**Focus On: 100 Most Popular Former Roman Catholics** Wikipedia contributors, **Focus On: 100 Most Popular Deaths from Pneumonia** Wikipedia contributors, **Bisexuality and Queer Theory** Jonathan Alexander, Serena Anderlini-D'Onofrio, 2014-04-10 According to David Halperin sexuality in our time is typified by a crisis in contemporary sexual definition What is sexuality What does it mean to have a sexual identity or orientation What is the relationship between sexuality as a knowledge construct on one hand and the often messy flows of desire and practices of love on the other How and why are some sexual erotic and intimate practices normalized and others marginalized Queer Theory has emerged in the West as one of the most provocative analytical tools in the humanities and social sciences It scrutinizes identity and social structures that take heteronormativity for granted that do not question the social construction of heterosexuality as normative in relation to its oppositional binary homosexuality At the same time bisexuality is a practice identity and orientation that challenges the binary logic around which cultural notions of sexuality are organized It is a portal to the imagination of a world of amorous expression beyond that divide This provocative collection presents bisexuality and queer theory as two parallel thought collectives that have made significant contributions to cultural discourses about sexual and amorous practices since the onset of the AIDS era and explores the ideas that circulate in these thought collectives today We learn much about the construction and experience of sexuality and the power it still holds throughout the contemporary Western world to shape identities and practices This volume challenges our understanding of what it means to be sexual to have a sexual identity and to practise the arts of loving This book was originally published as a special issue of the *Journal of Bisexuality*

**Sensible Ecstasy** Amy Hollywood, 2010-01-15 *Sensible Ecstasy* investigates the attraction to excessive forms of mysticism among twentieth century French intellectuals and demonstrates the work that the figure of the mystic does for these thinkers With special attention to Georges Bataille Simone de Beauvoir Jacques Lacan and Luce Irigaray Amy Hollywood asks why resolutely secular even anti Christian intellectuals are drawn to affective bodily and widely denigrated forms of mysticism What is particular to these thinkers Hollywood reveals is their attention to forms of mysticism associated with women They regard mystics such as Angela of Foligno Hadewijch and Teresa of Avila not as emotionally excessive or escapist but as unique in their ability to think outside of the restrictive oppositions that continue to afflict our understanding of subjectivity the body and sexual difference Mystics such as these like their twentieth century descendants bridge the gaps between action and contemplation emotion and reason and body and soul offering new ways of thinking about language and the limits of representation

**Bisexual Spaces** Clare Hemmings, 2013-11-12 A largely unexplored area this is an innovative

and original examination of bisexual spaces as places that are defined by both geographical boundaries and cultural significance Hemmings applies the ideas of queer theory as well as social and cultural geography in her fascinating investigation into the spaces and places of bisexual life Specifically focusing on Northampton MA and San Francisco she draws on interviews with community members and the town histories showing how and why they have developed into safe places for the gay lesbian and bisexual communities By mapping out a space of bisexuality *Bisexual Spaces* provides a new and provocative understanding of the concept

*The Politics of Moralizing* Jane Bennett, Michael J. Shapiro, 2013-09-13 *The Politics of Moralizing* issues a stern warning about the risks of speaking writing and thinking in a manner too confident about one's own judgments and asks Can a clear line be drawn between dogmatism and simple certainty and indignation Bennett and Shapiro enter the debate by questioning what has become a popular even pervasive cultural narrative told by both the left and the right the story of the West's moral decline degeneration or confusion Contributors explore the dynamics and dilemmas of moralizing by advocates of patriotism environmental protection and women's rights while arguing that the current discourse gives free license to self aggrandizement cruelty vengeance and punitiveness and a generalized resistance to or abjection of diversity

*Bisexuality in Europe* Emiel Maliepaard, Renate Baumgartner, 2020-11-01 *Bisexuality in Europe* offers an accessible and diverse overview of research on bisexuality and bi people in Europe providing a foundation for theorising and empirical work on plurisexual orientations and identities and the experiences and realities of people who desire more than one sex or gender Counteracting the predominance of work on bisexuality based in Anglo American contexts this collection of fifteen contributions from both early career and more senior academics reflects the current state of research in Europe on bisexuality and people who desire more than one sex or gender The book is structured around three interlinked themes that resonate well with the international research frontiers of bisexual theorising bisexual citizenship intimate relationships and bisexual identities This book is the first of its kind in bringing together research from various European countries including Austria Finland Italy the Netherlands and Scandinavian countries as well as from Europe as a wider geographical region Topics include pansexual identity non monogomies asylum seekers and youth cultures This is an essential collection for students early career researchers and more senior academics in Gender Studies LGBTQI Studies and Sexuality Studies

**Twenty-First Century Lesbian Studies** Katherine O'Donnell, Noreen Giffney, 2014-05-01 An enlightening entertaining look at what the term lesbian really means and what it means to be a lesbian *Twenty First Century Lesbian Studies* focuses on the field's institutionalization into the humanities and social sciences examining how the term lesbian is used in activist community and cultural contexts and how its use impacts the lives of women who have chosen it as an identity The book's contributors include many of the world's foremost experts in lesbian studies as well as scholars whose primary research is in bisexuality transsexuality and transgender intersex and queer theory The innovative essays touch on five individual themes Genealogies Readings Theories Identities and Locations as they explore the past present and future of

lesbian studies Twenty First Century Lesbian Studies places the term lesbian at the center of analysis whether as a concept a category an identity a political position or an object choice The book s cutting edge essays examine the various meanings of lesbian the risks taken by women who live and or act write and speak as lesbians current genealogical myths and the lives studies and activism of lesbians who represent a range of geographical and historical contexts The book presents research produced outside the United States United Kingdom two places which tend to dominate the field and essays that focus on areas such as medieval studies that are often ignored in theoretical discussions Twenty First Century Lesbian Studies considers these questions does the term lesbian still have relevance as an identity descriptor or political position who does lesbian include and or exclude how does intersectional thinking impact the way we formulate lesbian identities are we now post lesbian what if anything defines the field of lesbian studies what is the current state of the field what is the possible future of the field what current topics should be most important to practitioners how is work that falls under the lesbian studies umbrella connected to efforts in the areas of feminism LGBT intersex and queer straight studies and many more Twenty First Century Lesbian Studies is an enlightening entertaining and essential read for academics and students working in all disciplines in the social sciences and humanities and for the lesbian queer population in general
