## **Lincolndouglas Debates:**

*The Lincoln-Douglas Debates*, 2006-01-01 Describes a series of debates held across Illinois in 1858 between Stephen Douglas and Abraham Lincoln for a United States Senate seat which Douglas eventually won *Lincoln and Douglas* Allen C. Guelzo, 2010-05-11 From the two time winner of the prestigious Lincoln Prize a stirring and surprising account of the debates that made Lincoln a national figure and defined the slavery issue that would bring the country to war In 1858 Abraham Lincoln was known as a successful Illinois lawyer who had achieved some prominence in state politics as a leader in the new Republican Party Two years later he was elected president and was on his way to becoming the greatest chief executive in American history What carried this one term congressman from obscurity to fame was the campaign he mounted for the United States Senate against the country's most formidable politician Stephen A Douglas in the summer and fall of 1858 As this brilliant narrative by the prize winning Lincoln scholar Allen Guelzo dramatizes Lincoln would emerge a predominant national figure the leader of his party the man who would bear the burden of the national confrontation Lincoln lost that Senate race to Douglas though he came close to toppling the Little Giant whom almost everyone thought was unbeatable Guelzo's Lincoln and Douglas brings alive their debates and this whole year of campaigns and underscores their centrality in the greatest conflict in American history The encounters between Lincoln and Douglas engage a key question in American political life What is democracy's purpose Is it to satisfy the desires of the majority Or is it to achieve a just and moral public order These were the real questions in 1858 that led to the Civil War They remain questions for Americans today **The Complete Lincoln-Douglas Debates of 1858** Abraham Lincoln, Stephen A. Douglas, 1991-05-28 The Lincoln Douglas debates remain our culture's model of what public political debate ought to be This new edition of the complete transcripts of the debates and eyewitness interpretations of them previously published under the title *Created Equal* includes a new Foreword by David Zarefsky Zarefsky analyzes the rhetoric of the speeches showing how Lincoln and Douglas chose their arguments and initiated a debate that shook the nation Their eloquent statesmanlike discussion of the morality of slavery illustrates the masterful use of rhetorical strategies and tactics in the public forum a form of discourse that has nearly disappeared from the political scene today *Lincoln-Douglas Debates* Alan Pierce, 2005-01-01 Discusses defining moments in American history **The Lincoln-Douglas Debates** Abraham Lincoln, 1918 Text of the seven debates and an account of their political setting with annotations *The Lincoln-Douglas Debates* Abraham Lincoln, Stephen Arnold Douglas, 2008-08-22 The most complete record ever assembled of the landmark Lincoln Douglas debates published on their 150th anniversary **The Lincoln-Douglas Debates and the Making of a President** Timothy S. Good, 2014-11-21 The Lincoln Douglas senatorial debates of 1858 marked a significant crossroads in the political career of Abraham Lincoln Though he lost the United States senate seat for Illinois to Stephen A Douglas the debates launched Lincoln into political prominence and eventually contributed to his successful run for the presidency This work reveals Lincoln's political evolution

during the debates through a narrative approach evaluating his debate strategy and seemingly inconsistent views on slavery and racial inequality Organized chronologically the book examines each of the seven debates individually acknowledging Lincoln's disappointing turns at Jonesboro and Charleston but celebrating his powerful comeback at Alton in the final senatorial debate

**The Lincoln-Douglas Debates** Harold Holzer, 2009-08-25 The seven debates between Abraham Lincoln and Stephen Douglas held during the Illinois senatorial race of 1858 are among the most important statements in American political history dramatic struggles over the issues that would tear apart the nation in the Civil War the virtues of a republic and the evils of slavery In this acclaimed book Holzer brings us as close as possible to what Lincoln and Douglas actually said Using transcripts of Lincoln's speeches as recorded by the pro Douglas newspaper and vice versa he offers the most reliable unedited record available of the debates Also included are background on the sites crowd comments and a new introduction A vivid boisterous picture of politics during our most divisive period This fresh fascinating examination deserves a place in all American history collection Library Journal

