*Counties of Ontario* Emily Poynton Weaver, 1913      Ontario and Quebec's Irish Pioneers Lucille H. Campey, 2018-09-08 The compelling story of Canada's Irish pioneers revealing the enormous scope of their achievements Beginning in the eighteenth century an increasing number of Irish people sought the better life that Ontario and Quebec offered Set free from the stifling economic and social constraints that held them back in their homeland they prospered And yet strangely enough they continue to be mourned as victims In this second book of the Irish in Canada series Lucille Campey takes on the victim ridden mythology of destitute Irish immigrants fleeing the famine of the 1840s In fact the Irish influx to Quebec and Ontario began a century earlier Comprehensive and extensive research has been distilled to produce an informative and lively account of this great immigration saga whose roots date back to the time of the British Conquest of New France in 1763      **The Story of Simcoe County, Land of Holiday and History.** By Ernest C. Drury County Council (SIMCOE, County of). Tourist and Industrial Committee, Ernest Charles DRURY, 1955      **Visible Past : the Pictorial History of Simcoe County** Adelaide Leitch, 1967      **The Scottish Pioneers of Upper Canada, 1784-1855** Lucille H. Campey, 2005-05-16 Glengarry Upper Canada's first major Scottish settlement was established in 1784 by Highlanders from Inverness shire Worsening economic conditions in Scotland coupled with a growing awareness of Upper Canada's opportunities led to a growing tide of emigration that eventually engulfed all of Scotland and gave the province its many Scottish settlements Pride in their culture gave Scots a strong sense of identity and self worth These factors contributed to their success and left Upper Canada with firmly rooted Scottish traditions Individual settlements have been well observed but the overall picture has never been pieced together Why did Upper Canada have such appeal to Scots What was their impact on the province Why did they choose their different settlement locations Drawing on new and wide ranging sources author Lucille H Campey charts the progress of Scottish settlement throughout Upper Canada This book contains much descriptive information including all known passenger lists It gives details of the 550 ships which made over 900 crossings and carried almost 100 000 emigrant Scots The book describes the enterprise and independence shown by the pioneers who were helped on their way by some remarkable characters such as Thomas Talbot Lord Selkirk John Galt Archibald McNab and William Dickson Providing a fascinating overview of the emigration process it is essential reading for both historians and genealogists Scots were some of the province's earliest pioneers and they were always at the cutting edge of each new frontier They were a founding people who had an enormous influence on the province's early development I am happy to commend Lucille Campey's latest book on Scottish settlement patterns in Canada The product of meticulous research The Scottish Pioneers of Upper Canada has much to offer both genealogists and general readers as it weaves together statistical information institutional histories and personal accounts to produce a fascinating picture of the multi dimensional networks that underpinned the transatlantic movement and brought 100 000 Scots to Upper Canada during the seven decades reviewed Persistent myths of helpless exile are challenged as the preconditions and processes of emigration are analyzed along with the cultural traditions imported by

the trail blazers and border guards who laid the foundations of Canada's most populous province Marjory Harper Reader in History University of Aberdeen With a real feel for the sacrifice and the emotional turmoil of the pioneers Lucille H Campey has once again got her audience to face the raw heritage common to every Scots Canadian This is an excellent read full of fascinating detail dug from much archival research This book is another splendid addition to a series of much interest to both historians and genealogists Professor Graeme Morton Scottish Studies Foundation Chair University of Guelph
