Robert Thornhill

Lady In The Morgue:

The Lady in the Morgue Jonathan Latimer, 2014-04-29 A vanished corpse leads a hard drinking PI on a madcap chase. More than forty corpses fill the cold Chicago basement but no crime has been committed here. After all, there are supposed to be bodies in the city morgue. Tonight one is attracting particular attention: a beautiful young woman whose apparent suicide captured the imagination of every newspaper editor in town. Learning how and why she died is too great a task for any cub reporter. Only Detective Bill Crane is up to the job. A few minutes after Crane wakes from a nap in the morgue, the mysterious woman's body has disappeared. With the howls of the mental patients as a soundtrack, Crane leads the police on a wild search through the hospital and across Chicago, stopping for a nap or a cocktail whenever the situation demands. It may be a matter of life and death, but that is no reason to rush.

Mystery Movie Series of 1930s Hollywood Ron Backer, 2012-08-01 This companion volume to *Mystery Movie Series of 1940s Hollywood* (McFarland, 2010) focuses on 22 series and 167 individual films primarily released during the 1930s. It was a decade that featured some of the most famous cinema detectives of all time, among them Charlie Chan, Nick and Nora Charles, Philo Vance, Nancy Drew, and such lesser-known but equally entertaining figures as Hildegarde Withers, Torchy Blane, Mr. Moto, Mr. Wong, and Brass Bancroft. Each mystery movie series is placed within its historical context, with emphasis on its source material and the changes or developments within the series over time. Also included are reviews of all the series films, analyzing the quality and cohesiveness of the mystery plotlines. For titles based on literary sources, a comparison between the film and the written work is provided.

Astor Pictures Michael R. Pitts, 2019-04-19 Founded by Robert M. Savini in 1933, Astor Pictures Corporation distributed hundreds of films in its 32 years of operation. The company distributed over 150 first-run features in addition to the numerous re-releases for which it became famous. Astor had great success in the fields of horror and western movies and was a pioneer in African American film productions. While under Savini's management, Astor and its subsidiaries were highly successful, but after his death in 1956, the company was sold, leading to eventual bankruptcy and closure. This volume provides the first in-depth look at Astor Pictures Corporation, with thorough coverage of its releases, including diverse titles like *La Dolce Vita* and *Frankenstein's Daughter*.

Of Gods and Monsters John T. Soister, 2015-09-18 While Universal's *Dracula* and *Frankenstein* (both 1931) have received the most coverage of any of the studio's genre releases, it is the lesser-known films that have long fascinated fans and historians alike. Starting with *The Last Warning* (a 1929 movie released as both a silent and a talkie), Universal provided a decade of films that entertained audiences and sometimes frustrated critics. Each of Universal's horror, science fiction, and twisted mystery films receives an in-depth essay. For each film, the focus is first on the background to the making of the movie and its place in the Universal catalog. A detailed plot synopsis with critical commentary follows. Filmographic data for the film concludes the entry. Universal's *The Shadow* short film series is covered in an appendix. Many rare illustrations and movie posters are also included.

Lady In The Morgue Introduction

In today's digital age, the availability of Lady In The Morgue books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lady In The Morgue books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lady In The Morgue books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lady In The Morgue versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lady In The Morgue books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lady In The Morgue books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lady In The Morgue books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lady In The Morgue books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lady In The Morgue books and manuals for download and embark on your journey of knowledge?
