**If Walls Could Talk** Bernard Mavritte, 2022-09-02 If Walls Could Talk Some Need To Be Silenced But Some Speak Out Loud By Bernard Mavritte Ever since human beings have known how to build structures with walls a ceiling and some kind of roof the walls within those structures have witnessed so much If they were animate objects with eyes a mouth and ears they could say so much that could not be constrained within all the books upon the earth Those walls have witnessed the good the bad the joys and the sorrows They have seen things that those who live within the parameter of the walls would love to share with others and yet many occurrences that should never be revealed the deep secrets of our lives we are ashamed to reveal to others From our entrance on this earth until we depart the walls have seen it all In this autobiography memoir Bernard Mavritte reveals the good and the bad the joys and the sorrows in his own life a story that is full of life itself He shares how God has opened so many doors for him bringing him through his many trials If the walls in his life could talk some of them would need to be silenced but some would need to speak loudly **If Walls Could Talk** Jody Brannon Hunt, 2011-12-07
