Words on Cassette ,2000      War on Film: Military History Education, Video Tapes, Motion Pictures, and Related Audiovisual Aids ,1987 This bibliography is a listing of selected unclassified government and commercially produced motion picture films videotapes and related audiovisual materials that support the teaching of American military history It is designed to serve as a resource tool to assist instructors within the TRADOC Military History Education Program Partial contents General Military history Military technology Military Commanders and personalities Unit histories Colonial America to 1861 Civil War and Spanish American War World War I and between the wars World War II Korean War and the Cold war Vietnam War to the Present Hollywood Films      **Spike Milligan** Pauline Scudamore,2003-02-08 Biography of Spike Milligan      Words on Cassette, 1999 Bowker Editorial Staff,Staff Bowker R R,Bowker,1999-02      **On Cassette** ,1991

**Books Out Loud** ,2007      Ostkrieg Stephen Fritz,2011-10-14 On June 22 1941 Germany launched the greatest land assault in history on the Soviet Union an attack that Adolf Hitler deemed crucial to ensure German economic and political survival As the key theater of the war for the Germans the eastern front consumed enormous levels of resources and accounted for 75 percent of all German casualties Despite the significance of this campaign to Germany and to the war as a whole few English language publications of the last thirty five years have addressed these pivotal events In Ostkrieg Hitler s War of Extermination in the East Stephen G Fritz bridges the gap in scholarship by incorporating historical research from the last several decades into an accessible comprehensive and coherent narrative His analysis of the Russo German War from a German perspective covers all aspects of the eastern front demonstrating the interrelation of military events economic policy resource exploitation and racial policy that first motivated the invasion This in depth account challenges accepted notions about World War II and promotes greater understanding of a topic that has been neglected by historians      **Educational Resources on the Holocaust** ,1987      **Resisters** Wolf Gruner,2023-01-01 A highly original and compelling account of individual Jews who resisted Nazi persecution challenging the traditional portrayal of Jewish passivity during the Holocaust Finalist for the National Jewish Book Award Holocaust category These are the stories that longtime readers of Holocaust literature have been waiting to read evidence of small covert acts of resistance often by individuals working on their own initiative against a fanatically coordinated genocidal force Library Journal starred review Drawing on twelve years of research in dozens of archives in Austria Germany Israel and the United States this book tells the story of five Jewish people a merchant a homemaker a real estate broker and two teenagers who bravely resisted persecution and defended themselves in Nazi Germany These stories have not been told until now and each case is one of many as Gruner shows by resurfacing similar accounts of Jewish refusal to accept persecution and violence in Germany and Austria between 1933 and 1943 upending the notion of passive Jews and expanding the concept of resistance Each individual described here represents a category of resistance written opposition oral protest contesting Nazi propaganda defiance of anti Jewish laws and measures

and self defense against physical attacks Many of these courageous acts resulted in the resisters being prosecuted and put on trial and often receiving harsh punishments while some led to acquittal by courts and others to changes in Nazi policies Taken together these accounts reframe our understanding of German Jewish attitudes during the Holocaust while also providing an astonishing examination of the complex Nazi reactions to the many individual acts of Jewish resistance

*Hitler's Priestess* Nicholas Goodrick-Clarke,2000-10 As one of the earliest of Holocaust deniers and the first to suggest that Adolf Hitler was an avatar a god come to earth in human form to restore the world to a golden age Devi s appeal to neo Nazi sects lies in the very eccentricity of her thought combining Aryan supremacism and anti Semitism with Hinduism social Darwinism animal rights and a fundamentally biocentric view of life Publisher informationt      **Teaching about the Holocaust : a resource book for educators.** ,      Culture in Nazi Germany Michael H. Kater,2019-05-21 A much needed study of the aesthetics and cultural mores of the Third Reich rich in detail and documentation Kirkus Reviews Culture was integral to the smooth running of the Third Reich In the years preceding WWII a wide variety of artistic forms were used to instill a Nazi ideology in the German people and to manipulate the public perception of Hitler s enemies During the war the arts were closely tied to the propaganda machine that promoted the cause of Germany s military campaigns Michael H Kater s engaging and deeply researched account of artistic culture within Nazi Germany considers how the German arts and letters scene was transformed when the Nazis came to power With a broad purview that ranges widely across music literature film theater the press and visual arts Kater details the struggle between creative autonomy and political control as he looks at what became of German artists and their work both during and subsequent to Nazi rule Absorbing chilling study of German artistic life under Hitler The Sunday Times There is no greater authority on the culture of the Nazi period than Michael Kater and his latest most ambitious work gives a comprehensive overview of a dismally complex history astonishing in its breadth of knowledge and acute in its critical perceptions Alex Ross music critic at The New Yorker and author of The Rest is Noise Listed on Choice s Outstanding Academic Titles List for 2019 Winner of the Jewish Literary Award in Scholarship      **Films and Other Materials for Projection** Library of Congress,1978      **Chicago Scene** ,1963      *Forgotten Victims* Mitchel G Bard,2019-08-28 The outbreak of war in Europe in 1939 put tens of thousands of American civilians especially Jews in deadly peril and yet the US State Department failed to help them Consequently many suffered and some died Later when the United States joined the war against Hitler many American and in particular Jewish American soldiers were captured and      **The Miracle Years** Hanna Schissler,2020-12-08 Stereotypical descriptions showcase West Germany as an economic miracle or cast it in the narrow terms of Cold War politics Such depictions neglect how material hardship preceded success and how a fascist past and communist sibling complicated the country s image as a bastion of democracy Even more disappointing they brush over a rich and variegated cultural history That history is told here by leading scholars of German history literature and film in what is destined to become the volume on postwar West German culture and society In it we read about the lives

