Idol Meat In Corinth:

Idol Meat in Corinth Wendell Willis,2004-06-15 This work has several objectives to understand what the problem of idol meat at Corinth involved to establish the attitude of the Corinthians to this issue what course of conduct had they followed or proposed to follow and how did they seek to defend their position to explain the reply of Paul to the Corinthian inquiry and finally in the process of the exegesis and in the conclusions this study will seek to identify fundamental norms and themes which are operative here as a part of Paul s ethical thought

Idol Food in Corinth Alex T. Cheung,1999-01-01 This historical and exegetical investigation strongly challenges the widely held view that Paul regarded idol food as a matter of indifference to be avoided only for the sake of the spiritual health of the weak An exhaustive treatment of early Christian material shows that early authors were deeply influenced by Paul s discussion in 1 Corinthians 8 10 and yet they were totally unaware of the subsequent traditional understanding that Paul regarded idol food as indifferent Even those who advocated eating idol food did not once appeal to Paul s discussion for support An alternative understanding is proposed Paul considers conscious consumption of idol food a denial of one s allegiance to Christ One must avoid idol food if and only if it is identified as such

The Cross in Corinth Raymond Pickett,1997-06-01 Pickett explores how Paul appealed to the death of Jesus in the Corinthian correspondence in order to promote a community ethos and ethic consistent with the ideals and values it symbolized In so doing Paul was responding to interpersonal conflicts within the community and criticisms of his ministry criticisms he saw as founded on Graeco Roman cultural values of the cultivated elite His consistent emphasis on the weakness of the cross served to critique social expressions of power in Corinth More constructively Paul attempted to secure conduct befitting the gospel by invoking the death of Jesus as a symbol of other regarding behaviour

Wisdom and Spiritual Transcendence at Corinth Richard A. Horsley, 2008-01-01 Examining each of the major sections of 1 Corinthians Horsley probes the disagreement Paul had with those claiming special spiritual status The conflicts over what constitute wisdom knowledge and spirituality cut to the core of what Paul was trying to accomplish in his communities Horsley moves the debate from the history of religions background to the Hellenistic Jewish religiosity of the Wisdom of Solomon and Philo of Alexandria

Dangerous Food Peter D. Gooch, 2006-01-01 Recognizing the social meaning of food and meals in Greco Roman culture and in particular the social meaning of idol food is an integral part of understanding the impact of Paul s instructions to the Christian community at Corinth regarding the consumption of idol food Shared meals were a central feature of social intercourse in Greco Roman culture Meals and food were markers of social status and participation at meals was the main means of establishing and maintaining social relations Participation in public rites and sharing the meals which ensued was a requirement of holding public office The social consequences of refusing to eat idol food would be extreme Christians might not attend weddings funerals celebrations in honour of birthdays or even formal banquets without encountering idol food In this extended reading of 1 Corinthians 8 1 11 1 Paul s response to the Corinthian Christians query concerning food offered to idols Gooch uses a social historical approach combining historical methods of source literary and redaction criticism and newer applications of anthropological and sociological methods to determine what idol food was and what it meant in that place at that time to eat or avoid it In opposition to a well entrenched scholarly consensus Gooch claims that although Paul had abandoned purity rules concerning food he would not abandon Judaism s cultural and religious understanding concerning idol food On the basis of his reconstruction of Paul s letter in which he urged the Corinthian Christians to avoid any food infected by non Christian rites Gooch argues that the Corinthians rejected Paul s instructions to avoid facing significant social liabilities

1 Corinthians (Understanding the Bible Commentary Series) Marion L. Soards, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series

Paul and Gnosis Stanley E. Porter, David Yoon, 2016-04-26 This collection of essays the ninth volume in Brill s Pauline Studies series features Paul and his relationship to knowledge Gnosis the Greek word generally translated as knowledge is broadly interpreted and the essays contained in this volume revolve around both a more general notion of knowledge in relation to Paul and more specific references to Gnosticism Several of these essays discuss Paul s use of knowledge words Paul s knowledge and understanding of key themes and ideas in his writings Paul s interpreters in light of gnostics like Valentinus and Marcion and Gnosticism in light of Paul s letters This collection of essays exposes the reader

to crucial topics regarding Paul and Gnosis that are not readily addressed elsewhere *Rhetorical Interaction in 1 Corinthians 8 and 10* Yeo,2021-09-06 Rhetorical Interaction in 1 Corinthians 8 and 10 is a formal analysis of Paul s rhetorical interaction with the Corinthians over the issues of participation in the cultic meal 1 Cor 10 1 22 and the eating of idol food 1 Cor 8 1 13 10 23 11 1 The thesis is that Paul s theology and rhetoric are predicated on knowledge and love Major portions of the book employ rhetorical sociological archaeological and historical critical approaches to examine the triangular interaction between Paul the Corinthians and the biblical texts paying particular attention to the complex configuration of the Corinthian congregation including the influence of proto Gnosticism as well as the ways Paul responded to the shifting situation and different issues The two chapters on rhetorical hermeneutical theory and criticism are especially creative as the author suggests a Chinese hermeneutic for cross cultural dialogues the issue of ancestor worship being a specific example

Paul, Apostle of God's Glory in Christ Thomas R. Schreiner,2006-02-01 Thomas R Schreiner gives a sound and insightful exposition and assessment of Paul s theology that is well geared to the needs of seminary students and working pastors

