Sovereign Grace - Past and Present Ian Potts, 2006-03-22 Collected writings from both past and present preachers of God's Gospel of Free and Sovereign Grace through Jesus Christ Includes works by William Tiptaft Tobias Crisp William Huntington William Gadsby Robert Murray M Cheyne J C Philpot John Kershaw James Bourne Eli Ashdown Francis Covell John Vinall John Warburton Don Fortner Henry Mahan Don Bell Gary Shepard Todd Nibert Tom Harding Peter Meney and Benjamin A Ramsbottom The book also includes an Introduction on Sovereign Grace background information about each author and a useful appendix containing much information about other works written by or about the authors These works are by authors whose lives span several hundred years yet their message is the same they proclaim the grace of God which brings salvation because the One of whom they speak never changes He is Jesus Christ the same yesterday and to day and for ever "All Authority Has Been Given To Me" Tim Lehman, 2019-11-20 For much of Christian history greater focus has been paid to Jesus death than to his three years of ministry and his crucifixion has often been understood primarily as a means to salvation in heaven But retired pastor Tim Lehman contends that we ve drastically missed the point by not looking closely at and learning from Jesus words and actions before his death As a result we lose out on the joy and freedom of living fully as his disciples and experiencing salvation already in this life on earth In this broad study of Matthew s Gospel Lehman challenges readers to view Jesus death in light of his life He urges us not just to believe in Jesus but to believe Jesus to take seriously all that he taught and how he lived As Lehman leads readers along a carefully laid path Christians and non Christians alike will have to rethink long held assumptions the place of violence in the Christian life the givenness of division in our modern world the meaning of atonement salvation and the kingdom of heaven and more But along the way we are sure to learn grow and hopefully come to know more deeply God's unconditional love for all *Reforming the Doctrine of God F.*

LeRon Shults, 2005-11 Linking traditional attributes of God with contemporary philosophy F LeRon Shults culminates with a reformed doctrine of God that revolves around themes of God's omniscient faithfulness omnipotent love and omnipresent God's Wounds Jeff B Pool, 2011-07-28 God's Wounds Hermeneutic of the Christian Symbol of Divine Suffering Volume I Divine Vulnerability and Creation is the first of a three volume study of Christian testimonies to divine suffering The larger study focuses its inquiry on the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely The goal is then to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God In this first volume the author develops an approach to interpreting the contested claims about the suffering of God Through this approach to the Christian symbol of divine suffering he then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering, Volume One Jeff B. Pool, 2009-01-01 This book constitutes the first volume of a three volume study of Christian testimonies to divine suffering God s Wounds Hermeneutic of the Christian Symbol of Divine Suffering Divine Vulnerability and Creation This study first develops an approach to interpreting the contested claims about the suffering of God Thus the larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God Through this approach this volume of studies into the Christian symbol of divine suffering then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation A body of practical divinity, consisting of above one hundred seventy six sermons on the lesser catechism composed by the reverend assembly of divines at Westminster: with a suppl. of some sermons on several texts of Scripture Thomas Watson, 1838 The Source of My Strength Charles F. Stanley, 2005-02-08 Are you lonely Do you feel restless and frustrated Is anxiety eating away your joy or insecurity threatening your peace of mind These problems may be symptoms of emotional wounds that need the healing touch of Jesus The Source of My Strength

is a moving and personal look at the power of Christ to comfort those who hurt and to free those who are oppressed Sharing his own journey through emotional pain Dr Charles Stanley offers biblical principles that help you overcome pain insecurity frustration loneliness and alienation understand how emotional burdens constrict and confine your choices in life confront painful memories of the past find healing and hope in the promises of God If you long to live fully and freely every day this practical guide can help you discover your liberty in Christ No matter who we are today we are poor or lacking in some way We are captives to the memories of the past and the limited expectations we have for our futures And unless we are willing to deal with the painful experiences that life brings our way the pain becomes a burden and wound of the heart Today is a great day to ask the Lord Jesus to take off your heart the heavy load you are carrying Charles Stanley Death Came Calling - Life Won JoAn McGregor, 2017-05-11 On the way home from a vacation JoAn kept hearing what she thought was a song running through her head Eventually she realized it was a message She wrote it down on a scrap of paper and later typed it wondering why that message which was a poem had come to her Following an auto accident and her descent into an abyss of pain and critical illness she realized the poem was a gift to encourage her on the most difficult journey of her life That critical illness led to the study of the scriptures on healing and an intensive search for the healing ministry of Jesus Her book takes the reader on that journey as she prayed and hoped for the healing Jesus offered in his earthly ministry Her hope is to encourage and empower the seeker to trust in the God of creation on their own journey for God has not left us defenseless but has equipped us for the journey no matter where that journey may lead God's ways, not our ways: a dissident Quaker's response to disability Jackie Leach Scully, 2024-09-01 The 2024 Backhouse Lecture God's ways not our ways A dissident Quaker response to disability was delivered by Jackie Leach Scully on Monday July 8th 2024 in Adelaide Disability has shaped Jackie's family career personal and professional life and her engagement with faith and spirituality Drawing on her personal and professional experience she looks at traditional and contemporary theological engagement with disability She uses Quaker testimony to explore how Friends are called to respond to disability and impairment and shares some dissident thinking about disability with Australian Friends and others to help build a world more inclusive of all kinds of difference and diversity Messages Given During the Resumption of Watchman Nee's Ministry Watchman Nee, 1991
