The background is a painting of a man sitting at a table in a cafe. The man is on the left, wearing a light-colored shirt and dark pants, looking towards the viewer. The cafe has large glass windows that reflect the street outside. In the reflection, a white car is visible. The background of the reflection shows a multi-story building with many windows. The title 'LILLE for Pleasure' is written in a large, yellow, serif font across the center of the painting. The author's name 'Derek Blyth' is written in a smaller, white, serif font at the bottom of the title area.

Pierpont, 2023-04-03 Now in its fourth edition *Sexuality in Medieval Europe* provides a lively account of a society whose attitudes toward sexuality both were ancestral to and differed from contemporary ones The volume is structured not by types of sexual interactions or deviance but to reflect the difference in gendered experiences when sex is seen as an act one person does to another Sexual activity within and outside of marriage as well as sexual inactivity had different meanings based on gender social status religious affiliation and more This book considers these iterations of medieval sexuality in its effort to show there was no single medieval attitude towards sexuality With an emphasis on Christian Western Europe over the entire course of the Middle Ages it also includes comparative material on neighboring cultures at the time Alongside being reworked for further clarity and readability the fourth edition offers substantial new material on trans scholarship and methodological attempts to recoup a trans past changes in the treatment of sex work and its terminology and new material on Byzantine and Muslim culture *Sexuality in Medieval Europe* is an essential resource for all those who study medieval history medieval culture and the history of sexuality in Europe **Medieval Futurity** Will Rogers, Christopher Michael Roman, 2020-11-09 This collection of essays asks contributors to take the capaciousness of the word queer to heart in order to think about what medieval queers would have looked like and how they may have existed on the margins and borders of dominant normative sexuality and desire The contributors work with recent trends in queer medieval studies blending together modern concepts of

Waters,2013-06-15 Texts by for and about preachers from the twelfth to the fourteenth centuries reveal an intense interest in the preacher s human nature and its intersection with his angelic role Far from simply denigrating embodiment or excluding it from consideration these works recognize its centrality to the office of preacher and the ways in which preachers like Christ needed humanness to make their performance of doctrine effective for their audiences At the same time the texts warned of the preacher s susceptibility to the fleshly failings of lust vainglory deception and greed Preaching s problematic juxtaposition of the earthly and the spiritual made images of women preachers real and fictional key to understanding and exploiting the power as well as the dangers of the feminized flesh Addressing the underexamined bodies of the clergy in light of both medieval and modern discussions of female authority and the body of Christ in medieval culture Angels and Earthly Creatures reinserts women into the history of preaching and brings together discourses that would have been intertwined in the Middle Ages but are often treated separately by scholars The examination of handbooks for preachers as literary texts also demonstrates their extensive interaction with secular literary traditions explored here with particular reference to Chaucer s Canterbury Tales Through a close and insightful reading of a wide variety of texts and figures including Hildegard of Bingen Birgitta of Sweden and Catherine of Siena Waters offers an original examination of the preacher s unique role as an intermediary standing between heaven and earth between God and people participating in and responsible to both sides of that divide
