on reportedly true accounts proving that Pennsylvania is the setting for some of the most compelling ghostly tales ever told The short stories are ideal for quick reading and they are sure to captivate anyone who enjoys a good scare Share them with friends around a campfire or try them alone at home if you dare

Battlefield Hauntscape John G Sabol Jr, 2008-01-03 Battlefield Hauntscape introduces a new field survey approach to unearth the patterns of ghostly phenomenon on a battlefield Both residual and interactive presence can be isolated and separately distinguished using this new methodology This technique is based on the K O C O A key terrain observation cover and concealment obstacles and avenues of approach a military strategy of terrain analysis that is still used at West Point In ghost research K O C O A is used to identify the locations of potential paranormal phenomenon From the located nodes of discontinuous anomalies the ghostly drama is unearthed through a performance based excavation process The Gettysburg battlefield is used to illustrate the dynamics of this approach The author suggests that the K O C O A survey is a more accurate and scientific method of documenting battlefield ghost phenomena than the more subjective

accounts of hauntings characteristic of most books that recount encounters with the Gettysburg ghosts *Ghosts of Gettysburg and Other Hauntings of the East* Suzanne Garbe, 2014 Describes ghost sightings and hauntings in the eastern United States
