culminating in the proclamation of a Constitution known as the Carnaro Charter The Charter was as visionary as it was short lived having reached an agreement with Yugoslavia on the status of Fiume Italy put an end to the poet s socio political experiment in December 1920 In addition to offering the most comprehensive and detailed analysis to date of the Carnaro Charter the book shows what has eluded all historians of D Annunzio s Fiume that the sublimation and discursive circulation of same sex desire was integral to shaping and sustaining the political and legal order of the occupation and that D Annunzio s love lore in Fiume was continuous with broader homoerotic preoccupations in his oeuvre     **Pamphlets.**
