**The Undiscovered Country** William Logan, 2008-12-22 William Logan has been called both the preeminent poet critic of his generation and the most hated man in American poetry For more than a quarter century in the keen witted and bare knuckled reviews that have graced the New York Times Book Review the Times Literary Supplement London and other journals William Logan has delivered razor sharp assessments of poets present and past Logan whom James Wolcott of Vanity Fair has praised as being the best poetry critic in America vividly assays the most memorable and most damning features of a poet's work While his occasionally harsh judgments have raised some eyebrows and caused their share of controversy a number of poets have offered to do him bodily harm his readings offer the fresh and provocative perspectives of a passionate and uncompromising critic unafraid to separate the tin from the gold The longer essays in *The Undiscovered Country* explore a variety of poets who have shaped and shadowed contemporary verse measuring the critical and textual traditions of Shakespeare's sonnets Whitman's use of the American vernacular the mystery of Marianne Moore and Milton's invention of personality as well as offering a thorough reconsideration of Robert Lowell and a groundbreaking analysis of Sylvia Plath's relationship to her father Logan's unsparing verse chronicles present a survey of the successes and failures of contemporary verse Neither a poet's tepid use of language nor lackadaisical ideas nor indulgence in grotesque sentimentality escapes this critic's eye While railing against the blandness of much of today's poetry and the critics who trumpet mediocre work Logan also celebrates Paul Muldoon's high comedy Anne Carson's quirky originality Seamus Heaney's backward glances Czeslaw Milosz's indictment of Polish poetry and much more Praise for Logan's previous works *Desperate Measures* 2002 When it comes to separating the serious from the fraudulent the ambitious from the complacent Logan has consistently shown us what is wheat and what is chaff The criticism we remember is neither savage nor mandarin There is no one in his generation more likely to write it than William Logan Adam Kirsch *Oxford American Reputations of the Tongue* 1999 Is there today a more stringent caring reader of American poetry than William Logan *Reputations of the Tongue* may at moments read harshly But this edge is one of deeply considered and concerned authority A poet critic engages closely with his masters with his peers with those whom he regards as falling short This collection is an adventure of sensibility George Steiner William Logan's critical bedevilmments as well as his celebrations are indispensable Bill Marx *Boston Globe All the Rage* 1998 William Logan's reviews are malpractice suits Dennis O Driscoll *Verse* William Logan is the best practical critic around Christian Wiman *Poetry*

*In the Frame* Jane Hedley, Nick Halpern, Willard Spiegelman, 2009 The subject of *In the Frame* is

poetic ekphrasis poems whose starting point or source of inspiration is a work of visual art The authors of these sixteen essays several of whom are poets as well as critics have a twofold purpose calling attention to the contribution women poets have made to this important genre of poetic writing and re thinking ekphrastic poetry s motives and purposes From Marianne Moore and Elizabeth Bishop to Mary Jo Salter C D Wright and Susan Wheeler many of our best women poets have done important work in this genre and when they describe confront or speak for an image that is itself wordless their motives are not only formal but aesthetic Their poems also raise important questions from a perspective that is often but not always gender inflected about how art is made and displayed experienced and valued celebrated and commodified Jane Hedley is K Laurence Stapleton Professor of English at Bryn Mawr College Willard Spiegelman is the Hughes Professor of English at Southern Methodist University and editor in chief of the Southwest Review Nick Halpem is an associate professor in the English Department at North Carolina State University

*Ambition and Survival* Christian Wiman, 2007 That calling at once religious ethical and aesthetic is one that only a genuine poet can hear and very few poets can explain it as compellingly as Mr Wiman does That gift is what makes *Ambition and Survival* not just one of the best books of poetry criticism in a generation but a spiritual memoir of the first order New York Sun This weighty first prose collection should inspire wide attention partly because of Wiman s current job partly because of his astute insights and partly because he mixes poetry criticism with sometimes shocking memoir The collection s greatest strength comes in general ruminations on the writing reading and judging poetry Publishers Weekly Wiman is a terrific personal essayist as this new collection illustrates with the command and instincts of the popular memoirist This is a brave and bracing book Booklist Blazing high style is how The New York Times describes the prose of Christian Wiman the young editor transforming Poetry the country s oldest literary magazine *Ambition and Survival* is a collection of stirring personal essays and critical prose on a wide range of subjects reading Milton in Guatemala recalling violent episodes of his youth and traveling in Africa with his eccentric father as well as a series of penetrating essays on writers as diverse as Thomas Hardy and Janet Lewis The book concludes with a portrait of Wiman s diagnosis of a rare form of incurable and lethal cancer and how mortality reignited his religious passions When I was twenty years old I set out to be a poet That sounds like I was a sort of frigate raising anchor and in a way I guess I was though susceptible to the lightest of winds When I read Samuel Johnson s comment that any young man could compensate for his poor education by reading five hours a day for five years that s exactly what I tried to do practically setting a timer every afternoon to let me know when the little egg of my brain was boiled It s a small miracle that I didn t take to wearing a cape Christian Wiman is the editor of Poetry magazine His poems and essays appear regularly in The New Yorker The Atlantic Monthly Harper s and The New York Times Book Review
