Like No Other:

Like No Other Mark T. McNally, 2015-12-31 *Like No Other* Exceptionalism and Nativism in Early Modern Japan probes the association of the early modern Japanese intellectual institution called Kokugaku with the phenomenon of nativism Uncovering profound differences that cast serious doubt on this association Mark McNally argues that what Japanologists viewed as nativistic about Kokugaku were actually more typical of what Americanists call exceptionalism By severing the link between Kokugaku and nativism he is able to explore within early modern Japanese history instances that were more genuinely nativistic such as the upheaval associated with the intercultural encounters with Westerners during the 1850s and 1860s that culminated in the overthrow of Japan's last shogun He also documents for the first time in Japanese studies the ways in which exceptionalism applies to Japanese history not by focusing on either Nihonjinron or on Kokugaku the connection between the former and exceptionalism is one that Americanists have already made and the connection between the two Japanese institutions is one that Japanologists already know well but by highlighting the central role of Confucianism While Americans looked to the Judeo Christian tradition for their exceptionalist ideas their counterparts in early modern Japan looked to Confucianism whose foundational connections to exceptionalism were perhaps stronger than any analogous tradition in the West Despite the fact that exceptionalism and nativism occupy distinct positions within the historiographical traditions of both the United States and Japan they also intersect and overlap in the latter case which strongly suggests that this situation may also be true in other places including the United States **A Place Like No Other** Anthony R. E.

Sinclair, 2025-08-19 From famed zoologist Anthony Sinclair an account of his decades long quest to understand one of Earth's most spectacular ecosystems With its rich biodiversity astounding wildlife and breathtaking animal migrations Serengeti is like no other ecosystem on the planet *A Place like No Other* is Anthony Sinclair's firsthand account of how he and other scientists discovered the biological principles that regulate life in Serengeti and how they rule all of the natural world When Sinclair first began studying this spectacular ecosystem in 1965 a host of questions confronted him What environmental features make its annual migration possible What determines the size of animal populations and the stunning diversity of species What factors enable Serengeti to endure over time In the five decades that followed Sinclair and others sought answers What they learned is that seven principles of regulation govern all natural processes in the Serengeti ecosystem Sinclair shows how these principles can help us to understand and overcome the challenges facing Serengeti today and how they can be used to repair damaged habitats throughout the world Blending vivid storytelling with invaluable scientific insights from Sinclair's pioneering fieldwork in Africa *A Place like No Other* reveals how Serengeti holds timely lessons for the restoration and conservation of our vital ecosystems *An Army Like No Other* Haim Bresheeth-Zabner, 2020-08-25 The Israeli army officially named the Israel Defence Forces IDF was established in 1948 by David Ben Gurion Israel's first prime minister who believed that the whole nation is the army In his mind the IDF was to be an army like no other It was the

instrument that might transform a diverse population into a new people Since the foundation of Israel therefore the IDF has been the largest richest and most influential institution in Israel s Jewish society and is the nursery of its social economic and political ruling class In this fascinating history Bresheeth charts the evolution of the IDF from the Nakba to wars in Egypt Lebanon Iraq and the continued assaults upon Gaza and shows that the state of Israel has been formed out of its wars He also gives an account of his own experiences as a young conscript during the 1967 war He argues that the army is embedded in all aspects of daily life and identity And that we should not merely see it as a fighting force enjoying an international reputation but as the central ideological political and financial institution of Israeli society As a consequence we have to reconsider our assumptions on what any kind of peace might look like **A Friendship Like No Other** William A.

