Art Book News Annual, volume 4: 2008 *Art Book News Annual, volume 4: 2008* , The Elementary School Library Collection, Phases 1-2-3 ,1998 **The British National Bibliography** Arthur James Wells,2009 Aboriginal Art and Australian Society Laura Fisher,2016-05-30 This book is an investigation of the way the Aboriginal art phenomenon has been entangled with Australian society s negotiation of Indigenous people s status within the nation Through critical reflection on Aboriginal art s idiosyncrasies as a fine arts movement its vexed relationship with money and its mediation of the politics of identity and recognition this study illuminates the mutability of Aboriginal art s meanings in different settings It reveals that this mutability is a consequence of the fact that a range of governmental activist and civil society projects have appropriated the art s vitality and metonymic power in national public culture and that Aboriginal art is as much a phenomenon of visual and commercial culture as it is an art movement Throughout these examinations Fisher traces the utopian and dystopian currents of thought that have crystallised around the Aboriginal art movement and which manifest the ethical conundrums that underpin the settler state condition **Master Narratives and their Discontents** James Elkins,2013-10-18 In this bracing engagement with the many versions of art history James Elkins argues that the story of modernism and

postmodernism is almost always told in terms of four narratives Works of art are either seen as modern or postmodern or praised for their technical skill or because of the politics they appear to embody These are master narratives of contemporary criticism and each leads to a different understanding of what art is and does Both a cogent overview of the state of thinking about art and a challenge to think outside the art historical box Master Narratives and their Discontents is the first volume in a series of short books on the theories of modernism by leading art historians on twentieth century art and art criticism
