### **The March on Rome: How Antifascists Understood the Origins of Totalitarianism (and Conied the Word)**

Emilio Gentile, 2013-10-15T00:00:00+02:00 Amendola attribuiva un nuovo pi ampio significato al termine totalitario da lui coniato totalitario non era solo il sistema di dominio politico del fascismo ma spirito totalitario era la pretesa del fascismo di estendere il proprio dominio sulle coscienze degli italiani obbligandoli a convertirsi alla sua ideologia come una religione politica integralista ed esclusiva Un acuta analisi della nascita del concetto di totalitarismo nell ambito del primo Gaetano Salvemini Colloquium in Italian History and Culture

**The Italian Far Right from 1945 to the Russia-Ukraine Conflict**

Nicola Guerra, 2023-12-19 The Italian Far Right from 1945 to the Russia Ukraine Conflict provides a comprehensive account of the postwar parliamentary and extra parliamentary far right in Italy This book explores the ideology movements and activism of the extreme right and neo fascists The recent victory in the Italian parliamentary elections of the post fascist party Fratelli d Italia and its leader Giorgia Meloni highlights the importance of such research The book examines why some of these movements participated with CIA backing in the Strategy of Tension in the years of the Cold War where terrorist actions aimed to keep Italy in NATO and prevent the Communist Party from coming to power while other extreme right groups vehemently opposed this and what they considered the dangerous Americanization of the country It debunks the myth that there was a unified postwar fascist movement in Italy but instead excavates the complex battles within the extreme right as well as with their opponents from the left and the authorities This study is necessary to clarify the history and ideological dynamics of a political area still too often shrouded in mystery and whose geopolitical role is still poorly understood and generally underestimated The analysis is contextualized in the present day by looking at the different perspectives of the Italian far right on the Russian invasion of Ukraine The book will be of interest to researchers of political history the Cold War and Italian history and politics

**Terror Vanquished** Simon Clark, 2018-11-02 The history of Italy s victory over the Red Brigades offers lessons that may be useful to America s future The United States has suffered from the horrors of home grown and global terrorism but so far has been spared the endemic violence of the kind that plagued Italy during the years of lead that are described in this volume In 2003 Philip Heymann compared the US favorably to Italy expressing relief that American society did not suffer from the kind of deep divisions that had created the conditions for the rise of the Red Brigades Fifteen years later Heymann s confidence no longer looks so well founded The political divisions in the United States have widened and become stubbornly entrenched The combination of conspiratorial thinking ideological division and a powerful sense of grievance combined with the easy access to powerful weapons and a cult of political violence should worry all those who are sworn to keep the peace

**Anatomy of the Red Brigades** Alessandro Orsini, 2011-04-15 The Red Brigades were a far left terrorist group in Italy formed in 1970 and active all through the 1980s Infamous around the world for a campaign of assassinations kidnappings and bank robberies intended as a concentrated strike against the heart of the

State the Red Brigades most notorious crime was the kidnapping and murder of Italy's former prime minister Aldo Moro in 1978. In the late 1990s a new group of violent anticapitalist terrorists revived the name Red Brigades and killed a number of professors and government officials. Like their German counterparts in the Baader Meinhof Group and today's violent political and religious extremists the Red Brigades and their actions raise a host of questions about the motivations, ideologies and mind sets of people who commit horrific acts of violence in the name of a utopia. In the first English edition of a book that has won critical acclaim and major prizes in Italy Alessandro Orsini contends that the dominant logic of the Red Brigades was essentially eschatological, focused on purifying a corrupt world through violence. Only through revolutionary terror Brigadists believed could humanity be saved from the putrefying effects of capitalism and imperialism. Through a careful study of all existing documentation produced by the Red Brigades and of all existing scholarship on the Red Brigades Orsini reconstructs a worldview that can be as seductive as it is horrifying. Orsini has devised a micro sociological theory that allows him to reconstruct the group dynamics leading to political homicide in extreme left and neo-Nazi terrorist groups. This subversive revolutionary feedback theory states that the willingness to mete out and suffer death depends in the last analysis on how far the terrorist has been incorporated into the revolutionary sect. Orsini makes clear that this political religious concept of historical development is central to understanding all such self-styled purifiers of the world. From Thomas M. ntzer's theocratic dream to Pol Pot's Cambodian revolution all the violent purifiers of the world have a clear goal to build a perfect society in which there will no longer be any sin and unhappiness and in which no opposition can be allowed to upset the universal harmony. Orsini's book reconstructs the origins and evolution of a revolutionary tradition brought into our own times by the Red Brigades.

**Italian Military Operations Abroad** P. Ignazi, G. Giacomello, F. Coticchia, 2012-02-17. Peace support operations are one of the most important tools in the foreign policy of Western democracies. This book is a study of Italian military operations in the last twenty years. Italy's operations are examined through an analysis of parliamentary debates and interviews with leading policy makers.

