Light On Life The Golden Blade 2000:

Light on Life William Forward, Simon Blaxland-de Lange, Andrew Wolpert, 1999-05 What is the meaning of a life This 52nd edition of *The Golden Blade* continues the themes of Destiny and Community by bringing narrative biographical literary medical and karmic considerations to shed light on life Can we discern significant correspondences or even patterns in what might otherwise appear as a random sequence of events Do we discriminate between the essential and inessential details in our stories Are we able to recognize the crucial encounters we have Developing such life skills will help us to realize the intentions we have set ourselves for this incarnation The contributors to this issue describe their processes and insights in their quests to make sense of life Contents Glimmers of Truth by Dorit Winter Archetypes in Biography by Henning K hler A Reluctant Autobiographer by Dor Deverell Telling Encounters by Matthias Wais Coleridge A Life Illumined by Coralee Schmandt A Biographical Fragment by Nick Thomas Childhood Illnesses Spiritual Births by Bob Dudley Verifying Karma Research by Enge Smit and Schage [The Golden Age](#) Gore Vidal, 2012-03-14 *The Golden Age* is the concluding volume in Gore Vidal's celebrated and bestselling *Narratives of Empire* series a unique pageant of the national experience from the United States entry into World War Two to the end of the Korean War The historical novel is once again in vogue and Gore Vidal stands as its undisputed American master In his six previous narratives of the American empire *Burr Lincoln 1876* *Empire Hollywood* and *Washington D C* he has created a fictional portrait of our nation from its founding that is unmatched in our literature for its scope intimacy political intelligence and eloquence Each has been a major bestseller and some have stirred controversy for their decidedly ironic and unillusioned view of the realities of American power and of the men and women who have exercised that power *The Golden Age* is Vidal's crowning achievement a vibrant tapestry of American political and cultural life from 1939 to 1954 when the epochal events of World War Two and the Cold War transformed America once and for all for good or ill from a republic into an empire The sharp eyed and sympathetic witnesses to these events are Caroline Sanford Washington D C newspaper publisher turned Hollywood pioneer producer star and Peter Sanford her nephew and publisher of the independent intellectual journal *The American Idea* They experience at first hand the masterful maneuvers of Franklin Roosevelt to bring a reluctant nation into World War Two and later the actions of Harry Truman that commit the nation to a decades long twilight struggle against Communism developments they regard with a marked skepticism even though they end in an American global empire The locus of these events is Washington D C yet the Hollywood film industry and the cultural centers of New York also play significant parts In addition to presidents the actual characters who appear so vividly in the pages of *The Golden Age* include Eleanor Roosevelt Harry Hopkins Wendell Willkie William Randolph Hearst Dean Acheson Tennessee Williams Joseph Alsop Dawn Powell and Gore Vidal himself *The Golden Age* offers up United States history as only Gore Vidal can with unrivaled penetration wit and high drama allied to a classical view of human fate It is a supreme entertainment that will also change readers understanding of American history and power
