**Rural China, 1901-1949** Wang Xianming,2021-03-02 Highlighting the interwoven relationship between Chinese rural society and larger historical forces this book charts the evolution of China s rural society from 1901 to 1949 concentrating on the major changes of this period and the scenarios developed to modernize rural society during the half century leading up to the Revolution The modern history of rural China is one of sweeping institutional and structural transformation across many dimensions As the first half of the twentieth century unfolded against a backdrop of turbulent changes across a country that underwent industrialization urbanization and modernization China s agriculture rural population and rural communities encountered many crises but also showed remarkable resilience and capacity for adaptation and reform In each of the six chapters the author delves into one aspect or examines one period of this massive transformation and identifies the social economic political and cultural significance of these tumultuous processes at work The book will appeal to both scholars and general readers interested in modern Chinese history and the transformation of rural China **Discipline and**

**Development** Diane E. Davis,2004-03-22 Perhaps the most commonly held assumption in the field of development is that middle classes are the bounty of economic modernization and growth As countries gradually transcend their agrarian past and become urbanized and industrialized so the logic goes middle classes emerge and gain in number complexity cultural influence social prominence and political authority Yet this is only half the story Middle classes shape industrial and economic development they are not merely its product the particular ways in which middle classes shape themselves and the ways historical conditions shape them influence development trajectories in multiple ways This is the story of South Korea s and Taiwan s economic successes and Argentina s and Mexico s relative failures through an examination of their rural middle

classes and disciplinary capacities Can disciplining continue in a context where globalization squeezes middle classes and frees capitalists from the state and social contracts in which they have been embedded **Land Reform in Developing Countries** Michael Lipton,2009-06-24 Redistributing land rights is a tricky subject and one that easily becomes controversial as recent experience has shown This new book calmly examines the strengths and weaknesses of different forms of land redistribution **Reival: China's Finance and Trade: A Policy Reader (1978)** Gordon A. Bennett,2017-09-29 This title was first published in 1978 Routledge Handbook of Contemporary India Knut A. Jacobsen,2023-11-30 This revised and updated new edition of the Routledge Handbook of Contemporary India concentrates on India as it emerged after the economic reforms and the new economic policy of the 1980s and 1990s and as it develops in the twenty first century It presents new developments and advancements in the research literature and includes discussions of the major political change in India since the Hindu nationalist party Bharatiya Janata Party BJP came to power in 2014 This Handbook contains chapters by the field s foremost scholars dealing with fundamental issues in India s current cultural and social transformation This new edition also contains six new chapters on topics not covered by the first edition such as changes caused by the Hindu majoritarian political ideology the Hinduization process in the northeast of India and contemporary Dalit and Adivasi literatures Following an introduction by the editor the book is divided into five parts Part I Foundation Part II India and the world Part III Society class caste and gender Part IV Religion and diversity Part V Cultural change and innovations Exploring the cultural changes and innovations relating a number of contexts in contemporary India this Handbook is essential reading for students and scholars interested in Indian and South Asian culture politics and society *Korea's Political Economy* Lee-Jay Cho,2019-03-07 Over the past three decades South Korea has moved along a path of strong economic growth and political democratization attracting worldwide attention and providing valuable lessons for other developing economies Yet Korea still must grapple with many intractable problems fueled by its rapid industrialization and uneven growth including unbalanced distribution of wealth concentrated economic power and adversarial relationships between management and labor Within the context of these sweeping changes this volume explores options for economic and social institutional reform in Korea Drawing on models of economic development from Japan the United States and Europe a distinguished group of Asian and Western scholars relates the experiences of previously industrialized economies to each facet of Koreas economic system including national management taxation and banking land ownership and use trade and industrial strategy and relations among business ownership management and labor In so doing the contributors provide valuable insights and fresh proposals for a viable model of social and economic modernization Throughout the volume the contributors emphasize the importance of Koreas cultural heritage not only in explaining the nations recent growth but also as a key element of its continued success By providing an overview of the evolution and interaction of Korean economic political and sociocultural institutions the contributors make clear how these structures mediate the movement between

cultural values and economic progress      Land Reform in Russia, 1906-1917 Judith Pallot, 1999-05-20 Since the collapse of the USSR there has been a growing interest in the Stolypin Land Reform as a possible model for post Communist agrarian development Using recent theoretical and empirical advances in Anglo American research Dr Pallot examines how peasants throughout Russia received interpreted and acted upon the government s attempts to persuade them to quit the commune and set up independent farms She shows how a majority of peasants failed to interpret the Reform in the way its authors had expected with outcomes that varied both temporally and geographically The result challenges existing texts which either concentrate on the policy side of the Reform or if they engage with its results use aggregated official statistics which this text argues are unreliable indicators of the pre revolutionary peasants reception of the Reform
