The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland

The Northern Ireland Conflict on the Margins of History Kenneth Funston, Cillian McGrattan, 2025-05-01 Assessing the impact of paramilitary violence on border Protestants in Northern Ireland remains a critically overlooked part of the region s history Remembered through a framework of memory that blurs the boundary between victim and perpetrator existing scholarship often disempowers border Protestants by obscuring their experience under the Provisional IRA s campaign This re examination of the conflict illuminates how the Troubles impacted the Protestant community s physical economic and cultural presence in the border counties Combining oral history with a broader assessment of the Provisional campaign this book presents a compelling case

study for viewing this violence as a form of ethnic cleansing A Cultural History of Genocide in the Long Nineteenth Century David Meola,2023-05-04 The long 19th century approximately 1750 to 1918 was one of significant existential change for peoples across the globe The beginning of this period saw the expansion of empires and shortly thereafter the Euro American Enlightenment brought about calls for revolutions and the rights of man The events and ideas made way for empire and the creation of the nation state European states primarily concentrated their aggressive colonization in the Global South bringing mostly white metropolitans and settlers into intimate contact with diverse African Asian and American populations The inherent violence of imperialism eventually ushered in flashpoints of conflict as well as indentured servitude racial segregation ecological destruction and genocide throughout Europe s overseas empires While communal destruction functioned as a central element of 19th century genocides colonial governments also used other methods to destroy indigenous life such as forced assimilation language adoption religious instruction and economic subjugation Memories of these atrocities have since contributed both to systemic violence in subsequent decades and to education about these events in the hope of genocide prevention Yet for all of the violence a spirit of humanitarianism developed alongside these vile actions that tried to reverse the policies of states and help the aggrieved A/AS Level History for AQA Challenge and Transformation: Britain, c1851-1964 Student Book Thomas Dixon,Rosemarie Little,Alan Gillingham,2016-06-30 A new series of bespoke full coverage resources developed for the AQA 2015 A AS Level History Written for the AQA A AS Level History specifications for first teaching from 2015 this print Student Book covers the Challenge and Transformation Britain c1851 1964 Breadth component Completely matched to the new AQA specification this full colour Student Book provides valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes **Out of History** Christina Hunt Mahony,2006 The essays address Barry s engagement with the contemporary cultural debate on Ireland and also with issues that inform postcolonial critical theory Jacket *Family and Farm in Pre-Famine Ireland* Kevin O'Neill,2003-04 Now available in paperback Kevin O Neill s highly praised study of rural Ireland in the years leading up to the Great Hunger of the 1840s explicates the social economic and demographic conditions of the era He argues that overpopulation and deprivation were inextricably linked to a third variable the rapid economic development of rural Ireland that was shaped by British interests **Charles Stewart Parnell and His Times** N. C. Fleming,Alan O'Day,2011-07-06 Charles Stewart Parnell 1846 1891 wrote remarkably little about himself but he has attracted the attention of many writers politicians and scholars both during his lifetime and ever since His controversial and provocative role in Irish and British affairs had him vilified as a murderer in The Times and afterwards dramatically vindicated by the Westminster Parliament It cast him as a romantic hero to the young James Joyce and a self serving opportunist to the journalists of the Nation Parnell has been the subject of court cases parliamentary enquiries and debates