The Origin of I Corinthians John Coolidge Hurd,1983 **Paul and Scripture** Stanley E. Porter,Christopher D. Land,2019-03-19 In Paul and Scripture an international group of scholars discuss a range of topics related to the Apostle Paul and his relationship s with Jewish Scripture The essays represent a broad spectrum of viewpoints with some devoted to methodological issues others to general patterns in Paul s uses of Scripture and still others to specific letters or passages within the traditional Pauline canon inclusive of the disputed letters The end result is an overview of the various ways in which Paul the Apostle weaves into his writings the authority content and even wording of Jewish Scriptures *The Church in the Wilderness* Carla Swafford Works,2014 Much attention has been devoted to Paul s quotations from the Old Testament but little attention has been given to Paul s use of biblical narratives The most extensive use of scripture in 1 Corinthians involves an allusion to Israel s exodus 10 1 22 which contains only one quotation 1 Cor 10 7 Since there is much debate on how to identify scriptural allusions Carla Works examines two passages where there is overwhelming scholarly consensus regarding the presence of exodus imagery 1 Corinthians 5 6 8 and 10 1 22 These passages therefore provide an ideal place to consider how Paul is using Israel s exodus traditions to instruct a predominantly non Jewish congregation The author argues that the exodus tradition a tradition used to bolster Israel s identity and to teach Israel about the identity of God is reinterpreted by Paul in light of Christ and is employed to foster the identity formation of the Corinthians as the church of one God and one Lord 1 Cor 8 6 *The First Letter to the Corinthians* Roy E Ciampa,Brian S Rosner,2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula s primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and

Rosner for years to come and scholars will be challenged to see this letter with fresh eyes Reading Paul in Context: Explorations in Identity Formation Kathy Ehrensperger, J. Brian Tucker, 2010-09-30 This new collection celebrates the distinguished contribution of William S Campbell to a renewed understanding of Paul's theologizing and its influence on the shaping of early Christian identity The essays are clustered around two closely related topics Paul's theologizing and the way it influenced Christian identity within the context of Roman Empire The essays consider the continued relevance of previous identities in Christ the importance of the context of the Roman Empire and the significance of the Jewishness of Paul and the Pauline movement in the shaping of identity The political context is discussed by Neil Elliott Ekkehard Stegemann Daniel Patte and Ian Rock whilst the Jewish roots of Paul and the Christ movement are addressed in essays by Robert Jewett Mark Nanos Calvin Roetzel and Kathy Ehrensperger Paul's specific influence in shaping the identity of the early Christ movement is the concern of essays by Robert Brawley Jerry Sumney Kar Yong Lim and J Brian Tucker Finally methodological reflection on Paul's theologizing within Pauline studies is the concern of essays by Terrence Donaldson and Magnus Zetterholm

First Corinthians Bible Commentary - a Bible commentary on First Corinthians , This verse by verse commentary on First Corinthians offers a thorough but very understandable commentary on the entirety of Paul's letter to the Corinthians Since the First Corinthians letter touches on a number of different subjects this volume also offers some special studies to more fully explore what the Bible says on additional topics like civil government the role of women in the church spiritual gifts etc If you want to have a better understanding of First Corinthians this commentary will help you Here is a small sample of the text Introduction to First Corinthians 13 Some consider 1 Cor 13 the love chapter of the Bible or a parenthetical description of love but this chapter is actually an integral part of Paul's discussion about spiritual gifts Since the Corinthians were rude jealous and boastful it was necessary for them to go beyond their present pursuit To the apostle the development of the character of the person was superior to the exercise of the gift His contrasts chap 13 are clear gifts without love vs gifts with love and the permanence of love vs the temporal nature of gifts Gromacki p 159 Stated another way verses 1-3 affirm that spiritual gifts were worthless without love verses 4-7 affirm that love was superior to the gifts and verses 8-13 assert that spiritual gifts were temporal but love abides Although 1 Cor 13 may seem familiar to many this chapter is often one of the most misunderstood parts of the New Testament The Corinthians elevation of spiritual gifts over love is seen in places such as 12:13, 25, 14:27, 33, 40 It is also found by contrasting the qualities in 1 Cor 13 with other sections of this epistle For instance love suffers long 13:4 but tongue speakers at Corinth were impatient 14:27, 28 Love does not envy 13:4 but the Corinthians envied the gifts of others chapter 12 Love is not puffed up 13:4 but tongue speakers were proud compare 13:1 Love causes people to act in a kind and orderly way but some of the Corinthians behavior was disorderly 14:23, 40 Love is not unseemly but the Corinthians were at risk of unseemly behavior in their families 1 Cor 7:36 as well as their Sunday assemblies 1 Cor 11:2, 16, 17, 34 Agape love does not seek its own 13:5 but these Christians were seeking their own see 1 Cor

8 and the discussion about idol meat Love keeps people from rejoicing in evil 13 6 but the Corinthians rejoiced in evil 1 Cor 5
2 6 There were various things that provoked these brethren 13 5 and it seems they were keeping a record of evil 1 Cor 13 5
It was time for the members of this congregation to show some spiritual maturity and demonstrate the type of love that bears
all things believes all things hopes in all things and endures all things 1 Cor 13 7 *Community, Conflict, and the Eucharist
in Roman Corinth* Panayotis Coutsoumpos, 2015-01-30 Rich in content and meaning Paul s letter to the Corinthians is an
important element in the study of the social and theological issues of early Christian teachings This new work outlines how
the letter to Corinthians underscores the role of Pauline Christianity in shaping relationships within the Christian
congregation and provides a unique picture of a new growing church in a Greco Roman social environment
