called her my lady from the moment that she was put at the head of our section and the chief called her Lady Molly in our presence We of the Female Department are dreadfully snubbed by the men though don t tell me that women have not ten times as much intuition as the blundering and sterner sex my firm belief is that we shouldn t have half so many undetected crimes if some of the so called mysteries were put to the test of feminine investigation Do you suppose for a moment for instance that the truth about that extraordinary case at Ninescore would ever have come to light if the men alone had had the handling of it Would any man have taken so bold a risk as Lady Molly did when But I am anticipating Let me go back to that memorable morning when she came into my room in a wild state of agitation The chief says I may go down to Ninescore if I like Mary she said in a voice all a quiver with excitement You I ejaculated What for What for what for she repeated eagerly Mary don t you understand It is the chance I have been waiting for the chance of a lifetime They are all desperate about the case up at the Yard the public is furious and columns of sarcastic letters appear in the daily press None of our men know what to do they are at their wits end and so this morning I went to the chief Yes I queried eagerly for she had suddenly ceased speaking Well never mind now how I did it I will tell you all about it on the way for we have just got time to catch the 11 a m down to Canterbury The chief says I may go and that I may take whom I like with me He suggested one of the men but somehow I feel that this is woman s work and I d rather have you Mary than anyone We will go over the preliminaries of the case together in the train as I don t suppose that you have got them at your fingers ends yet and you have only just got time to put a few things together and meet me at Charing Cross booking office in time for that 11 0 sharp *Merchant Vessels of the United States* ,1970 **Merchant Vessels of the United States...** United States. enforcement narratives Baroness Emmuska Orczy herself an aristocrat of Hungarian descent was most famously known for her novel *The Scarlet Pimpernel* She was a keen observer of the societal structures and notions of nobility and gender roles of her time which considerably influenced her writing Her personal narrative that of an immigrant who had migrated to London manifests in her strong willed characters who often defy conventions and societal expectations like Lady Molly who embodies Orczy's own experience with unconventional courage and astuteness The groundwork for such a character could have been inspired by Orczy's own need to traverse and challenge the dynamics of a society that was rigid and often unkind to outsiders and women thus imbuing her character with authenticity and depth *Lady Molly of Scotland Yard* is highly recommended for those with a penchant for classic detective fiction and readers interested in proto feminist literary works The book provides not only an engaging puzzle to unravel but also a textual representation of a progressive female protagonist intricately woven against a backdrop of Edwardian society Orczy's work resonates still offering a blend of historical perspective and timeless intrigue that will captivate the modern reader while contributing to the discourse on gender and genre in literary traditions

Lady Molly Of Scotland Yard Baroness Orczy, 2022-11-22 In *Lady Molly of Scotland Yard* Baroness Orczy crafts a compelling narrative that merges the mystery genre with a distinctive feminist perspective Set against the backdrop of early 20th century London the novel follows the astute and unconventional Lady Molly a female detective who defies societal norms to solve intricately woven cases Orczy's prose is marked by its vivid descriptions and sharp dialogue reflecting a period when women began to assert their agency in both public and private spheres The story operates within the conventions of detective fiction while simultaneously subverting gender expectations making it a pioneering work in its field Baroness Orczy a Hungarian born writer and playwright moved to England in her youth where she became immersed in the literary culture of the time Her background in theatre and affinity for dramatic storytelling influenced her writing style Growing up in a society that often marginalized women's contributions Orczy's creation of Lady Molly not only portrays an intelligent and resourceful woman but also speaks to the author's advocacy for women's rights and roles in society thereby reflecting her personal convictions and experiences Readers seeking an engaging blend of ingenuity and social commentary will find *Lady Molly of Scotland Yard* a rewarding exploration of both crime and gender dynamics This novel is not only a gripping tale of deduction but a reflection on the changing roles of women in early 20th century society making it essential reading for mystery enthusiasts and scholars alike