journalism plays poems literary analysis and historical studies For the first time all these have been collected catalogued and cross referenced in one volume an invaluable resource for scholars of late nineteenth century Ireland and Britain Divided into fifteen chapters including a biographical sketch the volume contains information on manuscript and archival collections printed primary sources Parnell s writing Parnell s speeches in the House of Commons and outside Parliament contemporary journalism contemporary writing and contemporary illustrations on Irish affairs and a substantial list of scholarly work including biographies books articles chapters and theses This volume offers readers a clear record of the substantial material already available on Parnell and in doing so offers resources to future research in this area *Liffey and Lethe* Patrick R. O'Malley,2017-03-01 Focusing on literary and cultural texts from the late eighteenth century to the early twentieth Patrick R O Malley argues that in order to understand both the literature and the varieties of nationalist politics in nineteenth century Ireland we must understand the various modes in which the very notion of the historical past was articulated He proposes that nineteenth century Irish literature and culture present two competing modes of political historiography one that eludes the unresolved wounds of Ireland s violent history through the strategic representation of a unified past that could be the model for a liberal future and one that locates its roots not in a culturally triumphant past but rather in an account of colonial and specifically sectarian bloodshed and insists upon the moral necessity of naming that history From myths of pre Christian Celtic glories to medieval Catholic scholarship to the rise of the Protestant Ascendancy to narratives of colonial violence against Irish people by British power Irish historiography strove to be the basis of a new nationalism following the 1801 Union with Great Britain and yet it was itself riven with contention Late Victorian Literary Collaboration Annachiara Cozzi,2024-07-22 An exciting new contribution to the expanding but still largely uncharted territory of collaboration studies Late Victorian Literary Collaboration is the first book length study of the trend for collaborative writing that emerged in the last decades of the nineteenth century As a result of the rapidly growing literary market the years between 1870 and the turn of the century witnessed an unprecedented flow of collaboratively written novels In the 1890s co authorship became a craze with literary partnerships multiplying and fiction co written by twenty and more authors appearing in the pages of popular magazines By 1900 however the trend had already reversed and it quickly slipped into oblivion Late Victorian Literary Collaboration investigates the factors that made the period so conducive to collaboration tracing the reasons for its success and subsequent decline Drawing on a vast range of original sources the book discusses and compares different models of collaboration from life long exclusive partnerships to one time widely advertised collaborative ventures between best selling novelists It deals with authors such as Walter Besant Somerville and Ross Andrew Lang H R Haggard and Rhoda Broughton all favourites of the Victorian public but subsequently neglected and only recently reevaluated By unpacking the debate that developed around co authorship in the periodical press of the time the book also sheds light on how collaborative authorship was imagined by the general public and illustrates how the trend effectively if temporarily challenged Victorian assumptions

The Oxford Handbook of Late Colonial Insurgencies and

Counter-Insurgencies Martin Thomas, Gareth Curless, 2023 Beginning with Britain's 1948 declaration of a Malayan Emergency and ending with the 1973 withdrawal of US ground troops from Vietnam this Handbook connects ideas about contested decolonization and the insurgencies that inspired it with an analysis of patterns and singularities in the conflicts that precipitated the collapse of overseas empires

Handbook of the English Novel of the Twentieth and

Twenty-First Centuries Christoph Reinfandt, 2017-06-12 The Handbook systematically charts the trajectory of the English novel from its emergence as the foremost literary genre in the early twentieth century to its early twenty first century status of eccentric eminence in new media environments Systematic chapters address The English Novel as a Distinctly Modern Genre The Novel in the Economy Genres Gender performativity masculinities feminism queer and The Burden of Representation class and ethnicity Extended contextualized close readings of more than twenty key texts from Joseph Conrad's *Heart of Darkness* 1899 to Tom McCarthy's *Satin Island* 2015 supplement the systematic approach and encourage future research by providing overviews of reception and theoretical perspectives

Transforming Violent Political Movements

Kevin E. Grisham, 2014-03-21 This book explores the factors that influence violent rebellious political organisations to transform into other entities such as political parties criminal organisations and terrorist organisations From the end of the Second World War until 1990 many events in the world centred on the bipolar struggle between the United States and the USSR Although there were numerous civil wars occurring during the Cold War era many of these conflicts went virtually unnoticed unless they were linked to the Cold War struggle for ideological dominance In the aftermath of the fall of the Soviet Union the number of intra state conflicts was prevalent around the globe Along with the occurrence of civil wars a variety of violent political movements also developed Examining cases from Latin America Africa Europe and Asia this book addresses how violent political movements transform during and after conflict into new types of organisations using the collective political violence transformative CPVT model The study uses a combination of pre existing literature from the fields of sociology and political science archival research and interviews with movement members former and active conducted by the author In studying the Provisional IRA and Sinn Féin in the Spear of the Nation MK and the African National Congress ANC the Abu Sayyaf Group and the Revolutionary Armed Forces of Colombia FARC EP Transforming Violent Political Movements paints a picture of organisations that have to respond to their environments to survive This book will be of much interest to students of political violence terrorism war and conflict studies security studies and IR

