## History Of The Unity Of Brethren:

*Dějiny Jednoty Bratrské* Rudolf Říčan, 1992      **A Companion to the Hussites** Michael Van Dussen, Pavel Soukup, 2020-01-20 The Hussites as the Bohemian reformists have come to be called became one of the most vocal and influential reform movements of the late Middle Ages with significance for the reformations of the sixteenth century and later. They represented an interchange between town and gown that was largely unprecedented in medieval Europe. Scholarship on the Hussites has a long and distinguished tradition and current studies must continually contend with a historiography that is implicated in the nationalism, confessionalism, and politics of the nineteenth and twentieth centuries. This volume gives students and scholars a clear sense of the historiography and current trends in Hussite studies as well as concise statements on major emphases in Hussite theology, ecclesiology, philosophy, and religious practice. Contributors are Eliška Bažantová, Petr Cerman, Dušan Coufal, Phillip Haberkorn, Ota Halama, David Holeton, Stephen Lahey, Jindřich Marek, Pavel Kolář, Olivier Marin, Petra Mutlová, Petr Rychter, Pavel Soukup, Michael Van Dussen, and Blanka Zilynská.      **A Dictionary of Hymnology** John Julian, 1892      **A Dictionary of Hymnology, Setting Forth the Origin and History of Christian Hymns of All Ages and Nations.** Ed. Denominations, A to J : statistics, history, doctrine, organization, and work**, 1941      **The Roman Monster** Lawrence Buck, 2014-03-01 In December 1495 the Tiber River flooded the city of Rome causing extensive drowning and destruction. When the water finally receded a rumor began to circulate that a grotesque monstrosity had been discovered in the muddy detritus: the Roman monster. The creature itself is inherently fascinating, consisting of an eclectic combination of human and animal body parts. The symbolism of these elements, the interpretations that religious controversialists read into them, and the history of the image itself help to document antipapal polemics from fifteenth-century Rome to the Elizabethan religious settlement. This study examines the iconography of the image of the Roman monster and offers ideological reasons for associating the image with the pre-Reformation Waldensians and Bohemian Brethren. It accounts for the reproduction and survival of the monster's image in fifteenth-century Bohemia and provides historical background on the topos of the papal Antichrist, a concept that Philip Melancthon associated with the monster. It contextualizes Melancthon's tract *The Pope Ass Explained* within the first five years of the Lutheran movement and documents the popularity of the Roman monster within the polemical and apocalyptic writings of the Reformation. This is a careful examination and interpretation of all relevant primary documents and secondary historical literature in telling the story of the origins and impact of the most famous monstrous portent of the Reformation era.      **Religious Bodies, 1936: Summary and detailed tables** United States. Bureau of the Census, 1941      **Community of the Cross** Craig D.

Atwood,2010-11-01 Bethlehem Pennsylvania was a unique colonial town It was the first permanent outpost of the Moravians in North America and served as the headquarters for their extensive missionary efforts It was also one of the most successful communal societies in American history Bethlehem was founded as a congregation of the cross where all aspects of personal and social life were subordinated to the religious ideal of the community In Community of the Cross Craig D Atwood offers a convincing portrait of Bethlehem and its religion Visitors to Bethlehem such as Benjamin Franklin remarked on the orderly and peaceful nature of life in the community its impressive architecture and its high culture However many non Moravians were embarrassed or even offended by the social and devotional life of the Moravians The adoration of the crucified Jesus especially his wounds was the focus of intense devotion for adults and children alike Moravians worshiped the Holy Spirit as Mother and they made the mystical marriage to Christ central to their marital intimacy Everything even family life was to be a form of worship Atwood reveals the deep connection between life in Bethlehem and the religious symbolism of controversial German theologian Nicholas von Zinzendorf whose provocative and erotic adoration of the wounds of Jesus was an essential part of private and communal life Using the theories of Ren Girard Mary Douglas and Victor Turner Atwood shows that it was the Moravians liturgy and devotion that united the community and inspired both its unique social structure and its missionary efforts

