Resources in Education , 1997 *Literature for Young Adults* Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading **Believing in a Media Culture** , 2000-09-16 The older teens in your parish want a youth ministry program that exposes them to relevant real world topics in an active engaging way Horizons is an innovative comprehensive approach to religious education Its foundation is teacher led creative learning strategies that give students ample opportunities for discussion reflection and fun Designed for grades

9 12 Horizons utilizes a module system so that you can combine courses and topics to meet the specific needs of your parish. Seven core courses set the stage for discussing central and foundational themes. Then choose from a wide selection of age appropriate minicourses to round out your curriculum and craft summer courses, retreats and youth group activities. The Youth Ministry Strategies component features more than 65 creative youth activities to complement the Horizons curriculum. And on top of all that, Horizons includes outstanding training resources. You'll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere. Youth Culture and Violence United States. Congress. House. Committee on the Judiciary, 2000. *Rationales for Teaching Young Adult Literature* Louann Reid, 1999. Twenty five educators recommend proven novels, nonfiction works and short story collections that adolescents enjoy.

Children's Literature in Action Sylvia M. Vardell, 2019-06-14. This practitioner oriented introduction to literature for children ages 5-12 covers the latest trends, titles and tools for choosing the best books and materials as well as for planning fun and effective programs and activities. The third edition of *Children's Literature in Action* provides an activity oriented survey of children's literature for undergraduate and graduate students seeking licensure and degrees that will lead to careers working with children in schools and public libraries. Author Sylvia M. Vardell draws on her 30 years of university teaching and extensive familiarity with the major textbooks in the area of children's literature to deliver something different: a book that focuses specifically on the perspective and needs of the librarian with emphasis on practical action and library applications. Its contents address seven major genres: picture books, traditional tales, poetry, contemporary realistic fiction, historical fiction, fantasy and informational books. Each chapter includes practical applications for the educator who shares books with children and who develops literature based instruction. Chapters are enriched by author comments, collaborative activities, featured books, special topics and activities including selected awards and celebrations, historical connections, recommended resources, issues for discussion and assignment suggestions. This new edition incorporates the 2018 AASL National School Library Standards.

52 Discussions to Confirm the Faith of Your Teenagers David Lynn, Rick Davis, 2009-12-27. If you're tired of the Christianese answers you're getting from the teens in your youth group, challenge them to discuss issues of faith and discover what they believe. With these one page reproducible handouts that are easy to use and can facilitate meaningful discussions in your youth group, Sunday school, small group or confirmation class, teens will explore God, Jesus, the Holy Spirit, the Bible, salvation, discipleship and more.

Under threat: The challenges facing religious minorities in Bangladesh, 2016-11-17. Since 2013, Bangladesh has experienced a series of violent attacks by extremists. The victims have included, besides atheists, secular bloggers, liberals and foreigners, many Buddhists, Christians and Hindus as well as Ahmadis and Shia Muslims. A large number of the attacks targeting religious minorities in particular have subsequently been claimed by the organization Islamic State (IS), a claim vigorously denied by the Bangladeshi government which has attributed the attacks to domestic militant groups. Regardless of their authorship, since the beginning of this new

outbreak of violence the authorities have visibly failed to ensure the protection of those targeted For religious minorities who have borne much of the brunt of these attacks this violence is the latest chapter in a long history of discrimination and segregation that stretches back to the country's independence and the legacy of colonialism the 1947 Partition and the bloody civil war in 1971 during which the Hindu population in particular was targeted This briefing drawing on a detailed review of published sources fieldwork by local rapporteurs and first hand author interviews with a number of activists lawyers and journalists aims to provide a fuller picture of the complex challenges facing these communities and the need for a society wide solution to the insecurity that has convulsed the country in the last few years

Traditional Musics in the Modern World: Transmission, Evolution, and Challenges Bo-Wah Leung, 2018-07-25 This book reviews the current practices of traditional musics in various cultures of all continents and examines the impact and significance of traditional musics in the modern world A diverse group of experts of musicology and music education collaborate to expose the current practices and challenges of transmission and evolution of traditional musics in order to seek sustainable development so that traditional musics can take the place they deserve in the modern world and continue to contribute to human civilization This volume contains three main sections that include transmission of traditional musics authenticity and evolution as well as challenges in future Based on the chapters the editor proposes four major trends of transmission of traditional musics namely formalization politicization Westernization and modernization in transforming contexts
