Lilla's Feast:

Lilla's Feast Frances Osbourne, 2004-10-26 The tale of Lilla the author's great grandmother begins with her birth in Chefoo in China in 1882 where she lived a charmed and Bohemian expat life the younger of a set of heavenly twins from a spirited unvictorian family

Lilla's Feast Frances Osborne, 2007-12-18 At the end of her life Frances Osborne's one hundred year old great grandmother Lilla was as elegant as ever all fitted black lace and sparkling white diamonds To her great grandchildren Lilla was both an ally and a mysterious wonder Her bedroom was filled with treasures from every exotic corner of the world But she rarely mentioned the Japanese prison camps in which she spent much of World War II or the elaborate cookbook she wrote to help her survive behind the barbed wire Beneath its polished surface Lilla's life had been anything but effortless Born in 1882 to English parents in the beautiful North China port city of Chefoo Lilla was an identical twin Growing up she knew both great privilege and deprivation love and its absence But the one constant was a deep appreciation for the power of food and place From the noodles of Shanghai to the chutney of British India and the roasts of England good food and sensuous surroundings Lilla was raised to believe could carry one a long way toward happiness Her story is brimming with the stuff of good fiction distant locales an improvident marriage an evil mother in law a dramatic suicide and two world wars Lilla's remarkable cookbook which she composed while on the brink of starvation makes no mention of wartime rations of rotten vegetables and donkey meat In the world this magical food journal now housed in the Imperial War Museum in London everyone is warm and safe in their homes and the pages are filled with cream puffs butterscotch and comforting soup In its writing Lilla was able to transform the darkest moments into scrumptious escape Lilla's Feast is a rich evocation of a bygone world the inspiring story of an ordinary woman who tackled the challenges life threw in her path with an extraordinary determination

Lilla's Feast Frances Osborne, 2004 A sensual family memoir of a modern woman in the last 100 years spanning five continents and three husbands a perfect blend of world history romance and food

Lilla's Relations Henrietta, 1867

Lilla Marie Belloc Lowndes, 1916

My Dearest Lilla Gene Schmiel, 2023-11-10 Jacob D Cox experienced more facets of the Civil War than most officers by land and sea in both Western and Eastern Theaters among the inner political circles of Ohio and Washington DC in territories hostile and friendly amidst legal conflicts both civilian and military and in the last campaigns in Tennessee and North Carolina The Union general capitalized on his experience by penning his two volume *Military Reminiscences of the Civil War* one of the war's finest memoirs and arguably the best by a nonprofessional soldier as well as *Atlanta* and *The Battle of Franklin* both definitive studies for nearly a century In 2012 Gene Schmiel Cox's biographer learned of a cache in the Oberlin College archives of 213 letters Cox wrote to his wife Helen during the war Schmiel recognized these documents as a ready resource for Cox as he wrote his histories and many stand as first drafts of Cox's analyses of the military and sociopolitical events of the day Helen Finney Cox her husband affectionately referred to her as Lilla was a mother of six and the daughter of Oberlin College

president Charles Finney These intimate and insightful wartime letters show both the fondness Cox had for his spouse and his respect for her as an intellectual equal To Helen the stoic introverted statesman revealed as he did to no one else his inner thoughts and concerns presenting observant lucid and informative reports and analyses of the war his changing life and his ambitions This collection illustrates the life of a Gilded Age Renaissance man as he made the transition from untested soldier to respected general and statesman

Family First Ruth A. Symes,2015-10-30 Discover the history of family roles and relationships and how to learn more about your own ancestors A blend of social history and family history Family First looks at relationships and our attitudes and experiences surrounding them fathers mothers babies children aunts uncles cousins grandparents and the elderly friends and neighbors This book examines how readers might learn more about how their own ancestors functioned in these relationships and what records might tell us more Each chapter starts with a guide on how to interpret the most common and direct of family history sources then goes on to examine each relationship in its changing historical contexts how for example did the role of a father differ in the Victorian period from earlier periods What similarities and differences were there in behavior and roles between fathers of different social classes How did fatherhood change in the context of the two world wars How has family size changed How have opinions shifted about marriage between cousins Explore these questions and more in this intriguing book

Zofloya Charlotte Dacre,1997-06-10 The protagonist of Charlotte Dacre s best known novel Zofloya or the Moor 1806 is unique in women s Gothic and Romantic literature and has more in common with the heroines of Sade or M G Lewis than with those of Ann Radcliffe Charlotte Smith or Jane Austen No heroine of Radcliffe or Austen could exult as Victoria does in this novel that there is certainly a pleasure in the infliction of prolonged torment The sexual desires and ambition of Dacre s protagonist Victoria drive her to seduce torture and murder Victoria is inspired to greater criminal and illicit acts by a seductive Lucifer disguised as a Moor before she too is plunged into an abyss by her demon lover The text s unusual evocations of the female body and feminine subject are of particular interest in the context of the history of sexuality and of the body after embarking on a series of violent crimes Victoria s body actually begins to grow stronger and decidedly more masculine Among the documents included as appendices to this volume are a selection of Dacre s poetry and excerpts from Bienville s Nymphomania a medical treatise of the time aimed at a lay audience that focuses largely on the dangerous powers of women s imagination inspired by improper novels it is alleged that women may plunge into madness violence and death much as does the protagonist of Zofloya herself
