Il Pochoir Art Deco

Giuliano Ercoli

Il Pochoir Art Deco:

Art Deco Prints Giuliano Ercoli, 1989 *Art déco* Fabio Benzi, 2004 **Il pochoir art déco** Giuliano Ercoli, 1987
Princeton Alumni Weekly, 1982 *Art nouveau, art déco & modernisme* Françoise Aubry, Jos Vandenbreeden, France Vanlaethem, 2006

La prise de conscience du patrimoine architectural de la Belgique et le souci de sa préservation ont suscité un public toujours plus nombreux d'amateurs d'une information de qualité. Ce constat a amené les Editions Racine à proposer une nouvelle édition en un volume des ouvrages successifs *Art nouveau en Belgique* et *Art déco et Modernisme en Belgique* comprenant un texte entièrement actualisé ainsi que de nouvelles photographies. Avec des architectes comme Victor Horta et Henri van de Velde entre autres et des lieux comme le palais Stoclet le trésor architectural belge est unique et mondialement connu. Ce livre montre l'importance, la richesse et la diversité de l'Art nouveau, de l'Art déco et du Modernisme. Il donne une vue d'ensemble sur les œuvres les plus importantes réalisées en Belgique de Verviers à Ostende.

Erik Satie: Music, Art and Literature Caroline Potter, 2016-05-13

Erik Satie 1866-1925 was a quirky innovative and enigmatic composer whose impact has spread far beyond the musical world. As an artist active in several spheres from cabaret to religion from calligraphy to poetry and playwriting and collaborator with some of the leading avant-garde figures of the day including Cocteau, Picasso, Diaghilev and Ren Clair he was one of few genuinely cross-disciplinary composers. His artistic activity during a tumultuous time in the Parisian art world situates him in an especially exciting period and his friendships with Debussy, Stravinsky and others place him at the centre of French musical life. He was a unique figure whose art is immediately recognisable whatever the medium he employed.

Erik Satie: Music, Art and Literature explores many aspects of Satie's creativity to give a full picture of this most multifaceted of composers. The focus is on Satie's philosophy and psychology revealed through his music, Satie's interest in and participation in artistic media other than music and Satie's collaborations with other artists. This book is therefore essential reading for anyone interested in the French musical and cultural scene of the late nineteenth and early twentieth century.

Mercat de l'art, col·leccionisme i museus 2022 Bonaventura Bassegoda Hugas, Ignasi Domènech Vives, 2023-10-18

Des de l'octubre de 2012 s'han fet regularment de manera anual unes jornades o seminaris científics amb el títol de *Mercat de l'Art, Col·leccionisme i Museus* que han donat com a resultat permanent la publicació d'uns volums amb les ponències presentades. Actualment aquest material configura ja un veritable corpus de valuosa documentació entorn del fenomen del col·leccionisme i el mercat de l'art a Catalunya. La nostra intenció amb la realització d'aquesta jornada ha estat crear una plataforma on poder presentar uns resultats de recerca i discutir-los amb comoditat amb tots els diferents sectors vinculats a les arts universitaris, professionals, dels museus, antiquaris, galeristes, marxants, experts, restauradors, col·leccionistes i afeccionats en general. Estem convençuts de la plena complementarietat de tots aquests punts de vista perquè el progrés del col·leccionisme al llarg de la història ha anat sempre en paral·lel a la formació dels museus i a la configuració del coneixement i l'estudi de les arts. Per això hem cregut en la utilitat d'una jornada en la qual coincidir i compartir informacions.

i coneixences amb un format amable i en un lloc d una forta empremta simb lica en la hist ria del col leccionisme a Catalunya com s el Palau de Maricel de Sitges