**The Presidency of James Earl Carter Junior** Silvio Berardi, 2016-12-30. This volume contains the proceedings of the International Conference The Presidency of James Earl Carter Junior: Between Reformism, Pacifism and Human Rights held in Rome on April 28, 2016, at the Institute Santa Maria in Aquiro with the Senate of the Italian Republic patronage. Forty years after his election to the White House it was deemed necessary to reflect on the political activity of a President little considered until now by the Italian historiography. The Carter Presidency inspired since its inception by a predominant religious sentiment was marked by a clear break with the past. Themes such as the respect for human rights, dialogue with the historic Soviet enemy, pacifism as a weapon of the Middle East problem, resolution, industrial development through a sustainable approach were introduced right from the thirty-ninth occupant of the White House. At the presidential elections of 1980 which saw him clash with the Republican Ronald Reagan, Carter paid especially the failures of his reform and economic policy, the US economic difficulties and the significant increase

in the unemployment rate were the main reasons that cost him his reelection Reformism pacifism respect for human rights concepts that would continue to inspire Carter's policy despite the defeat against Reagan Red Brigades Robert C Meade,1989-12-13 Looks at the history and motivation of the Red Brigades recounts the kidnapping and murder of Aldo Moro and assesses Italy's anti terrorist efforts **My Fault** Margherita Sarfatti,2013-10-18 Mussolini's Jewish mistress confesses How she educated a rough uncultured man to become a politician and consolidated the fascist regime

**Catholics and Communists in Twentieth-Century Italy** Daniela Saresella,2019-10-17 Catholics and Communists in Twentieth Century Italy explores the critical moments in the relationship between the Catholic world and the Italian left providing unmatched insight into one of the most significant dynamics in political and religious history in Italy in the last hundred years The book covers the Catholic Communist movement in Rome 1937-45 the experience of the Resistenza the governmental collaboration between the Catholic Party DC and the Italian Communist Party PCI until 1947 and the dialogue between some of the key figures in both spheres in the tensest years of the Cold War Daniela Saresella even goes on to consider the legacy that these interactions have left in Italy in the 21st century This pioneering study is the first on the subject in the English language and is of vital significance to historians of modern Italy and the Church alike **'More work! Less pay!'** Phil Edwards,2013-07-19 In the mid 1970s a long wave of contentious radicalism swept through Italy Proletarian youth metropolitan Indians the area of Autonomy a shifting galaxy of groups and movements practised new forms of activism Factories and universities were occupied rent and utility payments were withheld neo Fascists and drug pushers were attacked on sight The movements were at once creative and brutal intransigent and playful A particular target for mockery was the parliamentary Left and above all the Italian Communist Party PCI An earlier wave of radical activism had culminated in the Hot Autumn of 1969 then the PCI had managed to ride the tiger of industrial militancy emerging with its credibility enhanced Now however the PCI was committed to compromise with the ruling Christian Democrats The second cycle of contention thus ended in a hostile engagement rather than adopt their policies the PCI labelled the movements Fascists criminals and hooligans By the end of 1977 the movements were broken while the PCI had moved sharply to the Right The main beneficiaries were left wing armed struggle groups such as the Red Brigades Building on Sidney Tarrow's cycle of contention model and drawing on a wide range of Italian materials Phil Edwards has told the story of a unique and fascinating group of political movements and of their disastrous engagement with the mainstream Left As well as shedding light on a neglected period of twentieth century history this book offers lessons for understanding today's contentious movements No Global Black Bloc and today's armed struggle groups *The Revolutionary Mystique and Terrorism in Contemporary Italy* Richard Drake,2021-03-02 What drives terrorists to glorify violence In *The Revolutionary Mystique and Terrorism in Contemporary Italy* Richard Drake seeks to explain the origins of Italian terrorism and the role that intellectuals played in valorizing the use of violence for political or social ends Drake argues that a combination of socioeconomic factors

and the influence of intellectual elites led to a sanctioning of violence by revolutionary political groups in Italy between 1969 and 1988 Drake explores what motivated Italian terrorists on both the Left and the Right during some of the most violent decades in modern Italian history and how these terrorists perceived the modern world as something to be destroyed rather than reformed In 1989 *The Revolutionary Mystique and Terrorism in Contemporary Italy* received the Howard R Marraro Prize from the Society for Italian Historical Studies It was awarded for the best book that year on Italian history The book is reissued now with a new introduction for the light it might shed on current terrorist challenges The Italians had success in combating terrorism We might learn something from their example The section of the book dealing with the Italian superfascist philosopher Julius Evola holds special interest today Drake s original work takes on new significance in the light of Evola s recent surge of popularity for members of America s alt right movement **La Civiltà cattolica** ,1980

