History Of The Ussr:

The Soviet Colossus Michael Kort,1990 A History of the Soviet Union Geoffrey A. Hosking,1985 *A Short History of the USSR* S. O. Schmidt,Константин Николаевич Тарновский,Илья Борисович Берхин,1984 **A History of the Soviet Union, 1945-1991** John L. H. Keep,2002 Described as one of the most tragic human experiences in human history the Soviet Union as an empire holds much intrigue and fascination for the Western world It held unquestionable status as an empire with its coverage of over 100 nationalities Its status as the Last of the Empires depends on what the future may hold but any future empires will undoubtedly be based on intellectual and institutional foundations far different from those developed during the Soviet era Here John Keep presents the narrative history of the USSR from the last years of Stalin to the checkered fate of Gorbachev s reform policies and the ultimate collapse of the empire under manifold centrifugal pressures Focusing upon political economic social and cultural developments the book is divided into four parts the last years of Stalin Nikita Krushchev s abortive attempts to reform Communist rule the years 1964 1985 covered largely by Breshnev s long tenure of power and lastly Gorbachev s abortive attempts to promote a reformed democratic communism **A History of the Soviet Union** David MacKenzie,Michael W. Curran,1990 The book provides sound and detailed information on political and diplomatic history as well as on economic social intellectual and cultural history The second edition includes more material on minority peoples and continues the full coverage of women This volume will be the most current and concise of the Soviet history texts available **A History of the Soviet Union from the Beginning to the End** Peter Kenez,2006-05-01 An examination of political social and cultural developments in the Soviet Union The book identifies the social tensions and political inconsistencies that spurred radical change in the government of Russia from the turn of the century to the revolution of 1917 Kenez envisions that revolution as a crisis of authority that posed the question Who shall govern Russia This question was resolved with the creation of the Soviet Union Kenez traces the development of the Soviet Union from the Revolution through the 1920s the years of the New Economic Policies and into the Stalinist order He shows how post Stalin Soviet leaders struggled to find ways to rule the country without using Stalin s methods but also without openly repudiating the past and to negotiate a peaceful but antipathetic coexistence with the capitalist West In this second edition he also examines the post Soviet period tracing Russia s development up to the time of publication *Soviet Disunion* Bohdan Nahaylo,Victor Swoboda,1990 Ethnic upheaval throughout the USSR now threatens the very reforms introduced by Gorbachev and may well decide the fate of his government This volume describes the histories of the suppressed and angry nationalities their drive for the restoration of national rights and the implications for the future Annotation copyrighted by Book News Inc Portland OR **History of the USSR** И[И]риі Stepanovich Kukushkin,1981 **The First Socialist Society** Geoffrey A. Hosking,1993 The First Socialist Society is the compelling and often tragic history of what Soviet citizens have lived through from 1917 to the present told with great sympathy and perception It ranges

over the changing lives of peasants urban workers and professionals the interaction of Soviet autocrats with the people the character and role of religion law education and literature within Soviet society and the significance and fate of various national groups As the story unfolds we come to understand how the ideas of Marxism have been changed taking on almost unrecognizable forms by unique political and economic circumstances Hosking s analysis of this vast and complex country begins by asking how it was that the first socialist revolution took place in backward autocratic Russia Why were the Bolsheviks able to seize power and hold on to it The core of the book lies in the years of Stalin s rule how did he exercise such unlimited power and how did the various strata of society survive and come to terms with his tyranny The later chapters recount Khrushchev s efforts to reform the worst features of Stalinism and the unpredictable effects of his attempts within the East European satellite countries bringing out elements of socialism that had been obscured or overlaid in the Soviet Union itself And in the aftermath of the long Brezhnev years of stagnation and corruption the question is posed can Soviet society find a way to modify the rigidities inherited from the Stalinist past

