Excerpt from History of the First Maine Cavalry 1861 1865 As you glance down the roster of your company and find there names you had not thought of for years in the hurry and bustle of every day life and as these bring up the old scenes Once more thank the comrades of your company who assisted in their preparation who kindly hunted up the old rolls and diaries and brought memory to bear upon them until they awoke to new life and after the facts were gathered and arranged kindly revised the rosters that they might be made as correct and complete as possible after all these years As you look upon the fields of Upperville and of Dinwiddie and live over again those terrible days remember kindly the comrades through whose efforts and generosity they are here presented to you Comrades you may now proceed to inspect the work If you take as much pleasure in reading your own history as I have in preparing it I shall be more than satisfied God bless each and every comrade of the gallant First Maine Cavalry About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *HIST OF THE 1ST MAINE CAVALRY* Edward P. Arnold-Friend,US Army Military History Institute,1982 *The Maine Bugle* ,1897 *Horse Soldiers at Gettysburg* Daniel Murphy,2023-06-01 Cavalry operations during the Gettysburg campaign have been well covered but never like this Most cavalry treatments of the campaign and battle have focused on strategy operations and tactics and zoomed in on particular episodes the Battle of Brandy Station in June 1863 the largest cavalry engagement on American soil Jeb Stuart s controversial ride for glory that

deprived Lee of important intelligence for days Union cavalry general John Buford's role in the start of the battle on July 1 and the cavalry battle involving not only Stuart but also George Armstrong Custer east of Gettysburg on July 3 Daniel Murphy's book covers the grand sweep of cavalry in the Gettysburg campaign from Lee's crossing of the Rappahannock in early June 1863 through the epic three day clash in Pennsylvania to the conclusion of Lee's retreat in July 1863 But more than that in a book blending strategy and tactics and campaign narrative with deep research in primary sources and an equestrian's sense for what it's like to ride and manage horses Daniel Murphy brings a horseman's eye to the story of the campaign how individual cavalymen experienced the campaign from the saddle and how horses with special needs for care and maintenance were in fact weapons that helped shape battles In this new narrative of Civil War cavalry author Daniel Murphy gets into the saddle and explores what it was like to be a cavalryman during the Gettysburg campaign Horse soldiering was a unique way of doing battle and Murphy gives it more justice and nuanced description than any author has yet given it

Union Cavalryman 1861-65 Philip Katcher, 2013-10-20 The bombardment by Confederate artillery of Fort Sumter on 12 April 1861 was the spark that finally ignited the American Civil War quickly bringing thousands of eager volunteers for the Union cause It proved especially easy to raise cavalry since recruits naively believed that their military duties would be easier than in the infantry This book investigates all aspects of the life and experiences of a Union trooper covering enlistment training uniforms weapons cavalry tactics and the discrepancy between the recruit's view of swashbuckling charges and heroic hand to hand combat and the less glorious reality **Journey to Armageddon** Kevin A.

Campbell, 2019-06-05 Once again the soldiers officers and commanders tell the story in this third volume of Kevin Campbell's comprehensive work on the Gettysburg Campaign Journey to Armageddon The hardships comradeship short rations and the dance with the enemy's bullets and shells are all here Blistering sun drenching rains chocking dust sticky mud played out horses and men and the high level often inharmoniousness communications between army commanders and their governments are presented in these pages Fortunately not all is despair and doom Included are the sometimes humorous interactions with the civilians met along their journey and the acrimony that frequently filled encounters between hungry soldiers and the administrators of the villages and towns they passed through The tales told by these hardy men about the events of their existence are significant elements within the story of the Gettysburg Campaign which author Kevin Campbell tells in a clear and concise prose Most historians who write of the great crusade gloss over these events in favor of the more prominent proceedings in and around Gettysburg These often ignored events and much more are incorporated into his complete treatment of the Union and Confederate armies on their journey to Armageddon **The Spotsylvania Campaign**

Gary W. Gallagher, 2010-02-01 The Spotsylvania Campaign was a crucial period in the protracted confrontation between

Ulysses S Grant and Robert E Lee in spring 1864 Approaching the campaign from a variety of perspectives the contributors to this volume explore questions regarding high command tactics and strategy the impact of continuous fighting on officers and soldiers in both armies and the ways in which some participants chose to remember and interpret the campaign They offer insight into the decisions and behavior of Lee and of Federal army leaders the fullest descriptions to date of the horrific fighting at the Bloody Angle on May 12 and a revealing look at how Grant used his memoirs to counter Lost Cause interpretations of his actions at Spotsylvania and elsewhere in the Overland Campaign The contributors are William A Blair Peter S Carmichael Gary W Gallagher Robert E L Krick Robert K Krick William D Matter Carol Reardon and Gordon C Rhea
