## **L'affaire Papin:**

L'affaire Papin Genevieve M. Fortin, 2001-01-17 When Madame Lancelin and her daughter were killed by their maids Christine and Lea Papin in the winter of 1933 France was simultaneously shocked and fascinated by the bizarre crime The crime was especially interesting to the literary community so much so that it was incorporated in various works of fiction L Affaire Papin Stylisation Du Fait Divers examines how the case has been treated throughout history and also examines what attracted Simone de Beauvoir Jean Paul Sartre Jacques Lacan Jean Genet and Paul Houdyer to the case Text in French

**L'affaire Papin** Genevieve Fortin, 1999      **The Papin Sisters** Rachel Edwards, Keith Reader, 2001-08-02 The 1933 killing by the Papin sisters of their mistress and her daughter was an act of unexampled violence by women against women whose repercussions have been felt in French culture ever since It received wide journalistic coverage at the time and subsequently prominent literary figures such as Jean Paul Sartre Simone de Beauvoir and Jean Genet have dealt with the case which has also formed the basis of a stage play by Wendy Kesselmann and films by Nico Papatakis Nancy Meckler and Claude Chabrol The case casts fascinating light on French provincial life between the wars the role of women especially unmarried ones in French society and French views of the criminal outsider Its impact on psychoanalytic discourse through the work first of Jacques Lacan then of Francis Dupr and Marie Magdeleine Lessana has also been considerable notably in its contribution to the development of the key notion of the mirror phase The almost obsessive recurrence of the case makes of it a fascinating prism through which to examine multiple aspects of recent French culture      **L'affaire Papin** Sophie Darblade-Mamouni, 1999-01-01 T23:00:00+01:00 En cette soir e tragique du 2 f vrier 1933 Ren Lancelin notable du Mans ne peut p n trer l int rieur de son domicile La maison est plong e dans le noir la porte est verrouill e et ni sa femme ni sa fille ni les deux bonnes Christine et L a Papin ne r pondent Inquiet il alerte la police qui s empresse d ouvrir et d couvrir alors l pouvantable drame les corps ensanglant s de sa femme et sa fille gisent l tage Les victimes sont atrocement d figur es les corps lard s de plusieurs dizaines de coups de couteau l tage la chambre des bonnes est ferm e clef Au fond de la pi ce les policiers d couvrent serr es l une contre l autre dans leur lit l il hagard les deux jeunes meurtri res D marre alors la t n breuse affaire des s urs Papin qui va mobiliser pendant plusieurs mois l opinion publique la presse les avocats les juges les experts psychiatriques pour essayer de comprendre la raison d un tel acte et le pourquoi d une telle violence Le geste des deux s urs tait il pr m dit taient elles ou non sous l emprise de la folie Sophie Darblade Mamouni nous raconte cette passionnante affaire qui a inspir nombre de psychanalystes d crivains et de cin astes ,      Violette Noziere Sarah Maza, 2011-05-31 On an August evening in 1933 in a quiet working class neighborhood in Paris eighteen year old Violette Nozi re gave her mother and father glasses of barbiturate laced medication which she told them had been prescribed by the family doctor one of her parents died the other barely survived Almost immediately Violette s act of double parricide became the most sensational private crime of the French interwar era discussed and debated so passionately that it was compared to

the Dreyfus Affair Why would the beloved only child of respectable parents do such a thing To understand the motives behind this crime and the reasons for its extraordinary impact Sarah Maza delves into the abundant case records re creating the daily existence of Parisians whose lives were touched by the affair This compulsively readable book brilliantly evokes the texture of life in 1930s Paris It also makes an important argument about French society and culture while proposing new understandings of crime and social class in the years before World War II *Les femmes criminelles: L'affaire Papin* ,2006

*Shared Madness - True Stories of Couples Who Kill* Christopher Berry-Dee,2010-03-01 Such unfortunate unions have been behind some of the most shocking news stories of recent years But what is it that makes couples like Myra Hindley and Ian Brady follow such a twisted path of sociopathic violence In this the first in depth study of cases of the condition known as folie a deux shared madness bestselling crime author Christopher Berry Dee invites the reader to look these killers couples right in the eye He offers a rare if uncomfortable insight into the truth behind the headlines and exposes some of the most cold blooded killers that the world has ever seen Included are some well known cases including the sickening murders committed by Fred and Rose West at their very own house of horror 25 Cromwell Street Other cases are more obscure but equally fascinating such as the story of Cynthia Coffman and James Gregory Marlow whose relationship led to three brutal murders Every one of the 22 cases of shared madness is a uniquely revealing study making *Shared Madness* a must read for anyone with an interest in true crime and criminal psychology