of real people from German children fathered by black Occupation soldiers to communist activists from surviving Jews to Turkish guest workers from young hoodlums to middle class mothers We learn how they experienced and represented the institutions and social forces that shaped their lives and defined the wider culture We see how two generations of West Germans came to terms not only with war guilt division from East Germany and the Angst of nuclear threat but also with changing gender relations the Americanization of popular culture and the rise of conspicuous consumption Individually these essays peer into fascinating overlooked corners of German life Together they tell what it really meant to live in West Germany in the 1950s and 1960s In addition to the editor the contributors are Volker R Berghahn Frank Biess Heide Fehrenbach Michael Geyer Elizabeth Heineman Ulrich Herbert Maria H hn Karin Hunn Kaspar Maase Richard McCormick Robert G Moeller Lutz Niethammer Uta G Poiger Diethelm Prowe Frank Stern Arnold Sywottek Frank Trommler Eric D Weitz Juliane Wetzels and Dorothee Wierling

**The Last Ridge** McKay Jenkins, 2007-12-18 When World War II broke out in Europe the American army had no specialized division of mountain soldiers But in the winter of 1939-40 after a tiny band of Finnish mountain troops brought the invading Soviet army to its knees an amateur skier named Charles Minot Minnie Dole convinced the United States Army to let him recruit an extraordinary assortment of European expatriates wealthy ski bums mountaineers and thrill seekers and form them into a unique band of Alpine soldiers These men endured nearly three years of grueling training in the Colorado Rockies and in the process set new standards for both soldiering and mountaineering The newly forged 10th Mountain Division finally faced combat in the winter of 1945 in Italy's Apennine Mountains against the seemingly unbreakable German fortifications north of the Gothic Line There they planned and executed what is still regarded as the most daring series of nighttime mountain attacks in U.S. military history taking Mount Belvedere and the sheer treacherous face of Riva Ridge to smash the linchpin of the German army's lines Drawing on unique cooperation from veterans of the 10th Mountain Division and a vast archive of unpublished letters and documents *The Last Ridge* is written with enormous warmth energy and honesty This is one of the most captivating stories of World War II a blend of *Band of Brothers* and *Into Thin Air* It is a story of young men asked to do the impossible and succeeding

**Schwann-2, Record & Tape Guide**, 1976

*The Saddam Tapes* Kevin M. Woods, David D. Palkki, Mark E. Stout, 2011-09-26 During the 2003 war that ended Saddam Hussein's regime coalition forces captured thousands of hours of secret recordings of meetings phone calls and conferences Originally prepared by the Institute for Defense Analyses for the Office of the Undersecretary of Defense for Policy this study presents annotated transcripts of Iraqi audio recordings of meetings between Saddam Hussein and his inner circle The *Saddam Tapes* along with the much larger digital collection of captured records at the National Defense University's Conflict Records Research Center will provide researchers with important insights into the inner workings of the regime and it is hoped the nature of authoritarian regimes more generally The collection has implications for a range of historical questions How did

Saddam react to the pressures of his wars How did he manage the Machiavellian world he created How did he react to the signals and actions of the international community on matters of war and peace Was there a difference between the public and the private Saddam on critical matters of state A close examination of this material in the context of events and other available evidence will address these and other questions
