

Lafrançois House's  
Lectures on Technology

Received 10 November 2004; accepted 12 January 2005

A student from years ago's poetry studies learned eagerly to the lecture on Tennyson given at Tokyo Imperial University by Lafcadio Hearn. Not only did he write down on his notes book every word of enthusiasm given by his teacher but also copied faithfully the poetic diagrams which Hearn drew on the top of each leaf. These are the only ones on the subject of Japanese literature given by Hearn, and they are now being preserved as historical evidence of this region. It is a valuable inheritance to the students of Lafcadio Hearn, and should not be seized from our collection of Hearn's writings.

## **Lafcadio Hearn's Lectures On Tennyson:**

*Lafcadio Hearn's Lectures on Tennyson* Lafcadio Hearn, 1970      **Lafcadio Hearn's Lectures on Tennyson; Compiled by Shigetsugu Kishi** Lafcadio Hearn, Shigetsugu Kishi (comp), 1970      **Books and Habits from the lectures of Lafcadio Hearn** John Erskine, 2015-02-10 Originally published in 1922 this work is a collection of lectures given by the American author Lafcadio Hearn. He is best known for his works on Japan, most notably his collections of Japanese legends and ghost stories. These lectures, however, are on the subject of western literature, and we are republishing them with a brand new introductory biography of the author. The following passage is an extract from the editor of the transcripts, John Erskine. It should be remembered that these lectures were delivered to Japanese students, and that Hearn's purpose was not only to impart the information about Western literature usually to be found in our histories and text books, but much more to explain to the Oriental mind those peculiarities of our civilization which might be hard to understand on the further side of the Pacific Ocean. The lectures are therefore unique in that they are the first large attempt by a Western critic to interpret us to the East. That we shall be deeply concerned in the near future to continue this interpretation on an even larger scale, no one of us doubts. We wish we might hope for another genius like Hearn to carry on the work.      Alfred Tennyson Laurence W. Mazzeno, 2004 The poet's reputation has weathered even the most vitriolic attempts to discredit both the man and his writings, and as criticism of the late twentieth century demonstrates, Tennyson's claim to pre-eminence among the Victorians is now unchallenged.      **Books and Habits from the Lectures of Lafcadio Hearn** Lafcadio Hearn, 2024-06-01 Immerse yourself in the profound insights and reflections of Lafcadio Hearn with his enlightening collection *Books and Habits from the Lectures of Lafcadio Hearn*. Journey through the corridors of knowledge and introspection as Hearn shares his thoughts on literature, culture, and the human experience. As Hearn's lectures unfold, prepare to be captivated by his eloquence and depth of understanding. From the power of storytelling to the nuances of daily life, each lecture offers a glimpse into the mind of a true intellectual. But here's the thought-provoking question that will linger in your mind: What habits shape our lives, and how do they influence our perceptions of the world? Are we merely creatures of habit, or do our choices define who we are and what we become? Explore the interplay between books and habits as Hearn delves into the ways in which literature shapes our thoughts and behaviors. Through his keen observations, discover the transformative power of reading and the importance of cultivating meaningful habits. Are you ready to embark on a journey of self-discovery and intellectual exploration with Lafcadio Hearn? Dive into Hearn's thought-provoking lectures, presented in concise, insightful prose. Let his words inspire you to embrace the power of literature and cultivate habits that lead to a more fulfilling life. Join the ranks of those who seek knowledge and wisdom in the pages of books. Start your journey towards personal growth and enlightenment today. Experience the wisdom of Lafcadio Hearn firsthand. Purchase *Books and Habits from the Lectures of Lafcadio Hearn* now and unlock the secrets to a life enriched by literature and meaningful habits.      *National Union Catalog*, 1978 Includes entries