**The Politics and Poetics of Everyday Life** Kristin Ross,2023-05-02 Using the concept of the everyday as a lever for social transformation The texts in this volume represent Kristin Ross s attempt to think the question of the everyday across a range of discourses practices and knowledges from philosophy to history from the visual arts to popular fiction all the way to the forms taken by collective political action in the territorial struggles of today If everyday life is as many have come to believe the ideal vantage point for an analysis of the social it is also the crucial first step in its transformation The volume opens with a return to Henri Lefebvre s powerful attempt to use the everyday as both residue and resource as the site of profound alienation and by the same token the site where all emancipatory initiatives and desires begin The second section focuses on our attempts to represent our lived reality to ourselves in cultural forms from painting and literature and film to an analysis of the contemporary transformations of the sub genre most embedded in the deep superficiality of everyday life detective fiction The final section turns to present day ecological occupations in the wake of the zad at Notre Dame des Landes and locates the everyday as a site for rich oppositional resources and immanent social creativity

**Cincinnati Romance Review** ,2001 *Insane Passions* Christine Coffman,2006-12-12 In France in 1933 two sisters presumed to be lovers murdered the women who employed them as maids Known as the Papin affair the incident inspired not only Jean Genet s 1947 *The Maids* but also an essay by Jacques Lacan that presents the sisters crime as fueled by a narcissistic homosexual drive that culminated in the assault In this new investigation of the roots of the twentieth century myth of the lesbian as madwoman Christine Coffman argues that the

female psychotic was the privileged object of Lacan's effort to derive a revolutionary theory of subjectivity from the study of mental illness Examining Lacan's early writings French surrealism Djuna Barnes Nightwood and H D's homoerotic fiction in light of feminist and queer theory *Insane Passions* argues that the psychotic woman that fascinates modernist writers returns with a murderous vengeance in a number of late twentieth century films including *Basic Instinct* *Sister My Sister* *Single White Female* and *Murderous Maids* Marking the limit of social acceptability the psychotic lesbian repeatedly appears as the screen onto which the violence and madness of twentieth century life are projected

### **The Rites of Passage of Jean**

**Genet** Gene A. Plunka, 1992 In this book Gene A. Plunka argues that the most important single element that solidifies all of Genet's work is the concept of metamorphosis Genet's plays and prose demonstrate the transition from game playing to the establishment of one's identity through a state of risk taking that develops from solitude However risk taking per se is not as important as the rite of passage Anthropologist Victor Turner's work in ethnography is used as a focal point for the examination of rites of passage in Genet's dramas Rejecting society Genet has allied himself with peripheral groups marginal men and outcasts scapegoats who lack power in society Much of their effort is spent in revolt or direct opposition in mainstream society that sees them as objects to be abused As an outcast or marginal man Genet solved his problem of identity through artistic creation and metamorphosis Likewise Genet's protagonists are outcasts searching for positive value in a society over which they have no control they always appear to be the victims or scapegoats As outcasts Genet's protagonists establish their identities by first willing their actions and being proud to do so Unfortunately man's sense of Being is constantly undermined by society and the way individuals react to roles norms and values Roles are the products of carefully defined and codified years of positively sanctioned institutional behavior According to Genet role playing limits individual freedom stifles creativity and impedes differentiation Genet equates role playing with stagnant bourgeois society that imitates rather than invents the latter is a word Genet often uses to urge his protagonists into a state of productive metamorphosis Imitation versus invention is the underlying dialectic between bourgeois society and outcasts that is omnipresent in virtually all of Genet's works Faced with rejection poverty oppression and degradation Genet's outcasts often escape their horrible predicaments by living in a world of illusion that consists of ceremony game playing narcissism sexual and secret rites or political charades Like children Genet's ostracized individuals play games to imitate a world that they can not enter Essentially the play acting becomes catharsis for an oppressed group that is otherwise confined to the lower stratum of society Role players and outcasts who try to find an identity through cathartic game playing never realize their potential in Genet's world Instead Genet is interested in outcasts who immerse themselves in solitude and create their own sense of dignity free from external control Most important these isolated individuals may initially play games yet they ultimately experience metamorphosis from a world of rites charades and rituals to a type of sainthood where dignity and nobility reign The apotheosis is achieved through a distinct act of conscious revolt designed to condemn the risk taker to a