*Finding the Middle Way* Zdeněk V. David,2003-07-29 Can an orthodox Christian creed and ritual be combined with a liberal church administration and a tolerant civic acceptance of not so orthodox views and practices This question perennial among Catholics for the past two centuries and the goal of the Anglican quest for a via media finds an affirmative answer in Zdenek V David s history of the Utraquist church of fifteenth and sixteenth century Bohemia This church declared its autonomy from the Roman church in 1415 after the Bohemian preacher Jan Hus who had decried clerical abuses and opposed the pope s doctrinal and juridical authority was condemned by a Roman church council and executed Sometimes called Hussitist a usage David attacks for exaggerating Hus s role Utraquist is the Latinized form of the Czech name its adherents used this Bohemian church administered its institutions and educated and managed its clergy independently of Rome for the next two hundred years David s book focuses on the middle course steered by the Utraquists after the onset of the Protestant Reformation It rejected core Protestant beliefs such as salvation by faith alone and practices going so far in emphasizing apostolic succession as to have its new priests ordained by Latin rite or in a few cases Eastern rite Uniate bishops At the same time the Utraquists pursued their orthodoxy by disputation rather than hurling anathemas and lived alongside Lutherans the Unity of Brethren and others Ultimately the Utraquist church was reabsorbed into Roman Catholicism and its special features repressed in the Counter Reformation

*The Dispersion* Stéphane Dufoix,2016-11-28 Winner of the 2017 Choice Outstanding Academic Title Award In *The Dispersion* St phane Dufoix skillfully traces how the word diaspora first coined in the third century BCE has over the past three decades developed into a contemporary concept often considered to be ideally suited to grasping the complexities of our current world Spanning two millennia from the

Septuagint to the emergence of Zionism from early Christianity to the Moravians from slavery to the defence of the Black cause from its first scholarly uses to academic ubiquity from the early negative connotations of the term to its contemporary apotheosis St phane Dufoix explores the historical socio semantics of a word that perhaps paradoxically has entered the vernacular while remaining poorly understood *A Time of Sifting* Paul Peucker,2015-06-19 At the end of the 1740s the Moravians a young and rapidly expanding radical Pietist movement experienced a crisis soon labeled the Sifting Time As Moravian leaders attempted to lead the church away from the abuses of the crisis they also tried to erase the memory of this controversial and embarrassing period Archival records were systematically destroyed and official histories of the church only dealt with this period in general terms It is not surprising that the Sifting Time became both a taboo and an enigma in Moravian historiography In *A Time of Sifting* Paul Peucker provides the first book length in depth look at the Sifting Time and argues that it did not consist of an extreme form of blood and wounds devotion as is often assumed Rather the Sifting Time occurred when Moravians began to believe that the union with Christ could be experienced not only during marital intercourse but during extramarital sex as well Peucker shows how these events were the logical consequence of Moravian teachings from previous years As the nature of the crisis became evident church leaders urged the members to revert to their earlier devotion of the blood and wounds of Christ By returning to this earlier phase the Moravians lost their dynamic character and became more conservative It was at this moment that the radical Pietist Moravians of the first half of the eighteenth century reinvented themselves as a noncontroversial evangelical denomination *The Oxford Handbook of the Protestant Reformations* Ulinka Rublack,2017 This Handbook takes a broad overview of the Protestant Reformations seeing them as movements which stretched far beyond their European beginnings Written by a team of international scholars of history and theology the contributions offer up to date perspectives on Reformation ideas and the lasting historical impact of Protestantism **Religious Bodies: 1936** United States. Bureau of the Census,1941 **A Companion to the Reformation in Central Europe** Howard Louthan,Graeme Murdock,2015-09-17 A Companion to the Reformation in Central Europe analyses the diverse Christian cultures of the Polish Lithuanian Commonwealth the Czech lands Austria and lands of the Hungarian kingdom between the 15th and 18th centuries It establishes the geography of Reformation movements across this region and then considers different movements of reform and the role played by Protestant Catholic and Orthodox clergy This volume examines different contexts and social settings for reform movements and investigates how cities princely courts universities schools books and images helped spread ideas about reform This volume brings together expertise on diverse lands and churches to provide the first integrated account of religious life in Central Europe during the early modern period Contributors are Phillip Haberkern Maciej Ptaszy ski Astrid von Schlachta M rta Fata Natalia Nowakowska Luka Ili Michael Springer Edit Szegedi Mih ly Bal zs Rona Johnston Gordon Howard Louthan Tadhg hAnnrach in Liudmyla Sharipova Alexander Schunka Rudolf Schl gl V clav B ek Mark Hengerer Michael Tworek P l cs Maria Cr ciun Gra yna Jurkowlanec
