

The background is a light blue gradient. It features several stylized snowflakes in white and light blue, some of which are larger and more detailed than others. There are also several small, five-pointed stars in a darker blue color. The overall effect is a soft, wintry atmosphere.

## Here Comes The Snow:

First Reader Lottie E. Jones, 1897      **The Snow Queen** Adrian Mitchell, 2012-08-14 Commissioned by the NYS Theatre Institute and performed both in New York and London This tale of friendship and loyalty is an outstanding musical brimming with adventure and fun One day Kai is snatched away by the Snow Queen and taken to her icy palace Gerda sets out to find her friend and free him from the grasp of the wicked queen      **The Snow Image** Nathaniel Hawthorne, 2016-01-08 THE SNOW IMAGE A CHILDISH MIRACLE One afternoon of a cold winter's day when the sun shone forth with chilly brightness after a long storm two children asked leave of their mother to run out and play in the new fallen snow The elder child was a little girl whom because she was of a tender and modest disposition and was thought to be very beautiful her parents and other people who were familiar with her used to call Violet But her brother was known by the style and title of Peony on account of the ruddiness of his broad and round little phiz which made everybody think of sunshine and great scarlet flowers The father of these two children a certain Mr Lindsey it is important to say was an excellent but exceedingly matter of fact sort of man a dealer in hardware and was sturdily accustomed to take what is called the common sense view of all matters that came under his consideration With a heart about as tender as other people's he had a head as hard and impenetrable and therefore perhaps as empty as one of the iron pots which it was a part of his business to sell The mother's character on the other hand had a strain of poetry in it a trait of unworldly beauty a delicate and dewy flower as it were that had survived out of her imaginative youth and still kept itself alive amid the dusty realities of matrimony and motherhood So Violet and Peony as I began with saying besought their mother to let them run out and play in the new snow for though it had looked so dreary and dismal drifting downward out of the gray sky it had a very cheerful aspect now that the sun was shining on it The children dwelt in a city and had no wider play place than a little garden before the house divided by a white fence from the street and with a pear tree and two or three plum trees overshadowing it and some rose bushes just in front of the parlor windows The trees and shrubs however were now leafless and their twigs were enveloped in the light snow which thus made a kind of wintry foliage with here and there a pendent icicle for the fruit      *Areal Snow Cover Observations in the Central Rockies, Colorado* Arden D. Haefner, 1973      **Snow** Ellen Mattson, 2011-11-30 The sky was now a block of darkness punctured only by driving snow The stars had gone out the king was dead And the wound on his arm refused to heal So begins *Snow* the first novel by Ellen Mattson to be published in Britain a brilliant exploration of an individual's codes of ethics and honour in the face of political and social collapse The man is Jakob Torn a small town apothecary stumbling drunkenly through the streets a refugee from his own home carrying a deep stab wound inflicted by his wife He does not understand what brought on this sudden violence any more than he can come to terms with the death in battle of his king When the town begins to fill with the starving frostbitten remnants of the defeated army and Jakob is conscripted into helping to embalm the king's body all his certainties are called into question Though set in 1718 in the west coast of Sweden

Snow is a profoundly modern and universal novel interested less in the real life historical drama that forms the backdrop than in the emotional and moral dilemma of Jakob Torn a simple loyal honourable man who finds himself the damaged centre of a collapsing world

**The snow image, and other twice-told tales (1876) [v. 4-5] Mosses from an old manse (1876)** Nathaniel Hawthorne,1876     *The Snow Flake* ,1849     **The snow-image** Nathaniel Hawthorne,1868     Joseph in the Snow and The Clockmaker Berthold Auerbach,2019-09-25 Reproduction of the original Joseph in the Snow and The Clockmaker by Berthold Auerbach     **Novels: The Snow man** George Sand,1902     **Joseph in the Snow, and The Clockmaker** Berthold Auerbach,1861     **SNOW Series 1. Vol. 1 HC** Bobby Nash,2018-12-13 Half an inch is all that stands between life and death Abraham Snow former undercover agent turned do gooder helps those in need while searching for the man who shot and left him for dead SNOW Series 1 Volume 1 collects the first 3 SNOW stories SNOW FALLS SNOW STORM and SNOW DRIVE together for the first time     **The Brownie Scouts at Snow Valley** Mildred A. Wirt,2023-10-27 Mildred A Wirt s The Brownie Scouts at Snow Valley is a charming and adventurous tale that follows a group of young Brownie scouts on a winter camping trip to Snow Valley The book is written in a straightforward yet engaging style perfect for young readers with vivid descriptions of the snowy landscape and the girls activities The story is set in the early 20th century reflecting the author s own experiences and values as a woman in that era Through her captivating storytelling Wirt brings to life the spirit of friendship teamwork and the love of the outdoors that are central to the Brownie scouting movement The book provides a wholesome and uplifting reading experience for both children and adults alike emphasizing the importance of resilience camaraderie and the joy of exploration     Joseph in the snow, and The Clockmaker, tr. by lady Wallace Berthold Auerbach,1861     *Works: Twice-told tales.- v. 3.