Elizabeth Bowen Neil

Corcoran, 2004-09-16 Elizabeth Bowen is a writer who is still too little appreciated Neil Corcoran presents here a critical study of her novels short stories family history and essays and shows that her work both inherits from the Modernist movement and transforms its experimental traditions Elizabeth Bowen *The Enforced Return* explores how she adapts Irish Protestant Gothic as a means of interpreting Irish experience during the Troubles of the 1920s and the Second World War

and also as a way of defining the defencelessness of those enduring the Blitz in wartime London She employs versions of the Jamesian child as a way of offering a critique of the treatment of children in the European novel of adultery and indeed implicitly of the Jamesian child itself Corcoran relates the various kinds of return and reflex in her work notably the presence of the supernatural but also the sense of being haunted by reading to both the Freudian concept of the return of the repressed and to T S Eliot's conception of the auditory imagination as a return to the origin Making greater interpretative use of extra fictional materials than previous Bowen critics notably her wartime reports from neutral Ireland to Churchill's government and the diaries of her wartime lover the Canadian diplomat Charles Ritchie Corcoran reveals how her fiction merges personal story with public history Employing a wealth of original research his radical new readings propose that Bowen is as important as Samuel Beckett to twentieth century literary studies a writer who returns us anew to the histories of both her time and ours

Shades of Blue Félix Krawatzek, Friedemann Pestel, Rieke Trimcev, Gregor Feindt, 2025-02-15 In Shades of Blue Félix Krawatzek, Friedemann Pestel, Rieke Trimcev and Gregor Feindt investigate the political project of Europe as it oscillates between the extremes of expectations of an ever wider integration and fear of disintegration The authors interrogate and chart the space between these polarities by tracking the many competing conceptions of Europe in European public discourse and relate these meanings to national regional and ideological divisions Based on qualitative discourse analyses of newspaper articles from six European Union member states between 2004 and 2023 Shades of Blue shifts how we think about Europe's integration and disintegration and offers a new perspective on Europeanization With twelve debates chronicling Europe's past and discussing the implications for Europe's future these authors uncover how politicians intellectuals and journalists negotiate European senses of belonging Shades of Blue moves beyond the binaries of hope and despair to uncover a more nuanced picture of Europe

Northern Ireland and the Politics of Reconciliation

Dermot Keogh, Michael H. Haltzel, 1993 This collection adds to the extensive literature on Northern Ireland and Ireland by bringing together the leading academic and political figures working in the field and offering a comprehensive multidisciplinary overview of the historical process The topics discussed include the remote and proximate causes of the conflict fresh developments within the two states on the island the role of the Roman Catholic Church the rise of the ecumenical movement and the impact of the 1985 Anglo Irish Agreement on the triangular relationship between Dublin Belfast and London The volume concludes with an evaluation of likely impact of membership of the European Community on the conflict in Northern Ireland The contributors to this book do not offer any easy solutions but provide a context in which the problem may be better understood by the international scholarly community and by the interested general reader

The European Union and the Northern Ireland Peace Process Giada Lagana, 2020-10-26 This book examines the economic and political contributions of the EU to the Northern Ireland peace process tracing the genesis of EU involvement since 1979 and analysing how it acted as an arena in which to foster dialogue and positive cooperation Based on extensive

archival research and exclusive elite interviews this volume provides the first comprehensive study of how the EU contributed to the reconfiguration of Northern Ireland from a site of conflict to a site of conflict amelioration and peace building The book demonstrates that the relationship between Northern Ireland and the EU has been much more significant in the peace process than previously suggested **The London Mercury** Sir John Collings Squire,1924 **Outrage in the Age of Reform** Jay R. Roszman,2022-09-22 Reveals how fear of Irish agrarian violence fundamentally shaped British political culture during the pivotal period of 19th century reform **Making Ireland English** Jane Ohlmeyer,2012-06-26 This groundbreaking book provides the first comprehensive study of the remaking of Ireland s aristocracy during the seventeenth century It is a study of the Irish peerage and its role in the establishment of English control over Ireland Jane Ohlmeyer s research in the archives of the era yields a major new understanding of early Irish and British elite and it offers fresh perspectives on the experiences of the Irish English and Scottish lords in wider British and continental contexts The book examines the resident peerage as an aggregate of 91 families not simply 311 individuals and demonstrates how a reconstituted peerage of mixed faith and ethnicity assimilated the established Catholic aristocracy Tracking the impact of colonization civil war and other significant factors on the fortunes of the peerage in Ireland Ohlmeyer arrives at a fresh assessment of the key accomplishment of the new Irish elite making Ireland English
