## **Lincolns Herndon A Biography:**

Lincoln's Herndon David Herbert Donald, 1989-03-22 Occasionally a book that begins as a work of scholarship becomes a great and profoundly moving human document This life of Lincoln s friend law partner and biographer is such a book It has a two fold focus on the Abe Lincoln in Illinois days the days of Lincoln s courting arguing and politicking and on Herndon s long and wracking fight to publish his biography in the face of poverty drive and disillusionment it achieves the impetus and grandeur of tragedy David Donald has given us a magnificent account of how a country lawyer became a national figure and what happened to the friend he left behind when he became president An impressive study of mythmakers and mythmaking this biography of William Henry Herndon a man intimately connected to movements for abolition of slavery temperance religious liberalism currency reform and women s rights is also a sweeping picture of America just before during and after the Civil War *Lincoln's Herndon* David Donald, 2013-03-05 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *Herndon's Life Of Lincoln* William Henry Herndon, Jesse Weik, 1983-08-22 **Herndon on Lincoln** William H. Herndon, 2016-01-30 After Abraham Lincoln s assassination in 1865 William H Herndon began work on a brief subjective biography of his former law partner but his research turned up such unexpected and often startling information that it became a lifelong obsession The biography finally published in 1889 Herndon s Lincoln was a collaboration with Jesse W Weik in which Herndon provided the materials and Weik did almost all the writing For this reason and because so much of what Herndon had to say about Lincoln was not included in the biography David Donald has observed To understand Herndon s own rather peculiar approach to Lincoln biography one must go back to his letters An exhaustive collection of what Herndon was told by others about Lincoln was published by Douglas L Wilson and Rodney O Davis in Herndon s Informants Letters Interviews and Statements about Abraham Lincoln In this new volume Wilson and Davis have produced a comprehensive edition of what Herndon himself wrote about Lincoln in his own letters Because of Herndon s close association with Lincoln his intimate acquaintance with his partner s legal and political careers and because he sought out informants who knew Lincoln and preserved information that might otherwise have been lost his letters have become an indispensable resource for Lincoln biography Unfiltered by a collaborator and rendered in Herndon s own distinctive voice these letters constitute a matchless trove of primary source material Herndon on Lincoln Letters is a must for libraries research institutions and students of a towering American figure and his times *Herndon's Lincoln* William Henry Herndon, Jesse William Weik, 1889 **Abraham Lincoln The True Story Of A Great Life Vol. I** H Herndon William, H. Herndon William, Jesse W. Weik, 2023-12 ABRAHAM LINCOLN The True Story of a Great Life Vol I is the first installment of a two quantity biography authored by using William H Herndon and Jesse W Weik This authoritative work offers an intimate and in depth exploration of the lifestyles and man or woman of Abraham

Lincoln the 16th President of the US William H Herndon a law companion and close buddy of Lincoln collaborated with Jesse W Weik to bring together this biography Their particular perspective as individuals who for my part knew Lincoln adds depth and authenticity to the narrative This first extent covers Lincoln s early life from his birth in a log cabin in Kentucky to his arrival in Springfield Illinois as a younger lawyer It delves into his early political career along with his involvement in the Illinois State Legislature The authors meticulous studies and first hand money owed help paint a complete photograph of Lincoln s character beliefs and development as a statesman This biography is renowned for its designated examination of Lincoln s early years and his personal and political boom

**Herndon's Lincoln** William Henry Herndon, Jesse William Weik, 1921 This work is a biography of Lincoln written by his law partner and close associate William Herndon Herndon's Lincoln William Henry Herndon, Jesse William Weik, 1921 This work is a biography of Lincoln written by his law partner and close associate William Herndon Herndon's Lincoln - The History and Personal Recollections of Abraham Lincoln by William Herndon - Vol I Abraham Lincoln, 2020-10-16 A Quarter of a century has well nigh rolled by since the tragic death of Abraham Lincoln The prejudice and bitterness with which he was assailed have disappeared from the minds of men and the world is now beginning to view him as a great historical character Those who knew and walked with him are gradually passing away and ere long the last man who ever heard his voice or grasped his hand will have gone from earth With a view to throwing a light on some attributes of Lincoln s character heretofore obscure and thus contributing to the great fund of history which goes down to posterity these volumes are given to the world If Mr Lincoln is destined to fill that exalted station in history or attain that high rank in the estimation of the coming generations which has been predicted of him it is alike just to his memory and the proper legacy of mankind that the whole truth concerning him should be known The story of his life is truthfully and courageously told nothing coloured or suppressed nothing false either written or suggested the reader will see and feel the presence of the living man He will in fact live with him and be moved to think and act with him If on the other hand the story is coloured or the facts in any degree suppressed the reader will be not only misled but imposed upon as well At last the truth will come and no man need hope to evade it There is but one true history in the world said one of Lincoln s closest friends to whom I confided the project of writing a history of his life several years ago and that is the Bible It is often said of the old characters portrayed there that they were bad men They are contrasted with other characters in history and much to the detriment of the old worthies The reason is that the Biblical historian told the whole truth the inner life The heart and secret acts are brought to light and faithfully photographed In other histories virtues are perpetuated and vices concealed If the life of King David had been written by an ordinary historian the affair of Uriah would at most have been a quashed indictment with a denial of all the substantial facts You should not forget there is a skeleton in every house The finest character dug out thoroughly photographed honestly and judged by that standard of morality or excellence which we exact for other men is never perfect Some men are cold some lewd some dishonest some cruel and many a combination of all

The trail of the serpent is over them all Excellence consists not in the absence of these attributes but in the degree in which they are redeemed by the virtues and graces of life Lincoln s character will I am certain bear close scrutiny I am not afraid of you in this direction Don t let anything deter you from digging to the bottom yet don t forget that if Lincoln had some faults Washington had more few men have less In drawing the portrait tell the world what the skeleton was with Lincoln What gave him that peculiar melancholy What cancer had he inside