**Piombo rosso** Giorgio Galli,2013-09-26T00:00:00+02:00 La lotta armata ha avuto vita cos lunga in Italia per due precise ragioni spesso considerate separatamente da osservatori e studiosi Capire la sua storia impossibile senza capire a fondo chi l ha combattuta come e con quali fini Se da un lato il progetto rivoluzionario brigatista ha goduto nei primi anni Settanta di un certo consenso poi estintosi col mutare delle condizioni del paese dall altro lato sopravvissuto per tanti anni grazie alla lentezza dell azione repressiva dei servizi di sicurezza che come il libro documenta ampiamente sin dal 1972 potevano debellare ogni nucleo armato Finite le Br storiche oggi ci si chiede com possibile che poche decine di irriducibili mal organizzati peraltro gi noti da tempo ai servizi abbiano potuto assassinare D Antona e Biagi lasciato senza scorta malgrado le minacce risapute E poi solo un caso che gli omicidi pi eclatanti siano coincisi con momenti delicati della vita economico politica del paese per ultimo quello Biagi piovuto come una bomba sullo scontro governo sindacato per l articolo 18 Se poi si considera che dai tempi di De Lorenzo a oggi i servizi sono stati coinvolti nelle vicende pi oscure della nostra storia fino ai casi di Giuliana Sgrena e Abu Omar si pu capire perch la risposta all eversione sia materia incandescente che continua a inquinare il presente Riflessione che Galli propone anche dopo gli arresti del 12 febbraio 2007 di cui si analizzano il significato e il contesto sociale **The Legacy of the Italian Resistance** Philip Cooke,2011-05-09 This book adds to this

growing body of scholarship on the Italian Resistance by analysing for the first time how the three wars are represented over the broad spectrum of Resistance culture from 1945 to the present day Furthermore it makes this contribution to scholarship by bridging the gap between historical and cultural analysis Whereas historians frequently use literary texts in their writings they are often flawed by an insufficiently nuanced understanding of what a literary text is Likewise literary critics who have discussed writers such as Calvino and Vittorini or films such Pais and La notte di San Lorenzo only refer in passing to the historical context in which these works were produced By fusing historical and cultural analysis author Philip Cooke makes a unique contribution to our understanding of a key period of Italian history and culture Who's who in Italy ,1997

Bleierne Jahre Alexandra Locher,2013 Shakespeare and War R. King,P. Franssen,2008-10-14 A lively collection of

essays from scholars from across Europe North America and Australia The book ranges from Shakespeare's use of manuals on war written for the sixteenth century English public by an English mercenary to reflections on the ways in which Shakespeare has been represented in Nazi Germany wartime Denmark or cold war Romania The Blackshirts' Dictatorship Matteo Millan, 2022-03-20 On October 1922 Mussolini became head of the Italian government a situation that would last for twenty years That power was obtained was largely due to the widespread violence perpetrated by blackshirts throughout Italy squadristi Violence however did not end Old and new blackshirts played a major role in making Italy a fascist country Contrary to the claims of many scholars that have depicted blackshirts after the March on Rome only as troublemakers for Mussolini the book shows that they played a crucial role in establishing a full and totalitarian dictatorship Squadristi carried out processes of fascistisation crushed opponents and convinced bystanders and dubious people consolidating fascist power in many aspects of social political and even intimate life By resorting to new archives a long chronology and a focus on individual perspectives this book gives voice to the perpetrators of fascist violence and offers new insights into the lives of squadristi throughout the dictatorship outlining their beliefs outlooks and expectations The book shows that post 1922 squadristismo was not a side effect of Fascism's twenty year history On the contrary violence represents one of the essential components of any definition of Italian Fascism The Dual State Eric Wilson, 2016-03-23 This volume presents a practical demonstration of the relevance of Carl Schmitt's thought to parapolitical studies arguing that his constitutional theory is the one best suited to investing the deep state with intellectual and doctrinal coherence Critiquing Schmitt's work from a variety of intellectual perspectives the chapters discuss current parapolitical reality within the domain of criminology the parapolitical nature of both the dual state and the national security state corporate complex Using the USA as a prime example of the world's current dual or deep political state the criminogenic dimensions of the parapolitical systems of post 9 11 America are discussed Using case studies the dual state is examined as the causal factor of inexplicable parapolitical events within both the developed and developing world including Sweden Canada Italy Turkey and Africa

**Anna Maria Ortese** Gian Maria Annovi, Flora Ghezzi, 2015-01-01 Anna Maria Ortese Celestial Geographies features a selection of essays by established Ortese scholars that trace her remarkable creative trajectory

**Il Partito Armato: Bestsellers in 2023** The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year.

**Il Partito Armato : Colleen Hoover** "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

**Il Partito Armato : Taylor Jenkins Reid** "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

**Discover the Magic : Delia Owens** "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

**The Secret History** is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
