Light On The Land:

Sanctuary - Light, Land, Faces Bharath Kalyanram, 2024-05-15 Sanctuary is a series of shared experiences through Photographs The photographs are an insight into the energies of sacred spaces the stories of nameless faces the grandeur of the sanctuary of nature and the meditative nature of reflections This is a collection of some of Bharath s finest work from different parts of the world ranging from the ghats of Varanasi to the desolation of Death Valley and the surrealistic rocks that are as old as time itself The photographs themselves are left open for the reader to experience for themselves and to immerse themselves in the imagined stories and to have their own experiences of this little window to Bharath s world
