The Light Bringer White Eagle (Spirit),2001 Talks about the coming of the Aquarian Age and how it is linked to a special being known once as the beloved St John      **The Light Bringer** White Eagle,2015 The Question of whether there is to be a new world teacher for the Aquarian Age and who he or she will be has fascinated men and women for a hundred years and more Will the teacher manifest as a being in a human body Will he or she be a teacher to be found in our own hearts What will be the message of the new teacher Will his or her coming be accompanied and cataclysms Is the new teacher already here In this fascinating book which will open the heart as well as the mind White Eagle not only seeks to answer these questions but to take our understanding further He speaks of the Light which can shine through any human being and how it is brought to humanity He also talks about our developing intuition about how we can change within and why we can watch changes in the world and the planet with faith and calmness knowing through inner assurance the wisdom of the plan All life leads forward Beyond the immediate change we can embrace is the promise that we may one day leave death right behind Much is written here about meditation and of help to those seeking spiritual unfoldment These are chapters full of information encouragement and breathtaking insight into the worlds and levels of consciousness open to humanity The Light Bringer is a sister book to White Eagle's The Living Word or St John In both the wisdom is age old but also profoundly new Book jacket      **The Secret Teachings of Mary Magdalene** Claire Nahmad,Margaret Bailey,2012-01-01 This in depth commentary on the lost material of The Gospel of Mary Magdalene presents Jesus most important and misunderstood disciple as you've never seen her before Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary's teachings from the original Greek and Coptic offers a unique new perspective authors Claire Nahmad and Margaret Bailey utilized inner listening to uncover lost material and they present Mary's ideas in the form of a dialogue between the risen Savior and His disciples Most importantly The Secret Teachings of Mary Magdalene includes a description by Mary of special revelations given to her by Jesus Nahmad and Bailey argues that Mary was not just the consort of Christ but the feminine Christ herself and in their view the partnership between Jesus and Mary exemplifies the crucial balance of male and female in spiritual and corporeal life It's an interpretation that uncovers a rich subtext in Mary's words offering wisdom on an extraordinary range of concerns from the origins of the human race to the pathway to Christlike consciousness      Redefining Shamanisms David Gordon Wilson,2013-01-31 Spiritualism and mediumship are often regarded as the product of lingering superstition in the Victorian era and as having limited relevance in modern Anglo American society Scholarship to date which has considered Spiritualism as a distinct religious tradition has focussed on analysing the phenomenon in terms of spirit possession only This volume analyses the development of shamanism communication with the spiritual world as a concept within North American English speaking scholarship with particular focus on Mircea Eliade's influential cross cultural presentation of shamanism By re-examining the

work of Sergei Shirokogoroff one of Eliade's principal sources the traditional Evenki shamanic apprenticeship is compared and identified with the new Spiritualist apprenticeship The author demonstrates that Spiritualism is best understood as a traditional shamanism as distinct from contemporary appropriations or neo shamanisms He argues that shamanism is the outcome of an apprenticeship in the management of psychic experiences and which follows the same pattern as that of the apprentice medium In doing so the author offers fresh insights into the mechanisms that are key to sustaining mediumship as a social institution
