## History Of The Free Quakers:

**History of the Free Quakers** Charles Wetherill, 2002-05-01      *Betsy Ross: Last of Philadelphia's Free Quakers* Ray Thompson, 1972      **Quaker History**, 2005      **The Literary Era**, 1895      History of the Religious Society of Friends, Called by Some the Free Quakers, in the City of Philadelphia Charles Wetherill, 1894      **History of the religious Society of Friends, called by some the Free Quakers, in the city of Philadelphia** Ch. Wetherill,      **Pioneers of a Peaceable Kingdom** Peter Brock, 2015-03-08

Extracted from Pacifism in the United States this work focuses on the significant contribution of the Quakers to the history of pacifism in the United States Originally published in 1971 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Conflict of Conviction* William C. Kashatus, 1990 Addresses the popular misconception that all Quakers historically have been absolutely against war and participation in civil government during a time of war By examining the personal theological and moral dilemmas and sacrifices of individual Friends and Quaker groups who complied with the Revolutionary War effort this book provides a new understanding of the diversity as well as complexity of the Quaker involvement in the American Revolution

Contents Thomas Paine The Fighting Quaker Nathanael Greene s Conflict of Conviction Quakerism Patriotism and The Lamb s War Ethic of the Free Quakers      *The Reformation of American Quakerism, 1748-1783* Jack D. Marietta, 2007-08-28

The Reformation of American Quakerism 1748 1783 offers a detailed history of the withdrawal of the Society of Friends from mainstream America in the years between 1748 and the end of the American Revolution Jack D Marietta examines the causes course and consequences both social and political of the Quakers retreat from prominent positions in civil government while at the same time developing a more distinctive and purified religious community These changes amounted to a watershed in the greater history of the Society of Friends a turning away from its engagement with the world on behalf of a Whig political philosophy and toward a role as critic and gadfly on the periphery of political society Less conspicuously but perhaps more dramatically the internal transformation of the Society through the strengthening of the members commitment to a host of Quaker sectarian values among them exogamy guarded childrearing sexual continence honesty simplicity humility and asceticism was enforced by the reformers stern determination that members would either conform to these mores or face expulsion from the Society These changes resulted in the revitalization of the society and made possible the Quakers campaign against slavery thus distinguishing them as the first group of people in history to espouse abolition Marietta draws on a wealth of data over 10 000 disciplinary cases in the Society s records dating from 1682 The author s description and evaluation of the role status and treatment of women in the

Society is sympathetic and what emerges from his interpretation is a sensitive portrayal not only of withdrawal but of the substitution of a vision different from the one that inspired the Holy Experiment      *Historical Dictionary of the Friends (Quakers)* Margery Post Abbott, Mary Ellen Chijioke, Pink Dandelion, John William Oliver, 2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the *Historical Dictionary of the Friends Quakers* relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful      **Col. Timothy Matlack, Patriot and Soldier** Asa Matlack Stackhouse, 1910      *Quakerism in the Atlantic World, 1690-1830* Robynne Rogers Healey, 2021-02-26 This third installment in the *New History of Quakerism* series is a comprehensive assessment of transatlantic Quakerism across the long eighteenth century a period during which Quakers became increasingly sectarian even as they expanded their engagement with politics trade industry and science The contributors to this volume interrogate and deconstruct this paradox complicating traditional interpretations of what has been termed Quietist Quakerism Examining the period following the Toleration Act in England of 1689 through the Hicksite Orthodox Separation in North America this work situates Quakers in the eighteenth century British Atlantic world Three thematic sections exploring unique Quaker testimonies and practices tensions between Quakerism in community and Quakerism in the world and expressions of Quakerism around the Atlantic world broaden geographic understandings of the Quaker Atlantic experience to determine how local events shaped expressions of Quakerism The authors challenge oversimplified interpretations of Quaker practices and reveal a complex Quaker world one in which prescription and practice were more often negotiated than dictated even after the mid eighteenth century reformation and tightening of the Discipline on both sides of the Atlantic Accessible and well researched *Quakerism in the Atlantic World 1690 1830* provides fresh insights and raises new questions about an understudied period of Quaker history In addition to the editor the contributors to this volume include Richard C Allen Erin Bell Erica Canela Elizabeth Cazden Andrew Fincham Sydney Harker Rosalind Johnson Emma Lapsansky Werner Jon Mitchell

