that happened in the United States from 1910 to 1919      *The 1910s* David Blanke,2002-04-30 Surveys the broad themes and demographic trends of popular culture in America during the 1910s examines the topics of advertising architecture fashion food leisure activities literature music performing arts travel and visual arts and includes a time line of significant cultural events and a cost comparison list of common items      **Social History of the United States: The 1910s** ,2009      **History of Domestic and Foreign Commerce of the United States** Emory Richard Johnson,1915      **The Decline of Sentiment** Lea Jacobs,2008-04-02 The Decline of Sentiment seeks to characterize the radical shifts in taste that transformed American film in the jazz age Based upon extensive reading of trade papers and the popular press of the day Lea Jacobs documents the films and film genres that were considered old fashioned as well as those dubbed innovative and up to date and looks closely at the works of filmmakers such as Erich von Stroheim Charlie Chaplin Ernst Lubitsch and Monta Bell among many others Her analysis focusing on the influence of literary naturalism on the cinema the emergence of sophisticated comedy and the progressive alteration of the male adventure story and the seduction plot is a comprehensive account of the modernization of classical Hollywood film style and narrative form      Social Darwinism and Nationalism in Korea: the Beginnings (1880s-1910s) Vladimir Tikhonov,2010-07-14 The book deals with the influences Social Darwinism exerted upon Korea s modern ideologies in their formative period especially nationalism after its introduction to Korea in 1883 and before Korea s annexation by Japan in 1910 It shows that the belief in the survival of the fittest as the overarching cosmic and social principle constituted the main underpinning for the modernity discourses in Korea in the 1890s 1900s Unlike the dominant ideology of traditional Korea Neo Confucianism which was largely promoted by the scholar official elite Social Darwinism appealed to the modern intellectuals but also to the entrepreneurs providing the justification for their profit seeking activities as part of the national survival project As an ideology of Korea s nascent capitalism Social Darwinism in Korea could however hardly be called a liberal creed it clearly prioritized national survival over individual rights and interests      The Politics of Historical Production in Late Qing and Republican China Tze-ki Hon,Robert Culp,2007-08-13 By examining various forms of historical production happening outside the mainstream of academic history in early 20th century China this book shows how historical writings were central to the Chinese debate on the nation elite authority and active citizenry      **Memoirs Read Before the Boston Society of Natural History** Boston Society of Natural History,1928      *American Literature in Transition, 1910-1920* Mark W. Van Wienen,2017-12-28 *American Literature in Transition 1910 1920* offers provocative new readings of authors whose innovations are recognized as inaugurating Modernism in US letters including Robert Frost Willa Cather T S Eliot Ezra Pound Gertrude Stein H D and Marianne Moore Gathering the voices of both new and established scholars the volume also reflects the diversity and contradictions of US literature of the 1910s Literature itself is construed variously leading to explorations of jazz the movies and political writing as well as little magazines lantern slides and sports reportage One section of thematic essays cuts across genre boundaries Another section oriented to formats drills deeply into

the workings of specific media genres or forms Essays on institutions conclude the collection although a critical mass of contributors throughout explore long term literary and cultural trends where political repression race prejudice war and counterrevolution are no less prominent than experimentation progress and egalitarianism *Motor City Movie Culture, 1916-1925* Richard Abel, 2020-01-21 *Motor City Movie Culture 1916 1925* is a broad textured look at Hollywood coming of age in a city with a burgeoning population and complex demographics Richard Abel investigates the role of local Detroit organizations in producing distributing exhibiting and publicizing films in an effort to make moviegoing part of everyday life Tapping a wealth of primary source material from newspapers spatiotemporal maps and city directories to rare trade journals theater programs and local newsreels Abel shows how entrepreneurs worked to lure moviegoers from Detroit s diverse ethnic neighborhoods into the theaters Covering topics such as distribution programming practices nonfiction film and movie coverage in local newspapers with entr actes that dive deeper into the roles of key individuals and organizations this book examines how efforts in regional metropolitan cities like Detroit worked alongside California studios and New York head offices to bolster a mass culture of moviegoing in the United States 100 Years of the Nineteenth Amendment Holly J. McCammon, Lee Ann Banaszak, 2018 The year 2020 will mark the 100th anniversary of the Nineteenth Amendment giving many women in the United States the right to vote The struggle for suffrage lasted over six decades and involved more than a million women yet even at the moment of the amendment s enactment women s activists disagreed heartily over how much had been achieved whether it was necessary for women to continue organizing for political rights and what those political rights would bring Looking forward to the 100 year anniversary of the passage of the Nineteenth Amendment this collection of original essays takes a long view of the past century of women s political engagement to gauge how much women have achieved in the political arena The volume looks back at the decades since women won the right to vote to analyze the changes developments and even continuities in women s roles in the broad political sphere Ultimately the book asks two important questions about the last 100 years of women s suffrage 1 How did the Nineteenth Amendment alter the American political system and 2 How has women s engagement in politics changed over the last 100 years As the chapters reveal while women have made substantial strides in the political realm voting at higher rates than men and gaining prominent leadership roles barriers to gender equality remain Women continue to be underrepresented in political office and to confront gender bias in a myriad of political settings The contributors also remind us of the important understanding to be gained from an intersectional perspective to women s political engagement In particular several chapters discuss the failure of the Nineteenth Amendment to provide full political rights and representation to African American Latina and poorer women The work also considers women s extra institutional activism in a wide variety of settings including in the feminist civil rights environmental and far right movements As the volume traces women s forceful presence and limitations in politics over the past century it also helps us look forward to consider the next 100 years what additional victories might be won and what

new defeats will need women's response      Beyond the Screen Marta Braun, Charlie Keil, Rob King, Paul Moore, 2012-08-22  
This scholarly anthology presents a new framework for understanding early cinema through its usage outside the realm of entertainment. From its earliest origins until the beginning of the twentieth century, cinema provided widespread access to remote parts of the globe and immediate reports on important events. Reaching beyond the nickelodeon theatres, cinema became part of numerous institutions, from churches and schools to department stores and charitable organizations. Then in 1915 the Supreme Court declared moviemaking a business pure and simple, entrenching the film industry's role as a producer of harmless entertainment. In Beyond the Screen, contributors shed light on how pre-1915 cinema defined itself through institutional interconnections and publics interested in science, education, religious uplift, labor organizing, and more.
