Land Of Promise A Critique Of Political Zionism:

The Land of Promise Abdelwahab M. Elmessiri,1977 The Land of Promise Abdelwahab M. Elmessiri,1977 *Facts and Fables (RLE Israel and Palestine)* Clifford A. Wright,2015-05-22 The Arab Israeli conflict is one of the greatest threats to world peace today Yet for all the importance and passion of this conflict very little is actually known about the story behind the headlines Behind each confrontation and each act of terrorism is a long and deep story This primer on the Arab Israeli conflict first published in 1989 examines the real stories behind the conflict and separates fact from fable By carefully documenting each claim and counter claim many widely held beliefs are unmasked as myths **Colonizing Palestine** Areej Sabbagh-Khoury,2023-08-22 Among the most progressive of Zionist settlement movements Hashomer Hatzair proclaimed a brotherly stance on Zionist Palestinian relations Until the tumultuous end of the British Mandate movement settlers voiced support for a binational Jewish Arab state and officially opposed mass displacement of Palestinians But Hashomer Hatzair colonies were also active participants in the process that ultimately transformed large portions of Palestine into sovereign Jewish territory Areej Sabbagh Khoury investigates this ostensible dissonance tracing how three colonies gained control of land and their engagement with Palestinian inhabitants on the edges of the Jezreel Valley Marj Ibn Amer Based on extensive empirical research in local colony and national archives Colonizing Palestine offers a microhistory of frontier interactions between Zionist settlers and indigenous Palestinians within the British imperial field Even as left wing kibbutzim of Hashomer Hatzair helped lay the groundwork for settler colonial Jewish sovereignty its settlers did not conceal the prior existence of the Palestinian villages and their displacement which became the subject of enduring debate in the kibbutzim Juxtaposing history and memory examining events in their actual time and as they were later remembered Sabbagh Khoury demonstrates that the dispossession and replacement of the Palestinians in 1948 was not a singular catastrophe but rather a protracted process instituted over decades Colonizing Palestine traces social and political mechanisms by which forms of hierarchy violence and supremacy that endure into the present were gradually created **Hamas** Azzam Tamimi,2024-02-15 Branded as terrorist by Israel and the West Hamas won an overwhelming electoral victory in January 2006 This book charts the origins of Hamas among the Muslim Brotherhood details the influence of its exiled leadership in Syria and elsewhere and sets out its internal structure and political objectives **American Journal of Islamic Social Sciences 9:1** Amriah Buang,Fazal R. Khan,Theodore P. Wright, Jr.,Iftikhar Malik,Mohamed H. El-Mawi and Sultan M. Al-Sultan, The American Journal of Islamic Social Sciences AJISS established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the International Institute of Islamic Thought IIIT and distributed worldwide The journal showcases a wide variety of scholarly research on all facets of Islam and the Muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional Islam Inextricably Bonded Rachel Feldhay Brenner,2004-04-01 Despite the tragic reality of the continuing Israeli Arab conflict

and deep rooted beliefs that the chasm between Israeli Jews and Israeli Arabs is unbridgeable this book affirms the bonds between the two communities Rachel Feldhay Brenner demonstrates that the literatures of both ethnic groups defy the ideologies that have obstructed dialogue between the two peoples Brenner argues that literary critics have ignored the variety and the dissent in the novels of both Arab and Jewish writers in Israel giving them interpretations that embrace the politics of exclusion and conform with Zionist ideology Brenner offers insightful new readings that compare fiction by Jewish writers Amos Oz A B Yehoshua David Grossman and others with fiction written in Hebrew by such Arab Israeli writers as Atallah Mansour Emile Habiby and Anton Shammas This parallel analysis highlights the moral and psychological dilemmas faced by both the Jewish victors and the Arab vanquished and Brenner suggests that the hope for release from the historical trauma lies on both sides in reaching an understanding with and of the adversary Drawing upon the theories of Walter Benjamin Jacques Lacan Sigmund Freud Emanuel Levinas and others **Inextricably Bonded** is an innovative and illuminating examination of literary dissent from dominant ideology **Pretending Democracy** Jeenah, Na'eem, 2018-06-14 This powerful collection from an international mix of respected academics newer voices and political activists explores the place of Israel as a Jewish state in today's modern world a world in which identities citizenship and human rights are defined in increasingly cosmopolitan and inclusive ways Offering compelling and comprehensive arguments as to why Israel falls into the category of an ethnocentric state the contributions to this volume explore four central themes They reveal the reality behind Israel's founding myths They document the experiences of some of those who have fallen victim to this ethnic state Then they draw comparisons with other ethnic states notably South Africa and finally they point towards the radical hope of achieving a single nation united peaceful and just Unpacking both Jewish and Palestinian nationalism the nation state and ethnic nationalism this fascinating collection offers new insights into one of the world's most intractable conflicts It will appeal not only to scholars and teachers but to anyone interested in the history politics anthropology and legal standing of Palestine Israel Contributors Ali Abunimah Neville Alexander Max du Plessis Steven Friedman Daryl Glaser Ran Greenstein Heidi Grunebaum Adam Habib Na'eem Jeenah Ronnie Kasrils Smadar Lavie Fouad Moughrabi Nadim N Rouhana Shlomo Sand Avi Shlaim Azzam Tamimi Salim Vally Oren Yiftachel Andre Zaaïman Women, Reconciliation and the Israeli-Palestinian Conflict Giulia Daniele, 2014-04-16 Women Reconciliation and the Israeli Palestinian Conflict explores the most prominent instances of women's political activism in the occupied Palestinian territories and in Israel focussing primarily on the last decade By taking account of the heterogeneous narrative identities existing in such a context the author questions the effectiveness of the contributions of Palestinian and Israeli Jewish women activists towards a feasible renewal of the peace process founded on mutual recognition and reconciliation Based on feminist literature and field research this book re-problematizes the controversial liaison between ethno-national narratives feminist backgrounds and women's activism in Palestine Israel In detail the most relevant salience of this study is the provision of an additional contribution to

