Hitler's Shadow Empire Pierpaolo Barbieri, 2015 Pitting fascists and communists in a showdown for supremacy the Spanish Civil War has long been seen as a grim dress rehearsal for World War II Francisco Franco s Nationalists prevailed with German and Italian military assistance a clear instance it seemed of like minded regimes joining forces in the fight against global Bolshevism In Hitler s Shadow Empire Pierpaolo Barbieri revises this standard account of Axis intervention in

the Spanish Civil War arguing that economic ambitions not ideology drove Hitler's Iberian intervention. The Nazis hoped to establish an economic empire in Europe and in Spain they tested the tactics intended for future subject territories. The Spanish Civil War is among the 20th century military conflicts about which the most continues to be published. Hitler's Shadow Empire is one of few recent studies offering fresh information specifically describing German trade in the Franco-controlled zone. While it is typically assumed that Nazi Germany like Stalinist Russia became involved in the Spanish Civil War for ideological reasons, Pierpaolo Barbieri, an economic analyst, shows that the motives of the two main powers were quite different. Stephen Schwartz, *Weekly Standard*. **Seduced by Hitler** Adam LeBor, Roger Boyes, 2001. A macabrely fascinating work recommended Booklist. *Krueger's Men* Lawrence Malkin, 2025-04-08. The true World War II story that inspired the Oscar-winning movie *The Counterfeiters*. An astonishing and exciting tale. The drama of how the Nazis mounted a complex counterfeiting operation inside a concentration camp is matched by the chilling life or death saga of the prisoners involved. It reads like a thriller but it's all true. New York Times bestselling author Walter Isaacson. Only a fortnight after the start of World War II at a meeting that has remained a secret for more than half a century, Nazi leaders and officials of the German Reichsbank approved an audacious plot to counterfeit millions of British pounds. Drawing upon top secret bank records, German and British correspondence and interrogation transcripts, journalist Lawrence Malkin reveals how an unremarkable SS officer named Bernhard Krueger attempted to bring down the world financial system. But when Krueger discovered that forging pounds and later dollars was no easy task, he made a crucial decision: he would seek out the greatest counterfeiters of pre-war Europe and enlist them in the effort. He found them in an unexpected place: a Nazi concentration camp. *Krueger's Men* is the remarkable story of how these Jews managed to save themselves. Part Schindler's List, part *The Great Escape*, this account of the Nazi plot is a fascinating portrait of deception, courage and moral awakening. Few writers understand the mysterious intricacies of money better than Lawrence Malkin, and in *Krueger's Men* he has reconstructed one of the last great untold stories of World War II. Robert Crowley, founding editor of *MHQ: The Quarterly Journal of Military History*. **Hitler: Ascent** Volker Ullrich, 2016-09-06. NEW YORK TIMES BESTSELLER. This landmark biography of Hitler puts an emphasis on the man himself: his personality, his temperament and his beliefs. A fascinating Shakespearean parable about how the confluence of circumstance, chance, a ruthless individual and the willful blindness of others can transform a country, and in Hitler's case lead to an unimaginable nightmare for the world. Michiko Kakutani, *The New York Times*. Volker Ullrich's *Hitler*, the first in a two-volume biography, has changed the way scholars and laypeople alike understand the man who has become the personification of evil. Drawing on previously unseen papers and new scholarly research, Ullrich charts Hitler's life from his childhood through his experiences in the First World War and his subsequent rise as a far-right leader. Focusing on the personality behind the policies, Ullrich creates a vivid portrait of a man and his megalomania, political skill and horrifying worldview. *Hitler* is an essential historical biography with unsettling resonance in contemporary times. *Big*
