Light Upon Light Inspirations From Rumi:

Light Upon Light Andrew Harvey, 1996 Mystical scholar Andrew Harvey offers fresh interpretations of more than 250 selections from Rumi's major works. The works of Sufi mystic and poet Jalal ud Din Rumi have been revered in the East for centuries. Now Western seekers and lovers of poetry are discovering Rumi in unprecedented numbers. Harvey uses these poems, quotations, and parables from Rumi's major works: the Discourses, the Diwan, the Mathnawi, the Odes, and the Rubiyat, as well as excerpts from his letters, to re-create the stages of the spiritual journey into Love. Anyone interested in spirituality will find Light Upon Light a rich source of guidance, encouragement, and profound inspiration.

Heart Yoga Andrew Harvey, Karuna Erickson, 2010-05-04 WINNER 2010 Spirituality Practice Best Spiritual Book Award. Yoga In Heart Yoga, renowned spiritual writer and Sacred Activist Andrew Harvey and longtime yoga teacher Karuna Erickson present a vision of hatha yoga practice that links ancient spiritual traditions to contemporary life. Including excerpts of poetic sacred writing from mystical sages through the ages, the book reminds readers that the purpose of yoga is not to improve one's physical health or even to achieve peace of mind, although these results may be achieved along the way, but to reach a state of unity with the divine, the goal of mystics from all traditions. With detailed descriptions and photographs of fifty yoga poses and their alchemical effects on the body and consciousness, Heart Yoga presents yoga as a simple meditative practice that enables the practitioner to dwell in the heart and experience the bliss of union with the sacred power underlying all of life. The book explains how to prepare for Heart Yoga and describes the Five Great Joys that are part of the path. Included are the authors' own compelling stories of their individual journeys along the path of yoga, stories of suffering, transcendence, and joy that both inspire and enlighten.

Translating Rumi into the West Amir Sedaghat, 2023-02-28 Focusing on Rumi, the best-selling Persian mystical poet of the 13th century, this book investigates the reception of his work and thought in North America and Europe and the phenomenon of Rumimania to elucidate the complexities of intercultural communication between the West and the Iranian and Islamic worlds. Presenting tens of examples from the original and translated texts, the book is a critical analysis of various dimensions of this reception, outlining the difficulties of translating the text but also exploring how translators of various times and languages have performed and explaining why the quality of reception varies. Topics analysed include the linguistic and pragmatic issues of translation, comparative stylistics and poetics, and non-textual factors like the translator's beliefs and the political and ideological aspects of translation. Using a broad theoretical framework, the author highlights the difficulties of intercultural communication from linguistic, semiotic, stylistic, poetic, ethical, and sociocultural perspectives. Ultimately, the author shares his reflections on the semiotic specificities of Rumi's mystical discourse and the ethics of translation generally. The book will be valuable to scholars and students of Islamic philosophy, Iranian studies, and translation studies but will appeal to anyone interested in the cultural dichotomies of the West and Islam.