Barry,2009-03-01 Live in the love of a God who desires a relationship with you Throughout **A Friendship Like No Other** renowned spiritual director William A Barry SJ explores the premise that God wants to relate to us as a close friend Barry has contemplated this idea radical for many Christians throughout his lifetime and he explains that it actually traces back to the developing revelation of God contained in the Bible **A Friendship Like No Other** offers three well supported and practical sections prayerful exercises to help lead you to the conviction that God wants your friendship a close look at objections to this idea and reflections on experiencing the presence of God and discerning those experiences Brief personal meditations are woven throughout Grounded in biblical tradition and with a clear focus on Ignatian spirituality this book offers a fresh heart changing approach to living joyfully in the freedom of the divine embrace **A Crisis like No Other: Understanding and Defeating Global Warming Second Edition** Robert De Saro,2024-12-20 **A Crisis Like No Other** Understanding and Defeating Global Warming couples engaging and creative storytelling with accurate details to explain global warming It covers both the technical and human issues of global warming by addressing what s causing global warming and why people don t believe it exists The book tells readers how to convince others that global warming is not only real but life threatening and offers a clearly laid out path to solve it The book is accurate and carefully researched drawing on the author s thirty years of studying the science of global warming and the human psyche that surrounds it The author breaks down the subject into four parts which can be thought of as four mini books in one The first part covers the psychology of global warming denial how to defend ourselves against its lies and fake news and how to convince others of global warming s grave harm The second part describes exactly what global warming is The third answers the question what makes us so sure Finally the last part provides a road map showing us how to defeat global warming This book is comprehensive fast paced and easily accessible to readers from all walks of life It provides an overview of everything one needs to know about global warming and as such is an excellent survey of global warming topics In addition to being an easy and enjoyable read for the general public **A Crisis Like No Other** Understanding and Defeating Global Warming serves as a handy primer on climate change for environmental science classes **A Strike Like No Other Strike** Richard A. Brisbin,2002-09-06 Supreme Court ultimately

ruled in favor of the union most of the strikers faced elimination of their jobs and an ongoing struggle for pensions and health benefits

A God Like No Other: Depaganizing the God of the Hebrew Bible David A. Brondos, 2024-07-15 For centuries scholars and interpreters of the Hebrew Scriptures or Old Testament have read those Scriptures as if they spoke of a God whose desires concerns and interests were essentially no different than those of the other gods of antiquity known to us Like those gods what the God of Israel supposedly sought above all else was the honor worship and obedience of human beings and their submission to his will as his faithful and devoted servants While he undoubtedly demanded the practice of what was good right and merciful among his people in a way that set him apart from other gods ultimately he did so for his own sake in order to bring about in them the type of behavior that pleased him and compel them to live in conformity with his justice holiness and righteousness Those who sought to enjoy his blessings and avoid his fierce wrath and punishments had no choice but to strive to keep him content by observing all that he had commanded and making atonement for the sins and offenses they committed by offering him the sacrifices that appeased him Although he loved his people deeply his righteous and holy nature placed limits on that love and prevented him from showing them his favor unless the demands of his nature were satisfied When we abandon such an understanding of the God of Israel and instead read the Hebrew Bible on its own terms in order to grasp the logic underlying its narratives however a very different portrait of God emerges The God of whom the biblical texts speak is a God who desires nothing but the good for all those whom he has created and refuses to back down from his efforts to bring them to live in ways that will allow them to enjoy the wholeness and well being he desires for all when they insist on filling their lives with injustice suffering and violence When he demands that they obey all that he has commanded by practicing justice and compassion and avoiding behaviors that do them harm he does so not for his sake but for theirs If he jealously refuses to let his people serve and worship other gods it is only because those gods bring death and destruction rather than the life that is found in him alone While at times he must himself resort to violence and even bring down evil on human beings in order to put a stop to oppression and injustice he does so only because his passionate and unbending commitment to the well being of all of the families of the earth together with his beloved people Israel will not allow him to hold back or relent in his efforts to save them not from him but from themselves Christian and Jewish readers alike will find in the present volume a God who is very different from the God they have been taught to encounter previously in the biblical texts a God whose ultimate concern is not for his own glory honor or worship or for the demands of a righteous and holy nature that holds him captive but for the healing wholeness and well being of all of his creatures Such an understanding of God not only calls into question traditional interpretations of the Hebrew Bible but also lays the basis for a fresh reading of the many difficult passages that have long challenged biblical interpreters due to the violent and troubling image of God that they convey

A War Like No Other Victor Davis Hanson, 2006-09-12 One of our most provocative military historians Victor Davis Hanson has given us painstakingly researched and pathbreaking accounts of wars ranging

