**Revised Esoteric, a magazine of advanced and practical thought** The Esoteric,1895 like we were wallflowers Jennifer Megan Varnadore,2019-08-12 A girl meets a boy and falls in love It s the classical romance story True love in the eyes of a stranger Love at first sight All set in the style of a poet that sees the world in pictures of emotions and beauty Will it stay that way The style of writing in this poetry is put into lowered case purposely to show the emphasis on the story not the words themselves Without the story the words have no meaning Without the emotion behind it there is no relation and heart in the story The Limbo Lounge Saul Ashes,2024-09-23 In The Limbo Lounge things don t always add up and that s exactly how it likes it The atmosphere is thick with unsaid truths and the drinks They re strong enough to wash down memories you weren t planning on revisiting Here the quiet moments stretch on just a bit too long and the conversations take you places you weren t prepared to go It s a space suspended in time where nothing needs to make sense yet everything does in its own way This isn t your typical supernatural thriller there s no mad dash to uncover a dark secret or a sudden heart stopping revelation Instead it s a slow burn the kind that makes you question what s real and what s been lurking under the surface all along The mood leans more into the world of dark fantasy mystery pulling you in with every quiet exchange every lingering glance There s a story behind every face but don t expect to get the full picture right away If at all The tension here is built from paranormal suspense the kind that doesn t need loud noises or sudden shocks to unsettle you It s there in the details the flicker of a light the way the air shifts when someone enters the room This is a place where you feel like you ve been here before even if you know you haven t And it s that creeping familiarity that keeps you on edge For those who appreciate their mystery novels with a sharp edge and a touch of irony The Limbo Lounge delivers The real mystery isn t in the place itself but in the people you meet there and the parts of yourself that you might be avoiding So take a seat order a drink and see

how long you can hold onto the comfortable lies you ve been telling yourself
