of linguistics was actually a repetition of earlier concepts The final period of Derrida's writing includes the essays *Of Spirit* and *The Animal That Therefore I Am* More to Follow and three eulogies to the intellectual legacies of Michel Foucault Louis Marin and Emmanuel Levinas in which Derrida uses the ideas of each thinker to push forward the implications of their theories With an introduction by Francoise Meltzer that provides an overview of the oeuvre of this singular philosopher Signature Derrida is the most wide ranging and thus most representative anthology of Derrida's work to date
