History Of The Nation Of Islam

Barry J. Balleck

History Of The Nation Of Islam:

History of the Nation of Islam Elijah Muhammad, 2008-11-06 This book is an interview of Elijah Muhammad explaining his initial encounter with his teacher Master Fard Muhammad and how his messengership came about The subjects discussed are Master Fard Muhammad s whereabouts the races and what makes a devil and satan He answers questions dealing the concept of divine and how ideas are perfected More basic subjects include Malcolm X Noble Drew Ali C Eric Lincoln Udom and a comprehensive range of information *A History of the Nation of Islam* Dawn-Marie Gibson, 2012-04-23 This book provides a fascinating unparalleled look at the Nation of Islam including its history the complexity of its views towards orthodox Muslims women and other minorities and the trajectory of the group after the 1995 Million Man March The release of the Federal Bureau of Investigation s extensive archive of surveillance files interviews and firsthand accounts has made it possible to reveal the truth behind the myths and misperceptions about the Nation of Islam This comprehensive resource catalogues the times places and people that shaped the philosophies from its formative years through to its present incarnation The definitive source on the subject A History of The Nation of Islam Race Islam and the Quest for Freedom draws on over a dozen interviews along with archival and rarely used sources The book departs from the usual Malcolm X centric treatment of the subject and instead examines the early leadership of Fard Muhammad challenges conventional views on Malcolm X and explores the present day internal politics of the movement post Louis Farrakhan s retirement **Black Muslim Religion in the Nation of Islam, 1960-1975** Edward E. Curtis IV, 2009-01-05 Elijah Muhammad s Nation of Islam came to America s attention in the 1960s and 1970s as a radical separatist African American social and political group But the movement was also a religious one Edward E Curtis IV offers the first comprehensive examination of the rituals ethics theologies and religious narratives of the Nation of Islam showing how the movement combined elements of Afro Eurasian Islamic traditions with African American traditions to create a new form of Islamic faith Considering everything from bean pies to religious cartoons clothing styles to prayer rituals Curtis explains how the practice of Islam in the movement included the disciplining and purifying of the black body the reorientation of African American historical consciousness toward the Muslim world an engagement with both mainstream Islamic texts and the prophecies of Elijah Muhammad and the development of a holistic approach to political religious and social liberation Curtis s analysis pushes beyond essentialist ideas about what it means to be Muslim and offers a view of the importance of local processes in identity formation and the appropriation of Islamic traditions *The Nation of Islam* Steven Tsoukalas, 2021-05-16 The Nation of Islam promises African Americans a new identity and purpose But can it deliver In this intriguing study Steven Tsoukalas helps us understand the struggle history and theology behind black nationalism so that we may respond with compassion and truth

Chronology of Nation of Islam History Toure Muhammad, 1996 **Chronology of Nation of Islam History Volume 1** Toure Muhammad, 2015-12-31 Written by a member of the Nation of Islam Chronology of Nation of Islam History

is designed to provide a brief and convenient resource of important facts and information chronicling the work of the Honorable Minister Louis Farrakhan and the Nation of Islam The main source of material was compiled with the use of The Final Call newspaper These occurrences beginning when Minister Farrakhan first stood up to rebuild upon the foundation left by the most Honorable Elijah Muhammad and culminating with the World Friendship Tour have had a tremendous impact on the lives of Black people in America and throughout the world *The Lost-Found Nation of Islam in America* Clifton E. Marsh,2000-03-22 This important work on American Black Islam previously published in cloth is now available in trade paperback With the 1995 Million Man March in Washington the Nation of Islam and its often controversial leader Minister Louis Farrakhan have reemphasized their importance as a major voice of the African American community Marsh examines the rise fall and rebirth of the oldest most powerful and significant Black nationalist organization in the United States New chapters focus on the ideological splits in the Nation of Islam during the 1970s the growth of the Nation in the 1980s and the expanding influence and power of the organization in the 1990s A key chapter examines the continuing legacy of African nationalist thought from 1815 to 1994 places Farrakhan in historical context and examines his addition to the African nationalist legacy of Marcus Garvey and W E B DuBois The appendixes include interviews with important members of the Nation of Islam Imam Wallace D Muhammad son of Elijah Muhammad and Dr Abdul Alim Muhammad the national spokesman for minister Louis Farrakhan of the Nation of Islam and a directory of Masjids in the United States and abroad With bibliography and index *Hate Groups and Extremist Organizations in America* Barry J. Balleck,2019-07-08 This expansive collection of A Z entries offers a compelling look into hate groups in America Focusing on organizations in operation today this resource book for student and general audiences covers numerous hot button issues in politics and culture The Southern Poverty Law Center lists nearly 900 hate groups active in the United States today Some of these such as the KKK have deep roots in American history Others are newer formed in response to policies and shifts in our cultural landscape Often these organizations imply defense of America and political ideals in their names such as Council of Conservative Citizens and American Family Association Some such as White Aryan Resistance and Supreme White Alliance are more direct in their associations Nearly all posit an erosion of rights and values a way of life that is becoming lost to immigrants a diffusion or integration of population and government overstep Many of these groups preach a necessity for violence through either outright or thinly veiled language Membership in these organizations poses another topic for investigation as their ranks are not just anti government or pro gun rights types who seek to defend the Constitution Many are simply citizens who see their ideal for America as under threat by various groups whether ethnic racial or religious This unique reference will allow readers to explore the underlying issues central to understanding them How do these hate groups get started and why do people join *In the Name of Elijah Muhammad* Mattias Gardell,1996-10-07 In the Name of Elijah Muhammad tells the story of the Nation of Islam its rise in northern inner city ghettos during the Great Depression through