and Geoffrey Plank     Historic Philadelphia William C. Kashatus,1992 In this book the author captures all the familiar figures and symbols of Philadelphia s rich eighteenth century past as well as the drama of American history s greatest scenes from the clandestine meetings of the Second Continental Congress to the drafting of the United States Constitution to the final days of Philadelphia s prestigious role as the nation s capital The author s experience as an historical interpreter of Philadelphia s Independence National Historical Park enables him to take the reader into the Congress to hear the stirring debates over American independence into the spirits of Philadelphia s most unforgettable citizens and finally into the streets on a delightful walking tour of this historic city Contents The City Philadelphia The Cradle of American Liberty The Symbols The Liberty Bell Proclaim Liberty Throughout All the Land Independence Hall Birthplace of a Nation The Patriots William Penn and the Spirit of Brotherly Love Benjamin Lay Quaker Abolitionist Benjamin Franklin the Image maker Betsy Ross Seamstress of a Revolution Samuel Wetherill and the Free Quaker Testimony to the American Revolution Bishop William White his Revolutionary Theology and the Founding of the Protestant Episcopal Church and Academy The Stewards of Philadelphia s History and a Walking Tour of Independence National Historical Park Endnotes Selected Bibliography Index

The American Monthly Magazine ,1894     **The People's History of America** ,1875     Quakers and Their Allies in the Abolitionist Cause, 1754-1808 Maurice Jackson,Susan Kozel,2016-03-17 This volume explores the significant connections between the Quaker community and the abolitionist cause in America The case studies that make up the collection mainly focus on the greater Philadelphia area a hotbed of the abolitionist movement and the location of the first American abolition society founded in 1775 Despite the importance of Quakers to the abolitionist movement their significance has been largely overlooked in the existing historiography These studies will be of interest to scholars of slavery and abolition religious history Atlantic studies and American social and political history     Washington's Spies Alexander Rose,2014-03-25 NEW YORK TIMES BESTSELLER Turn Washington s Spies now an original series on AMC Based on remarkable new research acclaimed historian Alexander Rose brings to life the true story of the spy ring that helped America win the Revolutionary War For the first time Rose takes us beyond the battlefield and deep into the shadowy underworld of double agents and triple crosses covert operations and code breaking and unmasks the courageous flawed men who inhabited this wilderness of mirrors including the spymaster at the heart of it all In the summer of 1778 with the war poised to turn in his favor General George Washington desperately needed to know where the British would strike next To that end he unleashed his secret weapon an unlikely ring of spies in New York charged with discovering the enemy s battle plans and military strategy Washington s small band included a young Quaker torn between political principle and family loyalty a swashbuckling sailor addicted to the perils of espionage a hard drinking barkeep a Yale educated cavalryman and friend of the doomed Nathan Hale and a peaceful sickly farmer who begged Washington to let him retire but who always came through in the end Personally guiding these imperfect everyday heroes was Washington himself In an era when officers were gentlemen and gentlemen didn t spy

he possessed an extraordinary talent for deception and proved an adept spymaster The men he mentored were dubbed the Culper Ring The British secret service tried to hunt them down but they escaped by the closest of shaves thanks to their ciphers dead drops and invisible ink Rose s thrilling narrative tells the unknown story of the Revolution the murderous intelligence war gunrunning and kidnapping defectors and executioners that has never appeared in the history books But Washington s Spies is also a spirited touching account of friendship and trust fear and betrayal amid the dark and silent world of the spy     The Journal of the Friends' Historical Society Friends' Historical Society,1916     Early Quaker Education in Pennsylvania Thomas Woody,1920     **The Peoples of Pennsylvania** David E. Washburn,1981
