Stories & Strategies
of People Over 40
Who Have Successfully
Reinvented Themselves

If They Can Do It—So Can You!

"Peter Fogel's *If Not Now... Then When?* is not only a book that'll make you smile with its humor and heart, but will also inspire and show you how other 'over 40' folks took control of their own destiny and created a life of meaning through their reinvention. It's a worthwhile book, and that's coming from someone who doesn't like to read!"

31 Essential Principles of Leadership Charles B.M Balenga, 2018-07-02 In *31 Essential Principles of Leadership* Charles Balenga has

compiled an extensive list of attributes that will make a leader as effective as possible Each attribute is clearly explained with examples of how you can apply them to both your everyday life and your leadership Charles passion for leaders both young and old to be as effective as possible is inspiring and contagious he truly desires to see Africa and the world as a whole become a stronger place for all He uses his own considerable leadership experience through being a teacher a missionary executive director board president and a pastor to compile this list If you read understand and apply these 31 principles your leadership s effectiveness will rise to a greater height Although it is meant to be read as a daily devotion for each day for a month you can read two three or more principles a day depending on your reading speed and understanding The important thing is your comprehension and application of these principles Charles discusses leadership at a global level but includes some discussions on African leadership specifically The principles addressed in this book are applicable anywhere in the world and can be used in any community country or kingdom These principles are meant to help every leader wherever he or she may be to lead well It is important we each know that the greatness of any human being the ultimate success of any leader is in the we not in the me doing well Greatness is in my ability and your ability to rejoice in the others success The more I rejoice in the blessings of someone else the closer to coming my blessing is This means then that jealousy rivalry and negative competition with others are all chasing after the wind A leader blesses others He empowers others He throws a party to celebrate the success and achievements of others He works with others to ensure community success Wanting to be the only successful person in the community is not being a leader If Not Now, When?