**The Lincoln-Douglas Debates of 1858 (Classic Reprint)** Abraham Lincoln, 2017-11-02 Excerpt from The Lincoln Douglas Debates of 1858 A new edition of the speeches made by Stephen A Douglas and Abraham Lincoln in the set debate during the Illinois senatorial canvass of 1858 would seem a worthy and appropriate part of the general commemoration of the fiftieth anniversary of that event While the campaign was local in its inception it became national in its significance and in its results The issues as brought out in the debate especially in the speech of Douglas at Freeport widened if they did not open the breach between him and the southern Democrats made a Split in the convention of 1860 a foregone conclusion and thereby paved the way for Republican success and the election of Abraham Lincoln to the presidency The debate also marked the high tide of the stump method of campaigning it furnishes through the unusual space given to it in newspaper reports an Opportunity to study this unique phenomenon of frontier life while the increasing number of printing presses the extension of the mail routes and consequent change in campaign methods lend to this canvass the melancholy interest of a passing Show The speeches themselves are of a high order of debate and of unusual import those of Douglas set forth his untenable position and his impossible theory in the clearest terms those of Lincoln state the arguments of the new Republican party as they had not been outlined before and the combined effect of the whole is a survey of the political aspect of the day not to be found elsewhere About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve

*The Lincoln-Douglas Debates* Charles River Charles River Editors, 2018-02-18 Explains the central issues of the debates including the Missouri Compromise the Kansas Nebraska Act popular sovereignty and the Dred Scott Decision Includes pictures of Lincoln Douglas and other important people Explains how the famous debates were conceived and planned Explains the importance of each debate with quotes of the candidates speeches in each one Includes a Bibliography I hold that New York had as much right to abolish slavery as Virginia has to continue it and that each and every State of this Union is a sovereign power with the right to do as it pleases upon this question of slavery and upon all its domestic institutions Stephen Douglas This declared indifference but as I must think covert real zeal for the spread of slavery I cannot but hate I hate it because of the monstrous injustice of slavery itself I hate it especially because it forces so many really good men amongst ourselves into an open war with the very fundamental principles of civil liberty criticizing the Declaration of Independence and insisting that there is no right principle of action but self interest Abraham Lincoln The most famous debates in American history were held over 150 years ago and despite their fame no official transcripts were ever taken Throughout the Fall of 1858 U S Senate candidates Abraham Lincoln and Stephen Douglas participated in seven three hour debates throughout Illinois This unprecedented method of campaigning drew national attention one that is still often idealized even today among those who feel politics is too bitterly partisan The main theme of the debates was the topic being discussed across the nation slavery When Congress created the territories of Kansas and Nebraska in 1854 it allowed the citizens of those territories to vote whether the new states would be free states or slave states This idea of allowing the citizens to vote was known as popular sovereignty and it was championed by the Little Giant Stephen Douglas Casting himself as a moderate Douglas believed popular sovereignty would not divide the nation and thinking further ahead he believed slavery could not thrive in the Western territories because the land there was inhospitable to slave labor anyway However while Douglas viewed popular sovereignty as a more democratic means to solve problems the North considered popular sovereignty a deliberate attempt to circumvent the Missouri Compromise which was supposed to have banned slavery in any state above the parallel 36 30 north While Lincoln recognized the right of states to maintain slavery where it already existed he strongly opposed the expansion of slavery and argued forcefully against popular sovereignty which he thought threatened to expand slavery across the entire nation Douglas looked to blunt Lincoln's

arguments during the debates by casting him as a radical Black Republican accusing him of advocating for the social and legal equality of the races Though he opposed slavery on moral grounds Douglas also wanted to deny citizenship to all African Americans which the Supreme Court had ruled in the Dred Scott case In his rebuttal Lincoln offered one of his most quotable moments I protest against the counterfeit logic which concludes that because I do not want a black woman for a slave I must necessarily want her for a wife I need not have her for either I can just leave her alone The Lincoln Douglas Debates chronicles the two candidates famous debates explaining the historical events that preceded the debates the chronology and arguments of the debates quotes from the candidates themselves and the aftermath and legacy of the debates Along with pictures of important people places and events you will learn about the Lincoln Douglas Debates like you never have before *Examining Abraham Lincoln and Stephen Douglas's Senate Debates* Alex David, 2020-07-15 Today we think of candidates debating before being elected It is a normal part of the election process However before Abraham Lincoln and Illinois senator Stephen Douglas debates did not occur Their debates were later published in a book and Americans could read each candidate s thoughts on slavery Lincoln wanted to end slavery but Douglas wanted each state to decide for itself if slavery should exist The ensuing debates pinpoint a critical time in American history Were people going to vote to allow this inhumane institution to continue or would they agree with Lincoln and abolish it
