Linda McCartney. The Polaroid Diaries Ekow Eshun,2019 Following her best selling TASCHEN monograph Life in Photographs discover a more intimate and highly personal side of Linda McCartney s photographic work in The Polaroid Diaries The collection focuses on McCartney s distinctive way of seeing the world and her family through charming and quirky portraits of Paul McCartney and the couple s four children We see them pulling faces and in matching pajamas We see James pouring water on himself and Mary and Stella playing dress up There s dancing eating horse riding and countless moments of everyday life on their farm in Southern England As Paul says in the introduction She would just see things Many of her photos it s just that one click You ve got to recognise when a great photo is happening in front of you And then you ve got to snap it at exactly the right moment And she did that so many times that it always impressed me The Polaroid Diaries curates more than 200 of these right moments from the early 1970s until the mid 1990s along with a foreword by Chrissie Hynde and an essay by art critic Ekow Eshun The book also features luminous landscapes across Scotland and Arizona as well as the odd celebrity as the likes of Steve McQueen and Adam Ant wander into the frame Other pictures attest to her love of animals with compassionate images of cats lambs horses and hens It s a pre Instagram glimpse into the life of an extraordinary family a celebration of Linda s legacy as a fiercely committed artist and of the instant magic of Polaroid film Also available in a signed Collector s Edition and in two limited Art Editions each with a print numbered and signed by Paul McCartney

Conversations with Linda McCartney Sussan Evermore,Ronald Ritter,2017-01-11 We began Conversations with Linda McCartney on a quiet Sunday morning in Bath in the United Kingdom That morning I had the strong emotion to contact her through Sussan my partner I said to Sussan it might be possible that she wants to be in contact with us would she attempt to contact her and open a channel What I discovered about Linda through our forty minute channelling sessions was a very real loving person in the true sense who spoke candidly about her life with Paul and her children her death from cancer and answers to my question of how this could have happened to someone so health conscious I asked about her feelings towards Heather Mills and Paul s current wife Nancy Shevell their children and life in general The answers revealed a remarkable woman compassionate intelligent and very giving of herself towards her husband and children However what shone in all our conversations was her deep love for Paul and her enduring love for her children and their well being now and into the future Questions and answers revealed her feelings towards her

life as the wife of Paul McCartney the famous celebrity and mother of her children The reasons she saw for her passing and advice to other women regarding breast cancer Her answers are remarkable to say the least One of the questions I asked her was how would Paul react to news that we have had spiritual contact with her she shrugged her shoulders and said he would probably dismiss it The other question was how would the children react to any news of the sessions with her and the answer was they were used to media interest in them and as a close family they would also be inclined to ignore it Linda said they were all spiritual people in their own right able and capable of making their own decisions on this matter Please enjoy with an open mind the conversation with Linda and the responses to her life Bon Voyage into a world that exists beyond our known reality
