Ila-speaking Of Northern Rhodesia:

The Ila-speaking Peoples of Northern Rhodesia Edwin William Smith, Andrew Murray Dale, 1920 The Ila Speaking Dennis G. Fowler, 2002 The Ila Speaking is a record of life in a Central African village around a century ago It originated in conversations recorded by Methodist missionaries as they attempted to learn the language and customs of the Ila people Over the years 1906 to 1966 they collected over 12000 items What began as a vocabulary with examples ended as the self portrait of a people and a way of life The author worked with the Ila from 1958 to 1966 later producing a Dictionary of Ila Usage LIT Verlag 2000 The present book is a series of extracts from the dictionary arranged by subject with a commentary It is the author's hope that the voices come over loud and clear to you the reader and that you come away from this book with a feel for Ila humour Ila life and Ila reflections on people and their ways I did and I am sure you will too Professor Graham Furniss School of Oriental and African Studies London **Christian Missionaries and the Creation of Northern Rhodesia 1880-1924** Robert I. Rotberg, 2015-12-08 A study of the contribution made by Christian missionaries to the formation of Northern Rhodesia based on firsthand information and study by the author who has visited nearly every mission station in Northern Rhodesia consulted missionary diaries journals and records Originally published in 1965 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Women's Authority and Society in Early East-Central Africa** Christine Saidi, 2010 This study of more than two thousand years of African social history weaves together evidence from historical linguistics archaeology comparative ethnography oral tradition and art history to challenge the assumptions that all African societies were patriarchal and that the status of women in precolonial Africa is beyond the scope of historical research In East Central Africa women played key roles in technological and economic developments during the long precolonial period Female political leaders were as common as male rulers and women especially mothers were central to religious ceremonies and beliefs These conclusions contribute a new and critical element to our understanding of Africa's precolonial history Book Jacket **The Sacred Bee in Ancient Times and Folklore** Hilda M.