The Shortest History of the Soviet Union Sheila Fitzpatrick,2022 In 1917 Bolshevik revolutionaries came to power in the war torn Russian Empire in a way that defied all predictions including their own Scarcely a lifespan later in 1991 the Soviet Union collapsed as accidentally as it arose The decades between witnessed drama on an epic scale the chaos and hope of revolution famines and purges hard won victory in history s most destructive war and worldwide geopolitical conflict all entwined around the dream of building a better society This book is a lively and authoritative distillation of this complex history told with vivid details a grand sweep and wry wit The acclaimed historian Sheila Fitzpatrick chronicles the Soviet Age its rise reign and unexpected fall as well as its afterlife in today s Russia She underscores the many ironies of the Soviet experience An ideology that claimed to offer humanity the reins of history wrangled with contingency An avowedly internationalist and anti imperialist state birthed an array of nationalisms And a vision of transcending economic and social inequality and injustice gave rise to a country that was in its way surprisingly normal Moving seamlessly from Lenin to Stalin to Gorbachev to Putin The Shortest History of the Soviet Union provides an indispensable guide to one of the twentieth century s great powers and the enduring fascination it still exerts

A History of the U.S.S.R. Anna Mikhaïlovna Pankratova,1970 *History of the Communist Party of the Soviet Union (Bolsheviks)* Joseph Stalin,2013-07-05 Joseph Stalin s history of the Communist Party of the Soviet Union first published in 1938 Colloquially known as the Short Course it was the most widely disseminated book during the reign of Joseph Stalin It s commonly cited along with The Foundations of Leninism as the most important work expressing the ideology of the USSR under Stalin The original Russian edition was sold at a price equivalent to that of 1 5 liters of milk

A History of the Soviet Union from the Beginning to Its Legacy Peter Kenez,2016-10-24 This concise yet comprehensive textbook examines political social and cultural developments in the Soviet Union and the post Soviet period It begins by identifying the social tensions and political inconsistencies that spurred radical change in Russia s government from the turn

of the century to the revolution of 1917 Peter Kenez presents this revolution as a crisis of authority that the creation of the Soviet Union resolved The text traces the progress of the Soviet Union through the 1920s the years of the New Economic Policies and into the Stalinist order It illustrates how post Stalin Soviet leaders struggled to find ways to rule the country without using Stalin s methods but also without openly repudiating the past and to negotiate a peaceful but antipathetic coexistence with the capitalist West This updated third edition includes substantial new material discussing the challenges Russia currently faces in the era of Putin

The Uses of History Alexander Dallin, 2009 Exploring Soviet and Russian history politics and foreign policy The Uses of History brings together the classic essays of renowned scholar Alexander Dallin The author provides insightful analysis and nuanced interpretations of such key and controversial issues as the domestic sources of Soviet foreign policy Stalin s leadership in World War II Russian American relations in the Reagan era the causes of the collapse of the USSR and the disappointments of Russia s post Soviet evolution With his incisive assessment of the biases and blunders in American interpretations Dallin rejects single factor explanations for Soviet and Russian domestic and foreign policies instead examining the complex interplay of internal and external conditions institutions mindsets and the role of individual leaders All readers interested in Soviet and post Soviet history will find this collection a stimulating and deeply knowledgeable resource

History of the USSR ,1977 **Education and Social Mobility in the Soviet Union 1921-1934** Sheila Fitzpatrick, 2002-05-16 A history of Soviet education policy 1921 34 this is a sequel to the author s highly praised Commissariat of Enlightenment

Late Quaternary Environments of the Soviet Union Andreĭ Alekseevich Velichko, Herbert Edgar Wright, C. W. Barnosky, 1984-01-01 Translation from the Russian 30 papers by various authors covering the time range from the last interglaciation through the various phases of the last glaciation and up to the present time dealing not only with the history of ice sheet and mountain glaciation but also with loess deposits and permafrost features of the periglacial areas the complex history of the inland seas the sequence of vegetation the distribution of mammal and insect faunas the development of human cultures and the reconstruction of climatic changes
