Britain and Tibet 1765-1947 Julie G. Marshall, 2005 This bibliography is a record of British relations with Tibet in the period 1765 to 1947 As such it also involves British relations with Russia and China and with the Himalayan states of Ladakh Lahul and Spiti Kumaon and Garhwal Nepal Sikkim Bhutan and Assam in so far as British policy towards these states was affected by her desire to establish relations with Tibet It also covers a subject of some importance in contemporary diplomacy It was the legacy of unresolved problems concerning Tibet and its borders bequeathed to India by Britain in 1947 which led to border disputes and ultimately to war between India and China in 1962 These borders are still in dispute today It also provides background information to Tibet s

claims to independence an issue of current importance The work is divided into a number of sections and subsections based on chronology geography and events The introductions to each of the sections provide a condensed and informative history of the period and place the books and article in their historical context Most entries are also annotated This work is therefore both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as Asian history **The Anglo-Kuki War 1917-19** Col (Dr) Vijay Chenji,

Approaches to History Sabyasachi Bhattacharya, 2011 History as a social science is arguably more self reflective than associated disciplines in that family Other social scientists seem to see little reason to look beyond the paradigm they are developing in the present times Historians on the other hand tend to depend on the cumulative process of the development of their craft and the fund of accumulated knowledge Yet while this is acknowledged in the practice of research Historiography in itself as a subject of study has rarely found its place in the syllabi of Indian universities Knowledge of Historiography is taken for granted when a scholar plunges into research In an attempt to address this lacuna the Indian Council of Historical Research ICHR has planned a series of volumes on Historiography comprising articles by subject specialists commissioned by the ICHR The first volume in the series *Approaches to History Essays in Indian Historiography* brings to the readers the first fruits of that endeavour While the essays encompass areas of research presently at the frontiers of new research scholars will also find the bibliographies accompanying the essays of significant appeal *Manipur Mischief* William Wright, 2018-08-15

In 1891 the hill state and principality of Manipur erupted in violence Military bungling bloody rebellion and a scandal that reached as far as Queen Victoria **Role of Gorkhas in Consolidation of British Rule in the North-East Frontiers** Anjalee Muktan Shangpliang, 2022-01-01 This book is based on extensive research work conducted by the author in National and State Archives Government Record Rooms Government Reports as well as Private and Unpublished Papers The author traces the role played by the Gorkha soldiers in collaboration with local recruits in the task of consolidation and perpetuation of British rule in the North East Frontiers It was with the help of the superior military power that the British could expel the Burmese from the trouble torn Brahmaputra Valley subdue the turbulent hill tribes of the North East and unite the whole region into one single administrative unit called the Province of Assam This book will be helpful to students of history and scholars interested in research works *Historical and Socio-Cultural Aspects of North East India (Volume 2)* Sikhamoni Konwar, 2016-01-01 The magnitude of socio cultural diversity of North East India is of enormous significance for the National life of India even though the region enjoys little space and attention in the National arena This book of two volumes is an attempt to showcase the diversified topics of North East India written by academicians and scholars of high repute It contains as many as forty seven articles covering almost all the facets of the wide range of historical and socio cultural aspects of the North East India All the writings are potent enough to project the North East in proper light from the academic point of view The book will surely pave the way for further research and other related academic works on North