degraded life of solitude totally distinct from society's norms and values Book Jacket Feminist Time Against Nation Time Victoria Hesford, Lisa Diedrich, 2009-12-01 Feminist Time Against Nation Time offers a series of essays that explore the complex and oftentimes contradictory relationship between feminism and nationalism through a problematization of temporality Although there has been much recent discussion in the U S of the wars in Afghanistan and Iraq and the War on Terror as signaling a new period of permanent war feminist voices have not been at all prominent in this discussion This collection considers not only the ways in which public spaces for dissent are limited but also the ways in which the time for such dissent is cut short Feminist Time Against Nation Time combines philosophical examinations of Women's Time by Julia Kristeva and The Time of Thought by Elizabeth Grosz with essays offering case studies of particular events including Kelly Oliver's essay on the media coverage of the U S wars on terror and in Afghanistan and Iraq and Betty Joseph's on the anti colonial uses of women's time in the creation of nineteenth century Indian nationalism Feminist Time Against Nation Time juxtaposes feminist time against nation time in order to consider temporalities that are at once contrary to but also drawing toward each other Yet Hesford and Diedrich also argue that because as an untimely project feminism necessarily operates in a different temporality from that of the nation againstness is also used to provoke a rupture a momentary opening up of a disjuncture between the two that will allow us to explore the possibilities of creating a space and time for feminists to think against the current of the present moment Sex, Violence, and the Avant-garde Richard David Sonn, 2010 Sex Violence and the Avant Garde examines the French anarchist movement between the wars from a socio cultural perspective considering the relationship between anarchism and the artistic avant garde and surrealism political violence and terrorism sexuality and sexual politics and gender roles **Into Print** Charles Walton, 2011-01-01 The famous clash between Edmund Burke and Tom Paine over the Enlightenment's evil or liberating potential in the French Revolution finds present day parallels in the battle between those who see the Enlightenment at the origins of modernity's many ills such as imperialism racism misogyny and totalitarianism and those who see it as having forged an age of democracy human rights and freedom The essays collected by Charles Walton in Into Print paint a more complicated picture By focusing on print culture the production circulation and reception of Enlightenment thought they show how the Enlightenment was shaped through practice and reshaped over time These essays expand upon an approach to the study of the Enlightenment pioneered four decades ago the social history of ideas The contributors to Into Print examine how writers printers booksellers regulators police readers rumormongers policy makers diplomats and sovereigns all struggled over that broad range of ideas and values that we now associate with the Enlightenment They reveal the financial and fiscal stakes of the Enlightenment print industry and in turn how Enlightenment ideas shaped that industry during an age of expanding readership They probe the limits of Enlightenment universalism showing how demands for religious tolerance clashed with the demands of science and nationalism They examine the transnational flow of Enlightenment ideas and opinions exploring its domestic and diplomatic implications

Finally they show how the culture of the Enlightenment figured in the outbreak and course of the French Revolution Aside from the editor the contributors are David A Bell Roger Chartier Tabettha Ewing Jeffrey Freedman Carla Hesse Thomas M Luckett Sarah Maza Renato Pasta Thierry Rigogne Leonard N Rosenband Shanti Singham and Will Slauter **Screen World 2003** John Willis,2004-02-01 Screen World Movie fans eagerly await each year s new edition of Screen World the definitive record of the cinema since 1949 Volume 54 provides an illustrated listing of every American and foreign film released in the United States in 2002 all documented with more than 1000 photographs The 2003 edition of Screen World features such notable films as Chicago the Academy Award winner for Best Picture Martin Scorsese s Academy Award nominated Gangs of New York The Pianist featuring the surprise Academy Award winners Adrien Brody for Best Actor and Roman Polanski for Best Director Spider Man the highest grossing film of 2002 The Hours with Academy Award winner for Best Actress Nicole Kidman and About Schmidt starring Academy Award nominees Jack Nicholson and Kathy Bates As always Screen World s outstanding features include photographic stills and shots of the four Academy Award winning actors as well as all acting nominees a look at the year s most promising new screen personalities complete filmographies cast and characters credits production company date released rating and running time and biographical entries a priceless reference for over 2 400 living stars including real name school and date and place of birth Includes over 1 000 photos The enduring film classic Variety *Post-Transitional Justice* Cath Collins,2010-01-01 Analyzes how activists legal strategies and judicial receptivity to human rights claims are constructing new accountability outcomes for human rights violations in Chile and El Salvador Provided by publisher [New Remarks on the Passage to the Act](#) Jean Allouch,2025-03-31 New Remarks on the Passage to the Act considers what happens when psychoanalysis and the social sciences are called on to help modern societies overwhelmed by unexplained violence Jean Allouch examines key events the crimes of the Papin sisters Lacan s case of Aim e and the murder of H l ne Rytman by Louis Althusser and unpacks the concept of the passage to the act The book assesses these classic cases resorting to contemporaneous studies and literature particularly discussing Marguerite Duras novel L Amante Anglaise The book also considers modern acts of terrorism New Remarks on the Passage to the Act will be of great interest to clinicians academics and scholars of psychoanalysis Lacanian studies sociology cultural studies and philosophy and to Lacanian analysts in practice and in training **The Canada Gazette** Canada,1926 *Les Bonnes de Jean Genet (Analyse approfondie)* Thomas Sinaeve,Profil-litteraire.fr,2017-06-26 Cet ouvrage fournit une analyse approfondie de Les Bonnes de Jean Genet avec toutes les cl s pour analyser l uvre Retrouvez dans cette analyse approfondie des Bonnes de Jean Genet tout ce que vous devez savoir sur cette pi ce incontournable Les Bonnes pi ce embl matique de Jean Genet met en sc ne deux s urs au service de leur ma tresse pour laquelle elles semblent prouver des sentiments contradictoires d amour haine passionn s Leur frustration s exprime travers une c r monie quotidienne dans laquelle elles jouent la fois leur propre r le et celui de Madame La pi ce voque de mani re extr mement frontale et rotis e la pulsion de meurtre au travers d un texte