from classical antiquity to the twenty first century Now he juxtaposes an ancient conflict with our most urgent modern concerns to create his most engrossing work to date *A War Like No Other* Over the course of a generation the Hellenic city states of Athens and Sparta fought a bloody conflict that resulted in the collapse of Athens and the end of its golden age Thucydides wrote the standard history of the Peloponnesian War which has given readers throughout the ages a vivid and authoritative narrative But Hanson offers readers something new a complete chronological account that reflects the political background of the time the strategic thinking of the combatants the misery of battle in multifaceted theaters and important insight into how these events echo in the present Hanson compellingly portrays the ways Athens and Sparta fought on land and sea in city and countryside and details their employment of the full scope of conventional and nonconventional tactics from sieges to targeted assassinations torture and terrorism He also assesses the crucial roles played by warriors such as Pericles and Lysander artists among them Aristophanes and thinkers including Sophocles and Plato Hanson's perceptive analysis of events and personalities raises many thought provoking questions Were Athens and Sparta like America and Russia two superpowers battling to the death Is the Peloponnesian War echoed in the endless frustrating conflicts of Vietnam Northern Ireland and the current Middle East Or was it more like America's own Civil War a brutal rift that rent the fabric of a glorious society or even this century's red state blue state schism between liberals and conservatives a cultural war that manifestly controls military policies Hanson daringly brings the facts to life and unearths the often surprising ways in which the past informs the present Brilliantly researched dynamically written *A War Like No Other* is like no other history of this important war

Transitions Carola Suárez-Orozco, Mona M. Abo-Zena, Amy K. Marks, 2015-10-02 Immigration to the United States has reached historic numbers 25 percent of children under the age of eighteen have an immigrant parent and this number is projected to grow to one in three by 2050 Immigrant children and the children of immigrants face unique developmental challenges *Transitions* offers comprehensive coverage of the field's best scholarship on the development of immigrant children providing an overview of what the field needs to know or at least systematically begin to ask about immigrant children and adolescents from a developmental perspective From back cover

Jersey Tomatoes are the Best Maria Padian, 2011-03-08 This is a hilarious and heartbreaking story of two teen girls and the summer when everything changes for them Both Henry and Eva are New Jersey natives and excellent athletes Henry's a master on the tennis court and Eva is a graceful ballerina When opportunity knocks for both of them the summer before their junior year in high school they throw open the door Henry sees freedom from her overbearing father and a chance to build her talents on the court Eva sees the chance to be the best as well as even more pressure to be graceful lighter more perfect on the dancefloor Soon Eva's obsession with physical perfection leads her down the path to anorexia and her health issues overwhelm everything else But through it all these two best friends know that *Jersey Tomatoes are the Best* and nothing will come between them no matter the distance

environment of football clubs employees motivation at work and globalisation and power in football Stop Predicting - Revisit Life Vinay Sharma, Rabindranath Bhattacharyya, Sanjeev Kumar Mahajan, Himanshu Shekhar Mishra, 2022-05-18 A comprehensive account of how India fought the war against the Covid 19 pandemic Stop Predicting Revisit Life offers a 360 degree account of the unprecedented health crisis brought on by the pandemic from the reverse migration of millions of migrant workers to the debilitating impact of a lockdown that led to the biggest annual contraction of the Indian economy since 1952 It is based on deep analysis of official data and documents released by the government and international institutions the debates in Indian Parliament official reports tabled therein and information collected from the ground during the pandemic While offering new policy and legislative measures to combat a COVID 19 like pandemic in the future Stop Predicting Revisit Life explores in detail issues of how we perceive life what it takes to be resilient and how we can work together as society **Grendel: Devil's Odyssey #2** Matt Wagner, 2019-11-06 Matt Wagner Searching the stars for a new home for mankind Grendel Prime encounters a strange and primitive alien race Along with his drone companion Sigma Seven the immortal cyborg must decide if humanity can coexist in a world where the inhabitants must literally hunt for water

Attention Equals Life Andrew Epstein, 2016-06-10 Poetry has long been thought of as a genre devoted to grand subjects timeless themes and sublime beauty Why then have contemporary poets turned with such intensity to documenting and capturing the everyday and mundane Drawing on insights about the nature of everyday life from philosophy history and critical theory Andrew Epstein traces the modern history of this preoccupation and considers why it is so much with us today *Attention Equals Life* argues that a potent hunger for everyday life explodes in the post 1945 period as a reaction to the rapid unsettling transformations of this epoch which have resulted in a culture of perilous distraction Epstein demonstrates that poetry is an important and perhaps unlikely cultural form that has mounted a response and even a mode of resistance to a culture suffering from an acute crisis of attention In this timely and engaging study Epstein examines why a compulsion to represent the everyday becomes predominant in the decades after modernism and why it has so often sparked genre bending formal experimentation With chapters devoted to illuminating readings of a diverse group of writers including poets associated with influential movements like the New York School language poetry and conceptual writing the book considers the variety of forms contemporary poetry of everyday life has taken and analyzes how gender race and political forces all profoundly inflect the experience and the representation of the quotidian By exploring the rise of experimental realism as a poetic mode and the turn to rule governed everyday life projects *Attention Equals Life* offers a new way of understanding a vital strain at the heart of twentieth and twenty first century literature It not only charts the evolution of a significant concept in cultural theory and poetry but also reminds readers that the quest to pay attention to the everyday within today's frenetic world of and social media is an urgent and unending task **When We Quiet Our Fears We Find Love a Collection of Channeled Messages from Archangel Michael Book III of the Collection Archangel Michael Speaks** Carolyn Ann

