Horror Lizards - Pyrrus and Kerk 8 Stig Granfors, Marcus Granfors, 2022-07-22 The big and dangerous horror lizards have survived the asteroid rain and are tormenting the small colony on Southworld again The hormone mixture which is supposed to reduce the aggressive behaviour of the Tyrannosaurus beasts doesn't help this time The big lizards are about to wipe out both humans and the intelligent raptors on the planet Pyrrus and Kerk intercept the emergency signal and rush to the rescue An ancient temple gives them a clue as to how to fight the violent attacks The temple also shows that man is not alone in the Andromeda Galaxy Traces of other intelligent life are obvious The eighth novel about the space adventurers Pyrrus and Kerk whose motto is It will get better The big horror lizards were now concentrating entirely on their meal Only the leader sometimes stretched his nose up in the air and sniffed Their species had existed on the planet for millions of years before man If they were left in peace they would take over all niches of life again There would be no new species of any other kind on Southworld Evolution would halt for millions of years The other horror lizard didn't have much power left either But the irrational hatred gave the big horror lizard new powers The predator crawled along the tree trunk ever closer The alpha male realized that he could no longer escape It was time for the final fight The one he had always tried to avoid and the one the big horror lizards were just waiting for He got up and waited for his opponent His thoughts rushed The big lizards are slow in their movements Clumsy Heavy footed Move fast he told himself The problem was that he felt tired and weak He didn't know was he flexible enough to outsmart this much heavier opponent However the big lizard's hanging tongue was a good sign They were both equally exhausted

Through the portal Wesley Wang, 2024-11-22 Once there was only a whisper the legend of a being caught between life and death a master of shadows who bore the secrets of forgotten magic This legend was forgotten until today Reborn in iron armor and with a sword as cold as the grave a new power has arisen bound to a destiny as twisted as the dark magic that flows through his veins But the world is no longer the same Old empires have crumbled gods have fallen silent and humanity clings to survival under the shadow of cruel beasts and tyrants In a realm full of ancient terrors a lone warrior rises a fragile spark in an endless storm armed with cursed magic and an unbending will Now a path of rebellion is forged through this unforgiving world With every step secrets come to light that would have been better left buried and powers emerge that can hardly be restrained Forged anew in the fire of revenge unstoppable and implacable this new champion marches toward an uncertain destiny This world has not yet known true darkness but that will soon change Welcome to the edge of the unknown
