distil the information for readers The book is a primary reference material for courses on automation in agriculture It can also serve as a handbook for anyone interested in advances in farming     *Hazell's Annual* ,1912     The Construction of Property Amnon Lehavi,2013-06-20 Presents a structural and institutional theory of property and examines property regimes protagonists of property and the challenges of globalisation     **Rooted in the Land** William Vitek,Wes Jackson,1996-01-01 This book is dedicated to the notion that human lives are enriched by participation in a social community that is integrated into the natural landscape of a particular place The writers explore the loss of community the philosophical foundations of communities Amish communities and the current renewal of community life     **Tending to the Past** Karen Michele Chandler,2024-01-18 In many popular depictions of Black resistance to slavery stereotypes around victimization and the heroic efforts of a small number of individuals abound These ideas ignore the powers of ordinary families and obscure the systematic working of racism *Tending to the Past* Selfhood and Culture in Children s Narratives about Slavery and Freedom examines Black authored historical novels and films for children that counter this distortion and depict creative means by which ordinary African Americans survived slavery and racism in early America *Tending to the Past* argues that this important understudied historical writing freedom narratives calls on young readers to be active critical thinkers about the past and its legacies within the present The book examines how narratives by children s book authors such as Joyce Hansen Julius Lester Marilyn Nelson and Patricia McKissack and the filmmakers Charles Burnett and Zeinabu irene Davis were influenced by Black cultural imperatives such as the Black Arts Movement to foster an engaged culturally aware public Through careful analysis of this rich body of work *Tending to the Past* thus contributes to ongoing efforts to construct a history of Black children s literature and film attuned to its range specificity and depths *Tending to the Past* provides illuminating interpretations that will help scholars and educators see the significance of the freedom narratives reconstructions in a neoliberal era a time of shrinking opportunities for many African Americans It offers models for understanding the powers and continuing relevance of the Black child s creative agency and the Black cultural practices that have fostered it     *Private Property and the Endangered Species Act* Jason F. Shogren,2013-10-01 Our whole nation benefits from the preservation of natural habitats and their diversity of animal and plant species yet small groups of private landowners often bear most of the costs of setting land aside for conservation purposes This imbalance has generated many conflicts since the passage of the Endangered Species Act in 1973 and remains one of the most controversial issues to be resolved as the ESA makes its way through Congress for reauthorization To provide policy makers landowners and other stakeholders in the ESA debates with impartial baseline information this book offers multidisciplinary perspectives on the role that private property plays in protecting endangered species in the United States The opening chapter traces the evolution of the ESA and set forth the parameters of the debate over regulation of private property Four subsequent chapters explore the judicial and economic implications of ESA and suggest how issues of scale and diversity affect the

implementation of the ESA on private property The volume concludes with eight principles to help frame the ongoing ESA reauthorization debate developed by the University of Wyoming's Institute for Environment and Natural Resources Policy Board the sponsor of the research presented in this book

**The Water Mythos** Pasquale De Marco, 2025-03-22 In this captivating exploration of water's multifaceted nature we journey through its scientific cultural and spiritual significance From its unique properties that sustain life to its role in shaping human history and culture water is an endless source of wonder and mystery We delve into the scientific mysteries of water examining its unique properties and the role it plays in Earth's ecosystems We explore the diverse ways in which humans have harnessed water for their own purposes from transportation and irrigation to energy generation and recreation But water is more than just a physical substance It is also a source of deep cultural and spiritual meaning We explore the myths legends and religious beliefs that have been inspired by water throughout history We examine the healing properties attributed to water and the scientific evidence that supports or refutes these beliefs As we look to the future we face unprecedented challenges to our water resources We examine these challenges and discuss potential solutions such as water conservation desalination and wastewater treatment The future of water is uncertain but by understanding its profound significance we can work together to protect and preserve this precious resource for generations to come This book is an invitation to discover the wonders of water It is a journey that will deepen your appreciation for this life giving force and inspire you to protect it for future generations If you like this book write a review

Lost in Transition Aaron D. Purcell, 2023-09-29 In Lost in Transition Removing Resettling and Renewing Appalachia Aaron D Purcell presents a thematic and chronological exploration of twentieth century removal and resettlement projects across southern Appalachia The book shares complex stories of loss and recollection that have grown and evolved over time This edited volume contains seven case studies of public land removal actions in Virginia Kentucky the Carolinas and Tennessee from the 1930s through the 1960s Some of the removals include the Tennessee Valley Authority and the Norris Basin Shenandoah National Park and the New River the Great Smoky Mountains National Park and the Keowee Toxaway Project in northwestern South Carolina Each essay asks key questions How did governmental entities throughout the twentieth century deal with land acquisition and removal of families and communities What do the oral histories of the families and communities particularly from different generations tell us about the legacies of these removals This collection reveals confrontations between past and present federal agencies and citizens and the original accounts of removal and resettlement and contemporary interpretations The result is a blending of practical

historical concerns with contemporary nostalgia and romanticism which often deepen the complexity of Appalachian cultural life *Lost in Transition* provides a nuanced and insightful study of removal and resettlement projects that applies critical analysis of fact mythology and storytelling It illustrates the important role of place in southern Appalachian history This collection is a helpful resource to anthropologists folklorists and Appalachian studies scholars and a powerful volume of stories for all readers who reflect upon the importance of place and home      *Cobbett's Parliamentary Debates* Great Britain.