Oriley,2006-05-24 Channeled MessChanneled Messages from Archangel Michael to assist in awakening the inner you Allow Archangel Michael s wonderful meditations messages guidance and love to assist you on your spiritual path Archangel Michael s messages have the crystals of wisdom that you have been seeking **The Political Economy of Work in the Global South** Anita Hammer,Adam Fishwick,2020-03-28 Part of the Critical Perspectives on Work and Employment series this edited collection brings together contributions from leading international scholars to initiate an important dialogue between labour process analysis and scholarship on work in the Global South This book characterises the forms of work and labour process that characterise globalising capitalism today and addresses core analytical concerns within Labour Process Theory and research on work in the South It explores how a wide range of production relations in the Global South ranging from formal to informal employment and self employment are embedded in wider social relations of gender caste religion and ethnicity and are related to wider patterns of commodification and resistance Drawing on cutting edge research the book s chapters consider a diverse range of working situations covering migrant workers in the Middle East commercial surrogacy work in India and cooperative garment workers in Argentina In offering a novel reading of the political economy of work in the Global South and shedding light on lesser considered fields of work and worker organization this volume will provide new insights for making sense of the changing world of work for students scholars labour activists and practitioners alike **The Peacock's Stone** Faith Richardson,2003 Eleven year old Shahumin who has just begun learning the wisdom of the elders befriends an odd looking youth whom she meets in the woods not realizing he is an Other one of the people not created by YAWH and an enemy of her people **Listening on the Edge** Mark Cave,Stephen M. Sloan,2014 The emergent inclination for oral historians to respond to document crisis calls for a shared conversation among scholars This dialog at the heart of this anthology addresses both the ways in which we think about oral history and the manner in which we use it *Reverend G's Words of Encouragement* Reverend Jeffery E. Gaines Sr.,2022-03-27 My story begins as a native Floridian who grew up poor on welfare a high school dropout and without a father who abandoned me at an incredibly early age in my life But what I have learned in this life is that sometimes we are born in a disadvantaged situation either being poor or dependent upon federal assistance for food and clothing Combine that with a broken family structure this lent itself to a life of struggles and setbacks I blamed others for how I felt and how my life was turning out I had a decision to make I could either decide to remain in the state of blaming others or I could get up and do something about it I decided to go with the latter and I hope that you will come to the same decision after hearing my story **The Memory Of My Soul** Arleen R. Fraijo,2023-06-29 Today I know that everyone is looking for answers and trying to find a way to solve the crucial season of our time in history We long for leadership and to be the ones that are right The news overwhelms us We are finding it harder to sleep and to know what to eat We have more questions than answers I wrote this book because I feel that this world needs a huge dose of love a love that endures and holds the truth It is also to fund my assignment Jardin De Suenos garden of dreams In my

thoughts it goes like this Our days are filled with listening to the seminars and daydreaming with the people who come to find their purpose as to why they came to this realm and what they will give to it Three people would always be free to come to find their purpose and dreams teaching sustainability mission work and health issues We greet and listen to their dreams and we all work on the gardens in our prospective cottages as a choice And in the evening hours we gather to hold their purpose with love in our hearts for the highest good In the quiet hour is the garden of Vespers the Evening Star and this garden is silent Then we each return to our cottages as we dream together We connect in prayer and meditation This provides each individual with the support and insight into who they truly are Every month we would hold a different topic issue or class that they may find their purpose for coming We also use these grounds to come together for brainstorming sessions for the highest good of all There is an abundance of love kindness wisdom and courage to be and do Sweet dreams Blessings always Arleen R Fraijo
