Dust John Lord, 1926 Hiding Behind My Horses Kerry Kuhn, 2020-04-23 This book is about one man s journey to becoming real with himself and stop hiding from his past The pursuit of childhood dreams and the enticement of fame became his two biggest masks What was left behind was divorce and devastation But through all the pain and deceit freedom and redemption were found in the truth the truth about his past the truth about how he was living and the truth about a Savior that can redeem it all *North American Veterinarian* ,1924 *The Spur* ,1925 Cowboy Ross Santee, 2017-01-12 I always wanted to be a cow puncher says Shorty Caraway As a little kid back on the farm in east Texas I couldn t think of nothin else Shorty s father took some persuading but in the end he staked his fourteen year old son to a white pony a second hand saddle and forty dollars to go with the two I had an he said that ought to run me until I got a job What happened from

that day until Shorty was taken on as a regular hand is told in the pages of Ross Santee's *Cowboy* first published in 1928. From beginning to end the reader is made at home in a world of unique standards, customs, and preoccupation through the eyes of a boy who absorbs them with quick, keen ardor. He tells his own story without a backward glance toward home without any curiosity concerning the lives of the millions who live in other worlds than his. By virtue of this contracted point of view, one gets a singularly intensive and intimate picture of the cowboy and the things that make up his existence. *New York Herald Tribune Books*. Here is a Wild West narrative that is literature and it closely verges upon being *Treasure Island* literature. Here the boy is all boots and spurs with dreams in his head and the will to make them materialize. *Saturday Review of Literature*. **The Collected Short Stories of Louis L'Amour, Volume 5** Louis L'Amour, 2015-12-29. The stories of Louis L'Amour are built around the dramatic moments when men and women cast their fears, doubts, and pasts behind them and plunge into the unknown into split-second decisions with life and death consequences. Nowhere is that more evident than in this quintessential collection of stories set on the American frontier. Here L'Amour takes us across a bold, beautifully rendered landscape where old scores haunt new lives, the wrong choice leaves unwitting victims, and strangers may come to trust or kill one another. Fugitives, visionaries, fortune seekers, drifters, and young women trying to build homes on a lawless frontier: the characters in these pulse-pounding stories are vintage L'Amour. Together in this vivid rollicking collection they bring to life the spirit of adventure and confirm Louis L'Amour's place in the pantheon of American writers. *David Lannarck, Midget* George S. Harney, 2022-09-16. In *David Lannarck Midget* George S. Harney crafts an adventure story that transcends the ordinary, plunging readers into the valiant journey of its diminutive hero. Harney's prose weaves an intricate tableau utilizing a refined literary style that brings to life an era ripe with discovery and the human quest for significance. Set against the backdrop of a time when literature explored the vast terrains of the human spirit, the book combines agile storytelling with a deep understanding of the nuanced struggles faced by those of small stature in a world scaled for the average man. Embedded within this narrative is a broader reflection on individuality and the indomitable will to triumph over adversity. George S. Harney's own lived experiences undoubtedly inform the verve and vibrancy of his central character, David Lannarck. Little is publicly known about Harney, yet the depth and authenticity of his writing suggest a personal familiarity with the thematic elements of his narrative. His diligent commitment to character development and plot intricacies hints at a life deeply attuned to the intricacies and variances of human nature, perhaps drawing on personal engagements or observed encounters with the unconventionality of his protagonist's life. *David Lannarck Midget* is recommendable not only as a work of immense entertainment but also as a literary classic that embodies a timeless narrative of resilience. Readers in search of a tale that champions the underdog and elevates the extraordinary lives of those often unseen will find Harney's novel a valuable addition to their literary collection. It resonates with anyone who cherishes the triumph of the human spirit against the odds, and it is a testament to the lasting power of literature to inspire and provoke thoughtful reflection. **Outdoor Life**