the recent debate on the process of making Palestinian and Israeli women activists more visible and the importance of this process as one of the most meaningful ways to open up areas of enquiry around major prospects for the end of the Israeli Palestinian conflict Tackling topical issues relating to alternative resolutions to the Israeli Palestinian conflict this book will be a valuable resource for both academics and activists with an interest in Middle East Politics Gender Studies and Conflict Resolution

Nation, Society and the State Dr. Abraham Weizfeld, 2012-03-09 This work treats the European political philosophy that has engendered the Nation State concept considered to be the logical evolution of human history as a linear periodization into the Modern State This Modern State concept is treated as the end of history in liberal democratic theory in spite of it remaining a European phenomenon Where it has been imposed beyond the European political culture it has provoked a plague of civil wars and occupations such as in Palestine In Europe itself it has also resulted in such features as the Spanish Inquisition the latter day Spanish civil war and the fascist dictatorship that followed as well as the Nazi regime and its Holocaust in alliance with the various fascist allies seeking their own Nation State Various attempts have followed in Europe itself to overcome the Nation State itself by means of the European Union which sought to unite the Nation States with a federated effort to bring some stability to the economy and life of the region in light of the disastrous wars of the twentieth century The contradictions of the Nation State and Federalism become ever more apparent as the EU now descends into economic chaos This sub title invites a comparison and a contrast between the Jewish political culture and the Zionist movement One may consider political culture as encompassing Civil Society history religious theology and law comprising a collective consciousness this historical heritage forms a national identity which is currently oriented into nationalism by the State The endurance of national identity apart from the State and with the extinction of the State is projected as the basis of an independent Civil Society

Israel S. Ilan Troen, Noah Lucas, 2012-02-01 Israel presents a panoramic display of fresh interpretations and new research findings related to Israel's first decade of independence Those years of rapid change are widely regarded as a formative period in the development of the state and the society As new archival materials have become available for scrutiny a new generation of historians and social scientists has begun to re-examine old issues and to raise new questions In this context of academic ferment scholars in diverse disciplines of different generations and of opposing ideological orientations have collaborated in this book in examining the period anew Thirty two authoritative essays offer new understandings from the diverse perspectives of history political science sociology literary criticism geography anthropology and law The intention is to provide a wide ranging reconsideration of post independence Israel that will serve as a benchmark for future study and research

Islam and Secularism in the Middle East Azzam Tamimi, John L. Esposito, 2000-10 Western civilization tends to view secularism as a positive achievement From this perspective benefits of secularizing trends include the separation of church and state the rule of law and freedom from organized religion In the Arab Middle East however Islamist intellectuals increasingly cite Western inspired secularism as

the source of the region's social dislocation and political instability While secularism in the West led to the spread of democratic values in the Muslim world it has been associated with dictatorship the violation of human rights and the abrogation of civil liberties Islam and Secularism in the Middle East examines the origins and growth of the movement to abolish the secularizing reforms of the past century by creating a political order guided by Shariah law Contributors explain the Islamic rejection of secularism as a failed Western Christian ideal and also discuss how secularization was pioneered by those who thought Muslims could only advance politically by emulating Western practices including the renunciation of religion