its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan Mattias Gardell sets this story within the context of African American social history the legacy of black nationalism and the long but hidden Islamic presence in North America He presents with insight and balance a detailed view of one of the most controversial yet least explored organizations in the United States and its current leader Beginning with Master Farad Muhammad believed to be God in Person Gardell examines the origins of the Nation His research on the period of Elijah Muhammad s long leadership draws on previously unreleased FBI files that reveal a clear picture of the bureau s attempts to neutralize the Nation of Islam In addition they shed new light on the circumstances surrounding the murder of Malcolm X With the main part of the book focused on the fortunes of the Nation after Elijah Muhammad s death Gardell then turns to the figure of Minister Farrakhan From his emergence as the dominant voice of the radical black Islamic community to his leadership of the Million Man March Farrakhan has often been portrayed as a demagogue bigot racist and anti Semite Gardell balances the media s view of the Nation and Farrakhan with the Nation s own views and with the perspectives of the black community in which the organization actively works His investigation based on field research taped lectures and interviews leads to the fullest account yet of the Nation of Islam s ideology and theology and its complicated relations with mainstream Islam the black church the Jewish community extremist white nationalists and the urban culture of black American youth particularly the hip hop movement and gangs *A History of Islam in America* Kambiz

GhaneaBassiri,2010-04-19 Muslims began arriving in the New World long before the rise of the Atlantic slave trade Kambiz GhaneaBassiri s fascinating book traces the history of Muslims in the United States and their different waves of immigration and conversion across five centuries through colonial and antebellum America through world wars and civil rights struggles to the contemporary era The book tells the often deeply moving stories of individual Muslims and their lives as immigrants and citizens within the broad context of the American religious experience showing how that experience has been integral to the evolution of American Muslim institutions and practices This is a unique and intelligent portrayal of a diverse religious community and its relationship with America It will serve as a strong antidote to the current politicized dichotomy between Islam and the West which has come to dominate the study of Muslims in America and further afield Modern American Extremism and Domestic Terrorism Barry J. Balleck,2018-06-01 Highlighting a breadth of American individuals and groups that engaged in extremist behavior across history this book provides a succinct concise overview of extremist behavior in the past and examines today s increasingly common incidences of hate and extremism Since the election of Barack Obama in 2008 extremist and hate groups have seen a resurgence on the American political landscape Members of these subgroups within the American population have become concerned that the America that they have always known is fading into oblivion with a majority of individuals in these groups holding fiercely anti immigration views and adhering to the belief that the United States should not admit large numbers of any group that is not white Christian or predominantly European Others

believe that the principles and precepts of the U S Constitution have gone by the wayside and that drastic measures are required to protect the underlying tenets that were the essential elements of the Constitution and many of their nation s founding principles How did these individuals come to feel this way is it possible to bring these impassioned extremists back into the fold and if so how This book provides comprehensive illuminating and sometimes disturbing insights into the individuals groups and events that have illustrated extremist behavior in post World War II America Ranging from the anti communist rhetoric and activities of the John Birch Society to the radical socialist ideals of the Black Panthers to the goals of a pure America articulated by white nationalists this book documents the various extremist elements that shaped the second half of the 20th century as well as the first two decades of the 21st century Readers will grasp how events in the histories of individuals and groups as well as perceived injustices have lead to the incidences of hate and extremism in American society The encyclopedic entries of the book are specifically written to accessible to readers without specific knowledge of extremism political science or sociology

Black Power Encyclopedia Akinyele Umoja, Karin L. Stanford, Jasmin A. Young, 2018-07-11 An invaluable resource that documents the Black Power Movement by its cultural representation and promotion of self determination and self defense and showcases the movement s influence on Black communities in America from 1965 to the mid 1970s Unlike the Civil Rights Movement s emphasis on the rhetoric and practice of nonviolence and social and political goal of integration Black Power was defined by the promotion of Black self determination Black consciousness independent Black politics and the practice of armed self defense Black Power changed communities curriculums and culture in the United States and served as an inspiration for social justice internationally This unique two volume set provides readers with an understanding of Black Power s important role in the turbulence social change and politics of the 1960s and 1970s in America and how the concepts of the movement continue to influence contemporary Black politics culture and identity Cross disciplinary and broad in its approach *Black Power Encyclopedia* From *Black Is Beautiful* to *Urban Uprisings* explores the emergence and evolution of the Black Power Movement in the United States some 50 years ago The entries examine the key players organizations and institutions trends and events of the period enabling readers to better understand the ways in which African Americans broke through racial barriers developed a positive identity and began to feel united through racial pride and the formation of important social change organizations The encyclopedia also covers the important impact of the more militant segments of the movement such as Malcolm X and the Nation of Islam and the Black Panthers

