THE CENTURY ILLUSTRATED MONTHLY MAGAZINE, 1883 The Century Illustrated Monthly Magazine Josiah Gilbert Holland, Richard Watson Gilder, 1908 **THE CENTURY**, 1883 *Nights With Uncle Remus* Joel Chandler Harris, 2019-11-21 In *Nights With Uncle Remus* Joel Chandler Harris presents a rich tapestry of Southern folklore through the voice of the wise and endearing character Uncle Remus. The book is a compilation of African American oral traditions imbued with vibrant storytelling and a deep appreciation for local dialects. Harris's literary style employs a blend of humor, rhythm, and vivid imagery capturing the essence of rural life in the post-Civil War South while addressing concepts of race and cultural identity. By intertwining lively animal tales with moral lessons, Harris crafts a unique narrative that serves as both entertainment and social commentary, reflecting the complexities of Southern society at a time of great change. Joel Chandler Harris (1848-1908) was a journalist and folklorist whose experiences growing up in Georgia profoundly influenced his writing. His interactions with African American storytellers and his commitment to capturing their voices contributed significantly to the preservation of Southern folklore. Harris's work resonates with themes of resilience and wisdom amid adversity, indicative of the historical context in which he lived. *Nights With Uncle Remus* is not just a delightful collection of stories; it is a vital contribution to American literature that illuminates cultural heritage and ethics. For readers seeking an authentic representation of Southern life and folklore, this book is essential for understanding the rich narrative traditions that have shaped American storytelling.

Southern Local Color Barbara C. Ewell, Pamela Glenn Menke, Andrea Humphrey, 2002 Conflict, exoticism, sensuality, eccentricity, and the sheer differences of the American South pervade this lively anthology, the first in fifty years to focus exclusively on the nineteenth-century tradition of Southern local color. Its thirty-one stories, spanning the 1870s through the early 1900s, represent some of the best Southern fiction to appear during the great flowering of American local color writing. The fifteen authors included here are those most admired by their contemporaries. Modern readers may recognize Kate Chopin, author of *The Awakening*; Charles Chesnut, the courageous and gifted African American writer; or Joel Chandler Harris, whose *Uncle Remus* and *Br'er Rabbit* tales have remained continually in print. However, some authors like suffragist Sarah Barnwell Elliott are virtually unknown today, while others like African Americans Paul Laurence Dunbar and Alice Dunbar Nelson are known primarily as poets or diarists. The editors' extensive introduction locates the stories in the context of contemporary and current history and culture, and each selection of tales begins with detailed information on the author. Also included are bibliographies and extensive notes showcasing the many styles, topics, and settings of Southern local color. The anthology reconnects us to an unjustly neglected literary tradition. As the editors make clear, such tales of the South were essential to post-Civil War America's struggle to address yet contain cultural and geographic variety, racial mixtures, and the just clamor of women and African Americans for equality. From George Washington Cable's New Orleans to Thomas Nelson Page's Tidewater Virginia to the Appalachians imagined by Sherwood
