First published in 1998 For the Time Being brings together Dirk Bogarde's published work outside of his novels and autobiographies In 1988 Dirk Bogarde returned from two idyllic decades in France to live in England due to his partner's serious illness Shortly afterwards the then literary editor of the Daily Telegraph admiring the lucid frankness of Bogarde's memoirs invited him to review some books for the newspaper This collection includes the famous article A Short Walk from Harrods which Bogarde wrote for the Independent on Sunday soon after returning to London In it he describes what it feels

like to walk among familiar ghosts and to dine with those he considers the living dead A momentous review of three Holocaust books is accompanied by an article in which he describes the extraordinary postbag he received from its readers In another piece which had a profound impact he gives forceful vent to his support for euthanasia It stands as a testimony to a wonderfully varied life a wide range of interests and sympathies and a remarkable gift for writing **Carson McCullers** Mary V. Dearborn,2024-02-27 The first major biography in more than twenty years of one of America's greatest writers based on newly available letters and journals V S Pritchett called her a genius Gore Vidal described her as a beloved novelist of singular brilliance Of all the Southern writers she is the most apt to endure And Tennessee Williams said The only real writer the South ever turned out was Carson She was born Lula Carson Smith in Columbus Georgia Her dream was to become a concert pianist though she'd been writing since she was sixteen and the influence of music was evident throughout her work As a child she said she'd been born a man At twenty she married Reeves McCullers a fellow southerner ex soldier and aspiring writer He was the best looking man I had ever seen They had a fraught tumultuous marriage lasting twelve years and ending with his suicide in 1953 Reeves was devoted to her and to her writing and he envied her talent she yearned for attention mostly from women who admired her but rebuffed her sexually Her first novel *The Heart Is a Lonely Hunter* was published in 1940 when she was twenty three and overnight Carson McCullers became the most widely talked about writer of the time While McCullers's literary stature continues to endure her private life has remained enigmatic and largely unexamined Now with unprecedented access to the cache of materials that has surfaced in the past decade Mary Dearborn gives us the first full picture of this brilliant complex artist who was decades ahead of her time a writer who understood and captured the heart and longing of the outcast **The New Penguin Dictionary of Modern Quotations** Robert Andrews,2003-10-30 The New Penguin Dictionary of Modern Quotations contains over 8 000 quotations from 1914 to the present As much a companion to the modern age as it is an entertaining and useful reference tool it takes the reader on a tour of the wit and wisdom of the great and the good from Margot Asquith to Monica Lewinsky from George V to Boutros Boutros Galli and Jonathan Aitken to Frank Zappa **The Columbia Dictionary of Quotations** Robert Andrews,1993 Over 11 000 of these 18 000 quotations have never before appeared in a quotation book Chosen not for their familiarity but for their quality and their relevance in the 1990s these provocative quotations cover subjects from adolescence and adoption to yuppies and zoos **A Difficult Woman** Alice Kessler-Harris,2012-04-30 Lillian Hellman was a giant of twentieth century letters and a groundbreaking figure as one of the most successful female playwrights on Broadway Yet the author of *The Little Foxes* and *Toys in the Attic* is today remembered more as a toxic bitter survivor and literary fabulist the woman of whom Mary McCarthy said Every word she writes is a lie including and and the In *A Difficult Woman* renowned historian Alice Kessler Harris undertakes a feat few would dare to attempt a reclamation of a combative controversial woman who straddled so many political and cultural fault lines of her time Kessler Harris renders Hellman's feisty wit and personality in

all of its contradictions as a non Jewish Jew a displaced Southerner a passionate political voice without a party an artist immersed in commerce a sexually free woman who scorned much of the women s movement a loyal friend whose trust was often betrayed and a writer of memoirs who repeatedly questioned the possibility of achieving truth and doubted her memory Hellman was a writer whose plays spoke the language of morality yet whose achievements foundered on accusations of mendacity Above all else she was a woman who made her way in a man s world Kessler Harris has crafted a nuanced life of Hellman empathetic yet unsparing that situates her in the varied contexts in which she moved from New Orleans to Broadway to the hearing room of HUAC *A Difficult Woman* is a major work of literary and intellectual history This will be one of the most reviewed and most acclaimed books of 2012 **Dorothy Parker in Hollywood** Gail Crowther,2024-10-15 The glamorous extravagances and devastating lows of her time in Hollywood are revealed as never before in this fresh new biography of Dorothy Parker from leaving New York City to work on numerous classic screenplays such as the 1937 *A Star Is Born* to the devastation of alcoholism a miscarriage and her husband s suicide Parker s involvement with anti fascist and anti racist groups which led to her ultimate blacklisting and her early work in the civil rights movement that inspired her to leave her entire estate to the NAACP are also explored as never before *Women and Bisexuality* Serena Anderlini-D'Onofrio,2013-09-13 Get a global perspective on bisexuality from a women s viewpoint *Women and Bisexuality A Global Perspective* reflects the growing contribution bisexuals and especially bisexual women make to queer culture on an international level This unique book presents a collection of thoughtful essays studies and reviews that combine to help develop a language that reflects the reality of bisexuality from a feminine feminist viewpoint Authors map the inroads made by bisexual studies into conventional disciplines including anthropology sociology health literature film history and biography and analyze the situations of bisexual women in areas as diverse as France North America Germany Australia and Africa The rich and varied contributions to *Women and Bisexuality A Global Perspective* track the spread of bisexuality from the urban and metropolitan centers of gay culture to more peripheral areas as the movement becomes more and more hospitable to transnational and transcultural people The book s main themes bisexuality s ability to disrupt categories and the resulting feeling of alienation many bisexuals experience are manifested in approaches that include critical theory deconstruction textual analysis cognitive psychology personal essay review essay reportage and qualitative study Topics addressed include the impact of feminism and women s communities on the appearance of bisexual women multi sexual relationships as border existence in Australia a South African perspective on bisexuality understanding bisexuality s invisibility Lillian Hellmann s bisexual fantasies and much more *Women and Bisexuality A Global Perspective* follows bisexuality to the crossroads of academics and activism presenting a wide scope of refreshing and insightful thought that reflects more than an identity or practice The diverse mix of ideas is an essential read for anyone interested in literature on sexuality *Interpretive Autoethnography* Norman K.