Religious Myths and Visions of America Christopher Buck, 2009-04-30 At the heart of American studies is the idea of America itself Here Buck looks at the religious significance of America by examining those religions that have attached some kind of spiritual meaning to America The author explores how American Protestantism and nine minority faiths have projected America into the mainstream of world history by defining and by redefining America s world role Surveying the religious myths and visions of America of ten religions Buck shows how minority faiths have redefined America

s sense of national purpose This book invites serious reflection on what it means to be an American particularly from a religious perspective Religious myths of America are thought orienting narratives that serve as vehicles of spiritual and social truths about the United States itself Religious visions of America are action oriented agendas that articulate the goals to which America should aspire and the role it should play in the community of nations Buck examines the distinctive perspectives held by ten religious traditions that inform and expand on the notion of America and its place in the world He covers Native American Protestant Catholic Jewish Mormon Christian Identity Black Muslim Islamic Buddhist and Baha i beliefs and invites serious reflection on what it means to be an American particularly from a religious perspective

Encyclopedia of Muslim-American History Edward E. Curtis,2010 A two volume encyclopedia set that examines the legacy impact and contributions of Muslim Americans to U S history Racism in America Steven L. Foy,2020-02-24 This one stop resource situates racism within America s structural foundations and institutions to consider how racial discrimination and segregation have changed the trajectory of the USA from its colonial beginnings to the present day It provides readers with contextual background for better understanding the history and underpinnings of racism in America an introduction to the most important and high profile problems controversies and solutions related to racism in American life and perspectives from experts in a variety of fields related to race relations and African American history Other features include profiles of important people and organizations fighting for racial equality and reconciliation from Black Lives Matter to the American Civil Liberties Union A detailed chronology pinpoints relevant events in American history while an annotated bibliography guides students to the next step in their research The African American Religious Experience in America Anthony B. Pinn,2005-11-30 Most who think about African American religion limit themselves to black churches or perhaps to aspects of Islamic thought and practice But a close look at the religious landscape of African American communities presents a much more complex thick and layered religious reality comprising many competing faiths and practices The African American Religious Experience in America provides readers with an introduction to the tremendous religious diversity of African American communities in the United States with snapshots of 11 religious traditions practiced by African Americans from Buddhism to Catholicism from Judaism to Voodoo Each snapshot provides readers a better understanding of how African Americans practice their faiths in the United States The African American Religious Experience in America provides resources for students taking classes on the history of American religion African American Studies and on American Studies In addition to the in depth discussion of the varieties of African American Religion the volume includes a historical introduction to the development of African American Religion a glossary of terms a timeline of important events a series of short biographies of important figures in the history of African American religion and a bibliography of sources for further study Finally the book includes a series of primary source documents that will provide students with first person accounts of how religion is practiced in the African American community both today and in the past *Muslim Mechanics* Charles H.

Brewton,2023-04-28 Muslim Mechanics is a factual and informative resource guide for Islam written for non Muslim Western audiences The word mechanics as in quantum mechanics or classical mechanics represents a branch of physical science that studies the working parts of complex systems machines or even organizations and institutions Taking the same tact Muslim Mechanics is the study of how Islamic policies activities and functions affect populations and organizations Going further Muslim Mechanics looks at the functional and technical aspects of actions and determines their impact on an organizational and institutional level As the word mechanics would indicate there are hundreds of policies rules and beliefs that make Islam tick like a Swiss watch Dr Brewton presents an objective and secular view of a religion that is anything but secular **New Perspectives on the Nation of Islam** Dawn-Marie Gibson,Herbert Berg,2017-02-17 New Perspectives on the Nation of Islam contributes to the ongoing dialogue about the nature and influence of the Nation of Islam NOI bringing fresh insights to areas that have previously been overlooked in the scholarship of Elijah Muhammad s NOI the Imam W D Mohammed community and Louis Farrakhan s Resurrected NOI Bringing together contributions that explore the formation practices and influence of the NOI this volume problematizes the history of the movement its theology and relationships with other religious movements Contributors offer a range of diverse perspectives making connections between the ideology of the NOI and gender dietary restrictions and foodways the internationalization of the movement and the civil rights movement This book provides a state of the art overview of current scholarship on the Nation of Islam and will be relevant to scholars of American religion and history Islamic studies and African American Studies **The Shu'ubiyah Movement in Islam** Salahuddin Khuda Bukhsh,1908 *People of the State of Illinois V. Brown* ,2001
