Rudolf Steiner

Lighting At Work Guidance:

Three Lectures on the Mystery Dramas Rudolf Steiner, 1983 Rudolf Steiner wrote four mystery dramas intended to portray the spiritual path of self knowledge as described by spiritual science or Anthroposophy Those plays are not merely symbolic but realistic depictions in a spiritual sense In this book Steiner describes how The Portal of Initiation the first of his dramas portrays the intense and tempestuous inner events of initiation as experienced by a young painter He explains the spiritual background of this character's karmic tests and higher guidance He also discusses the Rosicrucian nature of this play as well as the symbolism and fantasy of the second drama The Soul's Probation Steiner also emphasizes the power of certain fairy tales and poetry for bridging the gap between the spiritual and material worlds As one of the mystery dramas shows this is especially valuable for those who tend to be intellectuals Rudolf Steiner portrayed much of the wisdom of his spiritual science in the mystery dramas and intended them to graphically depict what he taught all his life As he said If people will exert themselves to work with the drama I will not have to give any more lectures for a long time **THE LECTURES** Self knowledge as Portrayed in the Rosicrucian Mystery The Portal of Initiation Basel Sept 17 1910 On the Rosicrucian Mystery The Portal of Initiation Berlin Oct 31 1911 Symbolism and Phantasy in Relation to the Mystery Drama The Soul's Probation Berlin Dec 19 1911 **The Mystery of the Portal** Trevor Dance, 2022-04-11 The philosopher and educationalist Rudolf Steiner was also a radical dramatist who wrote four lengthy and complex plays The first of these The Portal of Initiation is rich in content and artistically presented but leaves us with questions Why is the first scene so long and many speeches so lengthy Why are our usual expectations of drama not met Was Steiner really a competent dramatist In this essential guide Trevor Dance suggests that the first step to appreciating The Portal of Initiation is to understand Steiner's methods The play belongs to the tradition of Mystery Dramas from ancient times artistic works intended as vehicles for inner development Steiner thus combines aspects of Goethe's alchemical fable The Green Snake and the Beautiful Lily with the spiritual growth of contemporary individuals all in the broader context of reincarnation and karma With accessibility in mind the author provides a clear synopsis of each scene and introduces us to the characters a collection of rustics sophisticates hierophants and spiritual entities Their dilemmas and challenges take place on many layers of reality from a room in Sophia's house to the exalted Sun Temple Revealing the enigmas behind the creation and content of The Portal of Initiation Dance enables us not only to enjoy the play but also to love it His lucid guide the first of its kind is an ideal introduction for both individual readers and study groups *The Portal of Initiation* Rudolf Steiner, 1973 **Christian Treasury**, 1866 **The Christian treasury (and missionary review)**, 1866 **Lighting at Work**, 1997 This guidance explains how lighting can contribute to the health and safety of people at work Aimed at those responsible for health and safety at work it deals with managing the health and safety risks from lighting in the workplace good practice and lighting recommendations **Lighting at Work** Ross Armstrong, 1992 *Lighting for Health and Safety* Smith, 2017-08-02 Artificial lighting has become so

commonplace that it can sometimes be taken for granted and therein lies a possible minefield of related health and safety problems. Lighting for Health and Safety guides the reader through the fundamentals of vision and lighting. It highlights the potential health and safety problems that can develop as a consequence of inadequate lighting and further advises of the necessary remedies available in order to produce optimum lighting conditions for the workplace. This book will therefore assist the practitioner in compliance with legislation. First book to address this field. Written for the practising professional.
